Keeping Quiet: Paul Nixon Jon Colman, Paul Nixon, Steve Waugh, Viv Richards, 2012-01-31 From Gower to Flintoff, Waugh to Vaughan, Cronje to Pietersen, Paul Nixon has shared a dressing room with some of the most evocative names in international and domestic cricket – and often enraged them on the field of play. The wicketkeeper, known as his sport's most prolific 'sledger', has amassed more than 20 years of stories from his career at the heart of the game and now reveals them in typically outspoken style. From 'Fredalo' to match-fixing, Nixon has experienced some of the most notorious episodes in cricket history, possesses strident opinions on the game and has a track record of success in the English first-class game and the Twenty20 revolution. With an accent on off-the-field anecdotes, Nixon also lays bare the personality that led the Australian legend Steve Waugh to compare him to: 'a mosquito buzzing around in the night, that needs to be swatted but always escapes.'

English Alive! Alan Etherton, Thelma Baker, 2004 English Alive! is a series designed specifically to meet the needs of English students in Caribbean secondary schools. The book covers the key areas of reading comprehension, listening and speaking, writing grammar and language usage and vocabulary development. Particular attention is given to the often challenging area of poetry. The book also covers common errors made by students. A reference section contains verb tables, including a section on tenses (notoriously difficult for learners), irregular verbs and a glossary of language words and literary terms, --page [4] of cover.

Sachin Gulu Ezekiel, 2012-05-24 At seventeen, Sachin Tendulkar became the second youngest man to make a hundred in international cricket; ever since, there has been no looking back. Today, Sachin is widely regarded as the world's finest batsman, with over 33,000 international runs—the highest aggregate by far for any cricketer—and an incredible 100 international centuries to his credit. In this biography of India's greatest sportsperson ever, Gulu Ezekiel pens a compelling account of Sachin the man and his passion for cricket. He tracks Sachin from his childhood when he first caught the bug of cricket, and follows him on his meteoric rise to international stardom. With unfailing attention to detail, he reconstructs the crucial matches and events that have marked Sachin's career and reveals the magic of the cricketer whom Wisden Cricket Monthly once dubbed 'bigger than Jesus'

An Island's Eleven Nicholas Brookes, 2022-12-12 From Sathasivam to Sangakkara, Murali to Malinga, Sri Lanka can lay claim to some of the world's most remarkable cricketers - larger-than-life characters who thumbed convention and played the game their own way. More so than anywhere else in the world, Sri Lankan cricket has an identity. This is the land of pint-sized swashbuckling batsman, on-the-fly innovators and contorted, cryptic spinners. On the field of play, Victorian ideals of the past collide with madcap tropical hedonism to create something dizzying. Cricket is Sri Lanka, and Sri Lanka is cricket. We all know the story of the '96 World Cup: how a team of unfancied amateurs rose from obscurity to the top the world, doing so with such swagger that they changed the way the game was played. Yet the lore of Sri Lankan cricket stretches back much further. In the early days, matches between colonists and locals imbued cricket with a nationalistic drive. Ashes-bound ships stopping over in Colombo brought the world's biggest stars, from Blythe and Bradman to Grace and Grimmet. More recently, Sri Lanka has had to face the triumphs and tragedies that come when cash flows freely into the gentleman's game. *An Island's Eleven* tells this story for the first time, focusing on the characters and moments that have shaped the game forever.

Playing It My Way Sachin Tendulkar, 2016-01-12 'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne This is cricket icon, Sachin Tendulkar's life story in his own words - his journey from a small boy with dreams to becoming a cricket god. His amazing story has now been turned into a major film, *A Billion Dreams*, in which he stars. The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that

launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

On Warne Gideon Haigh, 2012-10-25 'A superb portrait of the most brilliant cricketer of his generation' Mike Atherton Shane Warne dominated cricket on the field and off for almost thirty years - his skill, his fame, his personality, his misadventures. His death in March 2002 rocked Australians, even those who could not tell a leg-break from a leg-pull. But what was it like to watch Warne at his long peak, the man of a thousands international wickets, the incarnation of Aussie audacity and cheek? Gideon Haigh saw it all, still can't quite believe it, but wanted to find a way to explain it. In this classic appreciation of Australia's cricket's greatest figure, who doubled as the nation's best-known man, Haigh relieves the highs, the lows, the fun and the follies. The result is a new way of looking at Warne, at sport and at Australia. 'Bloody brilliant... As good as anything I have read on the game' Guardian Winner of The Cricket Society and MCC Book of the Year

