*Do You Wanna Dance?* Deborah M. Porter, 2008-11  
Her mother said she would learn everything the hard way. The choices she made would always lead her back to the emotionally unstable existence she had come from. Life experience begged her to take another road. With every bad choice, the road became tougher to travel. After falling in love with a contractor whom she came to realize was leading a double life, she was facing the edge of sanity. She could allow him to send her over, or she could face her fears. She discovered that 'what lives in the dark, grows in the dark.' After warning her to stay out of his business and to stop investigating him, he confessed, This is what I do; I become a regular in many bars. I shmoo people, I buy drinks, dinner, whatever it takes and before you know it; someone has a job for me. She did not know however, they were all women. He used their emotions against them. It is not certain how far back Zach realized his powers. He grew up in an affluent town. He began to observe his friends, attempting to absorb just what made them rich. With his looks, charm and the affluent mannerisms he had acquired, he discovered he could scam his way through life. He would set his trap, becoming indispensable, vanish, and wait. His prey was wealthy female developers. He had the patience of a saint. While waiting to snare one, he would do the same with another. They began to chase him. He was now in control, and the games began. Sometimes it did not work, while other times; it worked too well. Then he would juggle. He always had Desiree to come home to. They were all a part of his game and yes, he was dancing. She could not stop him and she could not fix him. She found out on her own, the hard way.

**The Last Land** Roger S. Wyner, 2020-10-09 Suburban real estate, greed, and murder: welcome to the Last Land. The Last Land is the only undeveloped

real estate left in elite Bestham, a trendy suburb of Boston. When the forested acreage is finally sold for development over a holiday weekend, it seems unconnected to the tragedy that follows: a dead teenager drowned in a creek on the newly sold property. Lt. Davey O'Tease's investigation soon reveals that the pristine land is polluted. As he traces the victim's steps, he soon learns that his friend, Attorney Craig Kimbrel, has become a suspect in the murder. Nothing is as it first appears as we follow O'Tease and Kimbrel through an evolving web of conspiracy, failed lives and laws, and multiple murders. The cast includes two mysterious developers, two conniving lawyers, a crooked mayor, teenagers falling in love, and the desperate lives of a family in need.

**HADES** Aishah Zainal, In 2012, sixteen-year-old troublemaker Kei and his mother move into a decaying low-cost flat from the slums at the edge of town, right next to Maryam, a young mother, and her three-year-old son Ishak. Shunned by society, Kei and Maryam develop an unspoken bond, which starts to fray as the ghosts of their pasts circle in. Both wonder if they can free themselves of the men who made them the abominations everyone considers them to be, and of the despair creeping in around them.

*How to Hang a Witch* Adriana Mather, 2017-09-12  
The #1 New York Times bestseller! It's the Salem Witch Trials meets Mean Girls in this New York Times bestselling novel from one of the descendants of Cotton Mather, where the trials of high school start to feel like a modern-day witch hunt for a teen with all the wrong connections to Salem's past. Salem, Massachusetts, is the site of the infamous witch trials and the new home of Samantha Mather. Recently transplanted from New York City, Sam and her stepmother are not exactly welcomed with open arms. Sam is the descendant of Cotton Mather, one of the men responsible for

those trials—and almost immediately, she becomes the enemy of a group of girls who call themselves the Descendants. And guess who their ancestors were? If dealing with that weren't enough, Sam also comes face to face with a real, live (well, technically dead) ghost. A handsome, angry ghost who wants Sam to stop touching his stuff. But soon Sam discovers she is at the center of a centuries-old curse affecting anyone with ties to the trials. Sam must come to terms with the ghost and find a way to work with the Descendants to stop a deadly cycle that has been going on since the first accused witch was hanged. If any town should have learned its lesson, it's Salem. But history may be about to repeat itself. "It's like Mean Girls meets history class in the best possible way." —Seventeen Magazine "Mather shines a light on the lessons the Salem Witch Trials can teach us about modern-day bullying—and what we can do about it." —Bustle "Strikes a careful balance of creepy, fun, and thoughtful." —NPR I am utterly addicted to Mather's electric debut. It keeps you on the edge of your seat, twisting and turning with ghosts, witches, an ancient curse, and—sigh—romance. It's beautiful. Haunting. The characters are vivid and real. I. Could. Not. Put. It. Down." —Jennifer Niven, bestselling author of All the Bright Places

**The Deal** Harry Brooks, 2017-12-08 Scottie Roberts is a high-profile criminal defense attorney who represents some of the countrys most well-known mafiosi. One of his clients, Sammy Costello, asks him to help negotiate a deal to buy a mega entertainment conglomerate. Sammy wants him in on the deal because Scotties boyhood friend Joey Torino is a priest who works at the Vatican Bank and he feels he can help finance the deal. Things become complicated when Anthony Longo, another boyhood friend of Scotties, turns up seeking revenge for his fathers murder, claiming that Scottie was involved. The story takes you from the streets of Chicago to the glitter of Hollywood and then behind the scenes in Las Vegas. You will see firsthand how Vatican City, a sovereign state, controls its finances through the Vatican Bank, which has been dogged for decades by scandals involving the illegal transfer of funds and money

laundering. You will meet people like Soraya Dubi, a millionaire California real estate person who becomes Scottie's partner; Alice, Scottie's secretary who, unbeknownst to him, leads two separate lives; and Maurice Gross, the owner of Entertainment World. Negotiating is part of everyday life, but in business, it's absolutely critical to success. Scottie is not only a top defense attorney, he is also an expert in negotiating a deal. Emotion, luck, and magic have no place in a successful negotiation. It takes an iron gut, street smarts, and unblinking discipline to make a good deal; and Scottie has them all.

*Windy City Blues* Renée Rosen, 2017-02-28 In 1960s Chicago, a young woman stands in the middle of a musical and social revolution. A new historical novel from the bestselling author of *White Collar Girl* and *What the Lady Wants*. "The rise of the Chicago Blues scene fairly shimmers with verve and intensity, and the large, diverse cast of characters is indelibly portrayed with the perfect pitch of a true artist." —Melanie Benjamin, New York Times bestselling author of *The Swans of Fifth Avenue* Leeba Groski doesn't exactly fit in, but her love of music is not lost on her childhood friend and neighbor, Leonard Chess, who offers her a job at his new record company in Chicago. What starts as answering phones and filing becomes more than Leeba ever dreamed of, as she comes into her own as a songwriter and crosses paths with legendary performers like Chuck Berry and Etta James. But it's Red Dupree, a black blues guitarist from Louisiana, who captures her heart and changes her life. Their relationship is unwelcome in segregated Chicago and they are shunned by Leeba's Orthodox Jewish family. Yet in the midst of the Civil Rights Movement, Leeba and Red discover that, in times of struggle, music can bring people together. READERS GUIDE INSIDE
