If you want to be the person God created you to be, even in difficult circumstances, we are here to help! The Other Half of Church Jim Wilder, Michel Hendricks, 2020-08-04 Could brain science be the key to spiritual formation? Why does true Christian transformation seem fleeting? And why does church often feel lonely, Christian community shallow, and leaders untrustworthy? For many Christians, the delight of encountering Christ eventually dwindles—and disappointment sets in. Is lasting joy possible? These are some of the questions Michel Hendricks has considered both in his experience as a spiritual formation pastor and in his lifetime as a Christian. He began to find answers when he met Jim Wilder—a neurotheologian. Using brain science, Wilder identified that there are two halves of the church: the rational half and the relational half. And when Christians only embrace the rational half, churches become unhealthy places where transformation doesn't last and narcissistic leaders flourish. In *The Other Half of Church*, join Michel and Jim's journey as they couple brain science with the Bible to identify how to overcome spiritual stagnation by living a full-brained faith. You'll also learn the four ingredients necessary to develop and maintain a vibrant transformational community where spiritual formation occurs, relationships flourish, and the toxic spread of narcissism is eradicated.

Rare Leadership Marcus Warner, Jim Wilder, 2016-03-18 Revive your leadership. Grow healthy teams. See great results. Combining solid theology, cutting-edge brain science, and decades of counseling and consulting experience, *Rare Leadership* shows you how to take your leadership and team to the next level. It will equip you to: Cultivate emotional maturity in yourself and others Develop the four habits of R.A.R.E. leaders Promote a strong group identity Keep relationships bigger than problems Increase productivity through trust, joy, and engagement Whether you are burnt out or just looking to improve, when you prioritize people and lead from a secure identity, you'll be amazed at the freedom you feel and the results you see. You can lead from a healthy place, respond rather than react, and build the team of your dreams. If you want to take your organization to the next level, it starts with you. Read *Rare Leadership* and be equipped to lead joy-filled, emotionally mature, relationally connected teams.

The 4 Habits of Joy-Filled Marriages Marcus Warner, Chris M. Coursey, 2019-04-02 What separates happy marriages from miserable ones? Surprisingly, it's not healthy communication. It's not conflict resolution skills. It's actually the size of the marriage's joy gap. Joy Gap/joi gap/(n.)-1. The length of time between moments of shared joy When the joy gap gets bigger, problems are more likely to overwhelm you, resentment creeps in,

and you start to feel distant and alone in your marriage. When the joy gap is smaller, you regularly feel connected and happy, problems feel manageable, and your marriage becomes a reliable source of joy. But how do you ensure that you're experiencing joy regularly? Marcus Warner and Chris Coursey have studied relationships (and neuroscience) and discovered four habits that keep joy regular and problems small. Some couples do them naturally, but anyone can learn. That's why each chapter includes 15-minute exercises that boost joy and re-train your brain to make joy your default setting. You'll learn new skills including how to: return to joy more quickly after disconnection create stronger bonds and elongate times of happiness boost your enjoyment of physical and emotional intimacy Find out what your marriage looks like after a little work and a whole lot of joy.

Slaying the Monster Marcus Warner, 2017-04-17 Like an adultress, pornographic media drips honey and promises nothing but good things. In the end, however, it does not lead to anything good. It only destroys. Slaying the Monster introduces you to six lines of attack for taking on this dreaded monster. The first chapter introduces all six strategies. Each chapter after that goes into more detail about how to start practicing these new habits. This dragon doesn't need to be fought alone - it shouldn't be. Build your army. Get equipped. Slay the monster.

Overcoming the Adversary Mark I. Bubeck, 1984-03-05 Though Satan has no right to rule in a believer's life, he can subtly build a stronghold-brick by brick, layer by layer-until he is a dominating force in your life. Mark Bubeck asserts that spiritual warfare requires careful preparation, biblical obedience, and persistent prayer. The Adversary prowls, but he's already been beaten. This book is an essential follow-up to the bestselling *The Adversary*, in which Bubeck helps Christians grasp prayer practices that enable a victorious walk. Building on the practical instruction of *The Adversary*, this book shares examples of demonic activity and carries you through the perils and challenges of spiritual warfare. The author focuses on four weapons needed to wage the battle against the enemy.

