Albert Mendoza

Do You See the Real Me Through My Obesity Albert Mendoza,2010-08-27 A delightful story inspired by and dedicated to The First Lady (Michelle Obama's) Lets Move obesity campaign. The story is about an obese kid who is good at sports but is always picked last or never picked at all because of his obesity. A popular kid named Lee befriends the obese student and even defends him when other students bully him. The book teaches tolerance and the importance of being a good friend. The back of the book teaches students that fighting obesity is quite easy. Toward the end of the story the obese kid wants to be more like his friend Lee but not because he is popular or funny. Instead he says, If I could be anything in this world...I would like to be as friendly as my friend Lee, because unlike the others Lee was able to look past my obesity and see the real me.

Cutting Myself in Half Mary Branson,Jack Branson,Taylor LeBaron,2010-01-04
At age fourteen, Taylor LeBaron was nearly 300 pounds. He had difficulty just getting to the mailbox without becoming short of breath. A chubby kid from birth who was prone to obesity, Taylor allowed his weight to skyrocket through mindless 'whatever' eating and his sedentary techie lifestyle. But a membership to the Y, a keen imagination, and an indomitable spirit changed all that. Approaching proper eating and weight loss as he would a new video game, Taylor made fitness into a fun challenge with his creation of THE ULTIMATE FITNESS GAME (UFG)—a method of tracking calories, avoiding pitfalls, overcoming obstacles, and working out by following hard-and-fast rules that literally helped him shed half of his body weight in a matter of a year and a half. Cutting Myself in Half is Taylor's motivational strategy guide to THE ULTIMATE FITNESS GAME. Taylor shows kids who are currently where he was that weight loss and fitness are within reach . . . one workout, one calorie, one 'byte' at a time.

Transformation: God's Path Out of Obesity Joy Rollins,2008-10-10
'Transformation' relates my journey out of obesity by the power of the Holy Spirit. At 49, I was 120-150 pounds overweight, and felt helpless and hopeless in overcoming my lifelong struggle with food addiction and obesity. Confronted with declining health and comfort, I asked God for His help, turning the struggle over to Him. ... I received the baptism of the Holy Spirit for the first time. God did a miracle in my life that night in April 2006 and began a powerful transformation, both in my heart and body. By the power of the Holy Spirit, I was filled with joyous anticipation of God's ability in my life, and I began to lose weight. Early into the transformation, God told me to write a journal of my experiences and the lessons He would teach me in the journey of transformation. He directed me to seek publication of the journal of the first 80 pounds lost, and gave me a vision of beginning a spiritual support group at my church for women struggling with these issues.

Throughout his journey, Ben captured his transformation in a series of YouTube videos, inspiring countless others around the world to "do life" along with him. illustrates how you can use his techniques to start living your own life to the fullest. Do Life isn't just about diet or exercise, depression or addiction—it's about stepping out of your ordinary life and becoming who you want to be. It's the story of one man who decided to live life his way. And it could be your story too.

Integrating Body Self & Psychological Self David W. Krueger, 2013-10-17 David W. Krueger illustrates a novel synthesis of fundamental psychodynamic principles with evolving advances in developmental, self, neuropsychological, and attachment theories. Focusing on action symptoms, self object experiences, gender issues, embodiment, somatic symptoms, affect regulation,

and ego states, the theoretical innovations are illustrated by vivid case material. He introduces treatment inroads enabling clinicians to hear and articulate arcane messages spoken in metaphor, actualized in symptoms, and encrypted in the body. A fresh conceptualization from an original thinker, Integrating Body Self and Psychological Self broadens our understanding of the mind and body interplay in the clinical exchange.

Words, My Path to the World Grace Swanson, 2014-04-16 Words, My Path to the World is a compilation of poetry and essays that Gwen wrote from childhood to adulthood. Writing until things made sense to her was her way of dealing with struggles. She wrote about many things—being a sick kid, being a survivor of sexual abuse and of bullying, looking for and finding love, being overweight, her faith, her family, creation, music, etc. She loved the spoken and written word. Sometimes her poetry is silly and sarcastic; sometimes it has a definite wow factor. Gwen died on July 12, 2012 after a short battle with ovarian cancer.

I'm Jerry Seinfeld J Washburn, 2016-04-01 Don't read this book if you're fat. Or if you hate reading. Or if you hate Jerry Seinfeld. Or me. Or fat people. Or nudity. And definitely don't read it if you liked my other books. Or if you've had enough funny business. Or if you'd rather have a 99-cent hamburger. Did I mention fat? Come on, George, you're such a cheapskate.

For twenty years Basil Pascali has spied on the people of his small community and secretly reported on their activities to the authorities in Constantinople. Although his reports are never acknowledged, never acted upon, he has received regular payment for his work. Now he fears that the villagers have found him out and he becomes engulfed in paranoia. In the midst of his panic, a charming Englishman arrives on the island claiming to be an archaeologist, and charms his way into the heart of the woman for whom Pascali pines. A complex game is played out between the two where cunning and betrayal may come to haunt them both. Pascali's Island was made into a feature film starring Ben Kingsley and Helen Mirren.