The Ultimate Goal Vikram Sood, 2020-10-05 In *The Ultimate Goal*, Vikram Sood, former chief of India's external intelligence agency, the Research and Analysis Wing (R&AW), explains 'the narrative' and how a country's ability to construct, sustain and control narratives, at home and abroad, enhances its strength and position. Intelligence agencies invariably play a critical role in this, an often-indispensable tool of statecraft. A 'narrative' may not necessarily be based on truth, but it does need to be plausible, have a meaning and create a desired perception. During most of the twentieth century, intelligence agencies helped shape narratives favourable to their countries' agendas through literature, history, drama, art, music and cinema. Today, social media has become crucial to manipulating, countering or disrupting narratives, with its ability to spread fake news disinformation, and provoke reactions.

Erewhon Revisited Samuel Butler, 2019-09-25 Reproduction of the original: *Erewhon Revisited* by Samuel Butler

Arabs Tim Mackintosh-Smith, 2019-04-30 A riveting, comprehensive history of the Arab peoples and tribes that explores the role of language as a cultural touchstone. This kaleidoscopic book covers almost 3,000 years of Arab history and shines a light on the footloose Arab peoples and tribes who conquered lands and disseminated their language and culture over vast distances. Tracing this process to the origins of the Arabic language, rather than the advent of Islam, Tim Mackintosh-Smith begins his narrative more than a thousand years before Muhammad and focuses on how Arabic, both spoken and written, has functioned as a vital source of shared cultural identity over the millennia. Mackintosh-Smith reveals how linguistic developments—from pre-Islamic poetry to the growth of script, Muhammad's use of writing, and the later problems of printing Arabic—have helped and hindered the progress of Arab history, and investigates how, even in today's politically fractured post-Arab Spring environment, Arabic itself is still a source of unity and disunity.

The Medical Science of House, M.D. Andrew Holtz, 2006-10-03 How can a teenager adopted at birth nearly die because his real mother didn't get a measles shot? How can a husband's faith in his wife's fidelity determine whether radical treatment will cure her or kill her? How can a missed eye doctor appointment reveal a genetic disease? How can doctors choose the right course for a pregnant woman when one may kill her and the other would abort her fetus? Answers to these questions and more are pursued every week on *House, M.D.* Premiering in November 2004, the darkly quirky medical drama introduced a compelling new character to prime-time television: the sarcastic, abrasive—and brilliant—Dr. Gregory House. Week after week, *House* has held viewers' attention with brilliant cast performances and intriguing diagnostic mysteries often solved with daring treatments. But how much of the medical detail is real and how much is fabricated? In *The Medical Science of House, M.D.*, Andrew Holtz, a well-known medical journalist, reveals how medical detectives work—how they follow symptoms to their source. He examines each case in detail—and provides answers for every viewer who has ever wondered about the authenticity of their favorite show.

Out of My Comfort Zone Steve Waugh, 2006-07-31 Revealing his life on and off the cricket field,

Steve Waugh opens up on his personal life in a way few would expect and reveals the controversies and scandals, the clashes with other players, the media and the cricket administrators.

Chase Your Dreams Sachin Tendulkar, 2017-12-27 My father set me free at the age of eleven when he told me 'Chase your dreams, but make sure you don't find shortcuts to them. In his career spanning 24 years, hardly any records have escaped Sachin Tendulkar's masterly touch. Besides being the highest run scorer in Tests and ODIs, he also uniquely became the first and only batsman to score 100 international centuries and play 200 Tests. His proficient stroke-making is legendary, as is his ability to score runs in all parts of the field and all over the world.....

281 and Beyond V. V. S. Laxman, V. S. S. Laxman, R. Kaushik, 2018 A stylish batsman who could score against any kind of bowling, VVS Laxman played over a hundred Tests to aggregate more than 8,000 runs. Cricket fans still remember with awe his game-changing knock of 281 against Australia in 2001 at Eden Gardens. But playing for India was never easy. He was dropped as often as he was picked, and despite his vast experience and unimpeachable skill, he never made it to a World Cup team. All through his playing years, Laxman was known to be a soft-spoken man who kept his distance from controversy. Which is what makes this autobiography truly special. It's candid and reflective, happy and sad by turns, and deeply insightful. He writes of dressing-room meltdowns and champagne evenings, the exhilaration of playing with and against the best in the world, the nuances of batting in different formats and on various pitches, the learnings with John Wright and the rocky times under Greg Chappell. In *281 and Beyond*, Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket.