The Adversary Mark I. Bubeck, 2013-09-17 Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and desire to take over God's kingdom. This battle will not go away, and ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

The Spirit-Filled Home Marcus Warner, 2019-05-18 Flesh-filled homes breed conflict and pain. Spirit-filled homes grow the maturity to handle hard things in loving ways. This book will help you understand what the Bible means by walking in the Spirit and how it applies to both marriage and parenting. Discussion starters and exercises at the end of each chapter make this an ideal guide for personal study and small groups.

Relational Skills in the Bible Amy H. Brown, Chris M. Coursey, 2019-01-02

This fun, flexible, eye-opening Bible study focuses attention on what matters most in life: RELATIONSHIPS! The desire to have vibrant, life-giving relationships is universal; all of us want our relationships to be happy and healthy. Sadly, many of our relationships are stressed, strained, and even broken. The skills needed to repair, restore, and strengthen relationships are underdeveloped or missing. Where can we find the answers to the skills we need? This study takes you through the pages of Scripture to see relationships as never before. Your group will journey through the Bible together and look at relational skills from well-known characters like Adam and Eve, Abraham, Jacob and Esau, Peter, the early church, and more, giving you a fresh perspective from Genesis to Revelation. As you discover these relational skills, you will be inspired to build them into your own life, and begin that process through the exercises with your group. The thrill of growing in your own skills will only be outdone by the experience of the joy-filled, thriving relationships you have always wanted.

Spiritual Warfare Prayers Mark I. Bubeck, 2013-05-01 Lord, teach us to pray (Luke 11:1). During Jesus' earthly ministry, the disciples made this request of Him. He answered them with what has become known as the Lord's Prayer. Today, nearly 2,000 years later, do we as followers of Jesus Christ have a passion for prayer? Do we desire to speak with our heavenly Father? And are the prayers we utter effective? In this handy pamphlet, perfectly sized to slide into your Bible or notebook, Mark Bubeck offers twenty prayers, rich in doctrine, to help Christians triumph in their spiritual battles. Model prayers include those for revival, repentance, intercession, protection from the Enemy, unity in the Body, and wearing the Armor of God. Learn to pray like the disciples did—by example.

Forty Days to a Closer Walk with God J. David Muyskens, 2016-04-01 It's been said that Centering Prayer is like two friends sitting together in silence, just being in each other's presence—completely natural and comfortable. Yet, Centering Prayer is sometimes viewed as too mysterious, too escapist, too hard. At first, it even appeared that way to the author, but events in his life and his further studies about prayer changed his views. Through Muyskens' insightful guidance, you'll explore a method of prayer that goes deeper than verbal conversations with God. This book teaches: silent communion with God a method of being open to the gift of God's presence a way of receiving a deep and intimate relationship with God Each day's reading has a focal scripture verse and the author's reflection, ending with simple suggestions for contemplative prayer. You'll begin with as few as 5 minutes of Centering Prayer. By following the guidance in this book for 40 days, you will be led to a closer relationship with God. As you progress through the daily scripture and meditative readings in *Forty Days to a Closer Walk with God*, you'll find greater understanding and fresh awareness of Jesus' promise, I am with you always.

Building Bounce Marcus Warner, Stefanie Hinman, 2020-05-19 Have you ever felt like the ball on the cover: flat or at least under-inflated? Life is hard. We all get overwhelmed at times. Or is there a secret to building emotional resilience that anyone can learn? *Building Bounce* explains the theory behind growing emotional resilience and provides

practical tools you can use in a variety of settings, such as growing your own emotional capacity, parenting your children in ways that build joy, and helping others who live low-joy lives learn the skills that grow joy. The good news is that wherever you are starting this journey, growth is possible. People used to believe we were victims of the wiring in our brains. We now know that our brains can be rewired. We want to help you learn how to train your brain by building habits that increase your ability to bounce back from the hard things in life.

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

What Every Believer Should Know about Spiritual Warfare Marcus Warner, 2020-10-13 The Bible never says, Ignore the devil and he will leave you alone. We are all born into a world at war. Until we understand the realities and rules of this war, we are condemned to fight blind against an adversary capable of inflicting great damage. Every Christian needs to understand the fundamentals of spiritual warfare. Participation in the battle is not optional. We are all in this war whether we like it or not, so doesn't it make sense to be prepared? This book provides practical insights about the battle and clear strategies for winning life's battles and for walking in Christ's victory. We will look at the reality of spiritual warfare, how we often give permission to the enemy to have a place in our life--and how we can use our authority in Christ to remove that legal ground. We'll look deeper into demons, the occult, and how to find freedom from bondage. In this edition of the book, you'll also find prayer guides and exercises to help you experience the freedom that is yours in Christ.
