David Jimmy Swaggart,2012 David is without a doubt one of the most striking characters in the entirety of the Bible. He was a man who saw higher heights and deeper lows possibly more than any other human being, at least

one used by God, has ever seen. It was through his family that the Messiah of Israel and the Saviour of the world would come. That's the reason the New Testament begins with "The Book of the Generation of Jesus Christ, the Son of David, the Son of Abraham" (Mat. 1:1). In fact, David is the first human name given in the New Testament and the last human name given in the New Testament (Rev. 22-16). I believe this book will take you through the life of this great man, and that it will speak to your own experience with the Lord. As stated, there was none quite like David. We begin to realize how great this man was when we heart the statement, as it refers to our Lord, "Jesus Christ, the Son of David." Nothing could be higher than that!

A Better Way David Zachariah Glover, 2016-01-14

Imagine a better way, perhaps the most implausible way, that God might use today to transform His people and His church, and as a result, truly change our culture. A Better Way, by author David Zachariah Glover, introduces PURE ministry and compels us to view all people differently by awakening the average Christian to the blessings and contributions of people with disabilities, PURE people, to the church and the community. Inspired by the brief journey with his grandson, Glover founded PURE Ministries to challenge Christians to see and listen to the needs of PURE people and their families in their daily lives and make them aware of ministry opportunities. He seeks to inspire Christians to learn how they can be involved and blessed and to equip them to act in their communities through their churches. A Better Way begins with the story of how God used a little boy, someone whom this world would not consider of much value, to change this Granddad and lead him to start the PURE movement. A Better Way provides a scriptural foundation on which PURE ministry can be built and presents practical information and

suggestions on how we can lovingly relate and reach out to PURE people and their families. Glover shows us A Better Way is truly where least is most and is evidenced in real, enduring transformation of us and His church.

An Incorruptible Heart David McCracken, 2011-09-01
More than ever before, the Body of Christ needs a generation of godly leaders who can have influence without losing their integrity. God is searching for those in whom He can safely entrust the authority of His kingdom and the mantle of leadership. In this book, David McCracken gives leaders the spiritual understanding and practical outworking to carry the level of authority and power that God desires to flow through them. *An Incorruptible Heart* gives prophetic and apostolic insight into the deeper heart issues of integrity, purity of motivation, intimacy with God, accountability, servanthood, spiritual fatherhood and much more. If you want to finish well with greatness of character, this book will empower your future success for God's glory. 'An Incorruptible Heart' is deeply challenging. It is written out of the depths of experiences of life, ministry and significant Biblical understanding. It's uncomfortable to have the mirror turned on you as it is read. However, one feels inward renewal as one surrenders to the truth. In a fast moving Christian sub-culture it is worth making a priority read. IAN GREEN, NEXT LEVEL INTERNATIONAL, ENGLAND With so much tragic failure in Christian ministries and leadership today, how must we face the new millennium? David McCracken has done us all a great service in analysing and compiling the great themes of faithful leadership; servant hearts, yielded expectations, accountability and intimacy with Christ; utterly necessary principles for us to honor the Lord in the great decade of harvest before us. My Dad (a champion cyclist) once said to me: "Son, it's not how you begin the

race; it's how you finish that counts." David's book will help you cross that line a winner! WINKIE PRATNEY, International Speaker and Author, USA David McCracken's excellent book reminds us of the power of an incorruptible heart. I often say, "don't trust a leader who doesn't limp." Meaning... people who have gone through the fires of trials, pressures, crisis, pain, and disappointment, yet have decided to trust God and be people of integrity with a sweet spirit. Those who limp have been there and have come out better. I listen to these people and learn. David is one of those people. His book is full of transparency, vulnerability, and wisdom arising from the pressures of ministry and life. Throughout his writing he brings hope, inspiration, and faith to us who are looking for positive examples. He reminds us of the critical truth that we must protect our heart from bitterness, walk the road of integrity, and keep tender to the things of God and to the needs of people. DR WAYNE GOODALL, WORLDWIDE FAMILY, USA It is easy to see that this book has been forged from the decades of ministry experienced by David, starting where we all start: young, zealous and naive to developing into very senior mature leadership. David's heart, his life, his experience, his blood sweat and tears are spilled onto these pages. What a book for Senior Pastors to keep us on the "straight and narrow" in order to achieve what we all set out for. What a book for existing leadership to keep the hearts right and save the "body" from the heartaches of the past. What a book for emerging leadership to forewarn them of the pitfalls that can await them. What a book for the body of Christ at large to help the saints, both young and old, to grow into the full measure and stature of Christ. PETER MORTLOCK, SENIOR PASTOR CITY IMPACT CHURCHES, NZ

