Cursed in New England Joseph A. Citro,2018-08-01 New Englanders are always cursing. But a colorful profanity uttered by some stero-typically taciturn old Yankee is usually more humorous than menacing. Yet, true maledictions (the opposite of benedictions) have frequently been spoken on New England soil, curses intended to invoke evil, injury, or total destruction against other people. Stories about preternatural revenge are numerous in Yankee lore, with each New England state providing its favorites. You'll read about curses that were followed by the strange disappearance of a father and daughter in Rhode Island, mysterious afflictions in Massachusetts, a river of death in Maine, an unaccountable blight in New Hampshire, unexplained madness in Connecticut, and other eerie happenings from New England's colorful history. Some are well known, at least regionally. Others are nearly forgotten. Within these pages, storyteller Joseph A. Citro vividly brings these tales to life, letting us decide if these tales of woe were bad luck or . . . something else.

From Scribes to Scholars Yakir Paz,2022-11-21 Yakir Paz argues that ancient Homeric scholarship had a major impact on the formation of rabbinic biblical commentaries and their modes of exegesis. This impact is discernible not only in the terminology and hermeneutical techniques used by the rabbis, but also in their perception of the Bible as a literary product, their didactic methods, editorial principles and aesthetic sensitivities. In fact, it is the influence of Homeric scholarship which can best explain the drastic differences between earlier biblical commentaries from Palestine, such as those found among the Dead Sea Scrolls, and the scholastic Halakhic Midrashim (second to third century CE). The results of the author's study call for a re-examination of many assumptions regarding the emergence of Midrash, as well as a broader appreciation of the impact of Homeric scholarship on biblical exegesis in Antiquity.

The answer lay somewhere beyond the horizon where wizards schemed and powerful forces gathered. There was nothing to do but pack his bag and hit the road.
