

Dont Trust The B In Apartment 23

Emily Smith

The Anti-Heroine on Contemporary Television Molly J. Brost, 2020-11-24 In *The Anti-Heroine on Contemporary Television: Transgressive Women*, Molly Brost explores the various applications and definitions of the term anti-heroine, showing that it has been applied to a wide variety of female characters on television that have little in common beyond their failure to behave in morally “correct” and traditionally feminine ways. Rather than dismiss the term altogether, Brost employs the term to examine what types of behaviors and characteristics cause female characters to be labeled anti-heroines, how those qualities and behaviors differ from those that cause men to be labeled anti-heroes, and how the label reflects society’s attitudes toward and beliefs about women. Using popular television series such as *Jessica Jones*, *Scandal*, and *The Good Place*, Brost acknowledges the problematic nature of the term anti-heroine and uses it as a starting point to study the complex women on television, analyzing how the broadening spectrum of character types has allowed more nuanced portrayals of women’s lives on television.

Bonfire Krysten Ritter, 2018-06-26 “A phenomenal, haunting debut.”—Gillian Flynn Nothing burns as bright as the truth. It has been ten years since Abby Williams left home and scrubbed away all visible evidence of her small-town roots. Now working as an environmental lawyer in Chicago, she has a thriving career, a modern apartment, and her pick of meaningless one-night stands. But when a new case takes her back home to Barrens, Indiana, the life Abby painstakingly created begins to crack. Tasked with investigating Optimal Plastics, the town’s most high-profile company and economic heart, Abby begins to find strange connections to Barrens’s biggest scandal from more than a decade ago, involving the popular Kaycee Mitchell and her closest friends—just before Kaycee disappeared for good. Abby knows the key to solving any case lies in the weak spots, the unanswered questions. But as she tries desperately to find out what really happened to Kaycee, troubling memories begin to resurface and she begins to doubt her own observations. And when she unearths an even more disturbing secret—a ritual called “The Game”—it will threaten reputations, and lives, in the community and risk exposing a darkness that may consume her. With tantalizing twists, slow-burning suspense, and a remote rural town of just five claustrophobic square miles, *Bonfire* is a dark exploration of what happens when your past and present collide. Praise for *Bonfire* “I burned through Krysten Ritter's hugely accomplished debut. *Bonfire* is dark, disturbing, and compulsively readable.”—Ruth Ware, bestselling author of *The Woman in Cabin 10* “The *Jessica Jones* star makes an auspicious literary debut with *Bonfire*, spinning a suspenseful, psychologically gripping story.”—*Entertainment Weekly* “In this adroit debut the star of *Marvel's Jessica Jones* proves her talents aren't limited to acting. . . . [*Bonfire* is] a thriller that delivers suspense, surprise and satisfaction.”—*People*

The Politics of Ephemeral Digital Media Sara Pesce, Paolo Noto, 2016-05-26 In the age of complex Tv, of social networking and massive consumption of transmedia narratives, a myriad short-lived phenomena surround films and TV programs raising questions about the endurance of a fictional world and other mediatized discourse over a long arc of time. The life of media products can change direction depending on the variability of paratextual materials and activities such as online commentaries and forums, promos and trailers, disposable merchandise and gadgets, grassroots video production, archives, and gaming. This book examines the tension between permanence and obsolescence in the production and experience of media byproducts analysing the affections and meanings they convey and uncovering the machineries of their persistence or disposal. Paratexts, which have long been considered only ancillary to a central text, interfere instead with textual politics by influencing the viewers' fidelity (or infidelity) to a product and affecting a fictional world's life expectancy. Scholars in the fields of film studies, media studies, memory and cultural studies are here called to observe these byproducts' temporalities (their short form and/or long temporal extension, their nostalgic politics or future projections) and assess their increasing influence on our use of the past and present, on our temporal experience, and, consequently, on our social and political self-positioning through the media.

Bonfire Krysten Ritter, 2018-07 'A phenomenal, haunting debut.' Gillian Flynn, author of *Gone Girl* Kaycee Mitchell died. And everyone has been lying about it. For years. Ten years ago, Abby Williams left her hometown behind. Ever since, she has tried her best to forget the past. The sinister 'Game?'; the merciless bullying; the night of the bonfire, when *The Game* stopped. Most of all, she wants to forget Kaycee Mitchell. But now Abby must return home. Her task at hand- to investigate Optimal Plastics, the corporation that forms the backbone of the small town. A successful environmental lawyer, she swears things will be different. She is older. Sophisticated. Confident. But once she begins digging, the memories start creeping back and as past and present collide, the investigation turns deadly. How far would you go to keep the past hidden?' Packed with suspense ... This portrait of small-town life by *Breaking Bad* and Jessica Jones actress is spot on.' Daily Mail 'Excellent ... an appealingly feisty yet vulnerable heroine.' The Times