Abc's of Ministry David E. Holt, 2008-08 Holt provides

practical steps and proven techniques to strengthen a person's life in ministry. A bonus how to section pertaining to weddings, baby dedications, baptisms, and funerals is included.

Multicultural Ministry David A.

Anderson, 2009-08-30 David Anderson writes about multicultural leadership not from the perspective of an ivory tower intellectual, but as a hands-on practitioner who loves and believes in the body of Christ. . . . If you believe there is no solution to the race problem, I urge you to reconsider and to learn from someone who is on the frontlines of making multicultural ministry a reality in the church today.—Bill Hybels, founding and senior pastor, Willow Creek Community Church

Multiculturalism isn't a trend, it's a reality. Evidence of this country's rich racial mix is all around us in our schools, our stores, our neighborhoods, our recreational facilities—everywhere except our churches. Heaven may include every culture, tongue, and tribe, but in the United States, Sunday morning remains one of the last bastions of ethnic separatism. It's time to stop merely talking about multicultural worship and start living it. In this groundbreaking book, David Anderson invites us all—African-American, Asian, Caucasian, and Latino—to learn how to dance the dance of multicultural ministry. We've all got different moves, but that's the beauty of diversity: the various gifts we bring, the wisdom of our heritages, the different creative ways we express the same Lord. Think it can't be done? Think again. As Anderson demonstrates, it is being done successfully by more and more churches. Wherever your church is now on the multicultural continuum, you can join the ranks of those moving toward a diverse and thriving ministry. Combining frontline insights with inspiring stories, Anderson takes

you and your church into the strategy-level realities of what it takes to make multicultural ministry work in your setting. Do you hear the beat of the Spirit? God is calling your church to the dance of unity in diversity. Don't hold back! Grab this book, get out on the dance floor, and let Multicultural Ministry show you the steps. Includes a Racial Reconciliation survey and six-session Racial Reconciliation curriculum.

Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament. It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire. Luke tells this story by focusing primarily on two men, Peter and Paul. This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles. Their apostolic ministries are examined in the context of several different components: Leadership, Evangelism and Church Planting, Miracle Working and Healing, and Mystical or Supernatural Experiences. These categories are shown to detail particular aspects of each man's apostleship work. These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed, as described by Luke. Spell also devotes a chapter each to Luke's literary method and the relationship of Peter and Paul as seen in their letters. These two chapters lay important groundwork for examining the apostles. This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry. By looking at how Peter and Paul conducted their ministries in the first century, we can be more effective in the twenty-first.

Completing the Circle David R. McMahaill, 2003-01-01 On his second day as association minister for the United

Church of Christ, David McMahill received three phone calls from lay leaders who were looking for resources on how to evaluate our minister. He knew of several churches in which a poorly constructed process for evaluating the ministers had spun out of control, however, and had gradually come to believe it is probably better for a church not to attempt an evaluation process at all than to do one carelessly or to naively use a design intended for a secular organization. Based on the needs he saw, McMahill began to work with numerous congregations looking for ways to review both leaders and ministries and developed the feedback/reflection process he lays out in this book. Based on sound principles of effective communication, this simple system of asking for descriptive feedback about various aspects of a congregation's life together takes into account the specific setting and the unique relationship between minister and congregation.

Living with Confidence in a Chaotic World Dr. David Jeremiah, 2021-03-30 In this updated edition of his classic book, New York Times bestselling author Dr. David Jeremiah offers biblically based, practical instruction for living a confident life in a world filled with chaos and crisis. Confidence can be hard to come by these days as millions of people experience immeasurable, unanticipated challenges. People are losing their jobs, their houses, and their life savings at an unprecedented rate. Violence, natural disasters, and moral depravity seem to be skyrocketing. In the midst of all this chaos, we need to know . . . what on earth should we do now? Bible teacher Dr. David Jeremiah brings a message of hope and confidence from the priceless counsel of the Word of God. If we rely on God's Word to advise us, calm us, and fill us with hope and trust in the One who understands what is happening, we can weather any storm. Dr. Jeremiah

answers our most urgent questions, including: How can we weather this storm with a calm heart? What does it truly mean to “wait on the Lord”? What is Jesus saying to our chaotic world today? How on earth did we get into this mess? Can we take a broken world and rebuild it into something fruitful? Living with Confidence in a Chaotic World shows us all that with the power and love of Almighty God, we can live with confidence in this age of turmoil.

Open Heavens David Greco, 2001 FINDING GOD'S VISION FOR YOUR PART OF HIS MINISTRY

The God Who Walks Beside Us David Roper, 2013-03-01 When setbacks and failures are at the forefront of life, moving forward can sometimes seem like a lonesome journey. In *The God Who Walks Beside Us*, David Roper reminds readers that God never gives up on them no matter what they have done or are doing. This devotional-style book shares lessons from the life of Jacob to help readers gain a better understanding of how God can use them in spite of their brokenness. Offering insights into the significance of following God’s direction in navigating through life, *The God Who Walks Beside Us* encourages readers to experience the power and presence of the God who uses ordinary people to do extraordinary things. (New updated edition, previously titled *Jacob: The Fools God Chooses*.)

Rough Cut Men David Dusek, 2015-03-18 In the movie industry, the rough cut is defined as the raw, first edition of a movie, which provides an idea of what the finished product will look like, giving indications of where it has problems and where it excels. Much like a rough cut movie, *Rough Cut Men* are not the “finished product”. We are a work in progress. Philippians 1:6 reads: “being confident of this, that he who began a good work in you will carry it on

to completion until the day of Christ Jesus.” Men today have hundreds of acquaintances, but most have no real friends. Men are isolated and struggling alone. And while the Bible says we are to “Pity the man who falls and has no one to help him up.” (Ecc. 4:10), most guys go into the battles of life with no covering fire. Every man needs a battle buddy. Rough Cut Men utilizes a strategic blend of “guy” movie scenes, real world tales of men, Biblical Truth and even throws in some of the author’s personal testimony to accomplish one focused mission: To get men talking to each other about what’s really going on in their lives. Each chapter contains hard-hitting questions designed to drive men deeper in their walk with other men and with Christ. Rough Cut Men is real, raw and authentic. And it will equip you for the battle.

America's Suicide David Reagan, 2022-02-06 Does America have any hope, or is its fate sealed? America is in a free fall without a parachute. Dr. David Reagan asserts the brutal fact that our nation has turned its back on the One who has blessed us so abundantly. He contends that our fundamental problem is not Systemic Racism. Rather, it is Systemic Godlessness. We are a nation that has forgotten God. The consequences are apostate churches and a society consumed with immorality and violence. America's Suicide shares from the Scriptures how God deals with a nation He has blessed that turns against Him. America has crossed the point of no return and is thus on a path to self-destruction. The book concludes by talking about the hope that remains for both believers and unbelievers. It is a sobering and challenging book that points to Jesus, and not politicians, as our only hope.

Children's Ministry in the Way of Jesus David M. Csinos, Ivy Beckwith, 2013-10-04 Attract kids to church, the logic often goes, and you get parents in the pews. All that's

left, then, is to get the kids out of the way. Here children's ministers David Csinos and Ivy Beckwith draw on research in human development and spiritual formation to show how children become disciples and churches become centers of lifelong discipleship. For too long, the local church has focused primarily on programs for children rather than ways of doing ministry with children. But in light of emerging missional movements, the church is changing and forming a new kind of ecclesial culture. And children's ministry must follow suit. Csinos and Beckwith propose a new way of thinking for these modern churches—they suggest that children can contribute to our theological understandings, as well as invest in and practice Biblical justice just like adult church members. Here is a unique resource that explores children's ministry in light of true spiritual formation and discipleship.