Bonfire Krysten Ritter, 2017-11-09 'A phenomenal, haunting debut.' Gillian Flynn, author of *Gone Girl* Kaycee Mitchell died. And everyone has been lying about it. For years. Ten years ago, Abby Williams left her hometown behind. Ever since, she has tried her best to forget the past. The Indecent Screen Cynthia Chris, 2019-01-07 The Indecent Screen explores clashes over indecency in broadcast television among U.S.-based media advocates, television professionals, the Federal Communications Commission, and TV audiences. Cynthia Chris focuses on the decency debates during an approximately twenty-year period since the Telecommunications Act of 1996, which in many ways restructured the media environment. Simultaneously, ever increasing channel capacity, new forms of distribution, and time-shifting (in the form of streaming and on-demand viewing options) radically changed how, when, and what we watch. But instead of these innovations quelling concerns that TV networks were too often transmitting indecent material that was accessible to children, complaints about indecency skyrocketed soon after the turn of the century. Chris demonstrates that these clashes are significant battles over the role of family, the role of government, and the value of free speech in our lives, arguing that an uncensored media is so imperative to the public good that we can, and must, endure the occasional indecent screen.

Rethinking Young People's Marginalisation Peter Kelly, Perri Campbell, Luke Howie, 2018-10-16 In the 21st century myriad earth systems – atmospheric systems, ocean systems, land systems, neo-Liberal capitalism – are in crisis. These crises are deeply related. Taking diverse and multiple forms, they have diverse and multiple consequences and are evidenced in such things as war, everyday violence, hate and extremism, global flows of millions of the dispossessed and homeless; and in the precarious, uncertain, and marginal existence of millions more. Rethinking Young People's Marginalisation is concerned with the experience, affect, and effects of these earth systems crises on: • young people's life chances, life choices, and life courses • young people's engagement with education, training, and work • the character of young people's being and becoming, their gendered embodiment, their participation in cultures of democracy, their resilience, and their marginalisation. Indeed, in setting out to rethink young people's marginalisation, this insightful volume makes a contribution to troubling key concepts in Youth Studies, primarily: structure and agency; transitions and pathways; gender and embodiment, citizenship, risk, and resilience. It does this by drawing on a variety of critical, theoretical traditions, including Bauman's engagement with the ambivalence of the human condition; Foucault's studies of mentalities of government and genealogies of the subject; the critique of the politics of disposability and violence of neo-Liberalism undertaken by Giroux, and the authors of Kilburn Manifesto; Braidotti's vitalist posthumanism; and Haraway's figure of the Chthulucene. Analysing the ways in which young people engage in and develop new cultures of democracy, Rethinking Young People's Marginalisation will appeal to postgraduate students and postdoctoral researchers interested in fields such as Youth Studies, Youth Sociology, Education Studies, and Critical Social Theory.

The James Van Der Beek Handbook - Everything You Need to Know about James Van Der Beek Emily Smith, 2013-04 James David Van Der Beek, Jr. (born March 8, 1977) is an American television, film, and stage actor, mainly known for his portrayal of Dawson Leery in The WB series Dawson's Creek and for portraying a fictionalized version of himself on the ABC sitcom Don't Trust the B---- in Apartment 23. He is also famous for his website, which includes Van Der Beek himself acting out famous internet memes. This book is your ultimate resource for James Van Der Beek. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about James Van Der Beek's Early life, Career and Personal life right away. A quick look inside: James Van Der Beek, After Lately, Angus (film), Blow (song), Cheshire, Connecticut, Cheshire Academy, Clarissa Explains It All, Danny Roane: First Time Director, Dawson's Creek, Dawson Leery, Don't Trust the B---- in

Bullies and Mean Girls in Popular Culture Patrice A. Oppliger, 2013-09-19 The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean-girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective, even dangerous, ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming, aimed particularly at adolescents, often portray adults as incompetent or uncaring and include mean-spirited teasing. In addition, overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem.

Stealing the Show Joy Press, 2019-03-19 From a leading cultural journalist, the definitive cultural history of female showrunners—including exclusive interviews with such influential figures as Shonda Rhimes, Amy Sherman-Palladino, Mindy Kaling, Amy Schumer, and many more. “An urgent and entertaining history of the transformative powers of women in TV” (Kirkus Reviews, starred review). In recent years, women have radically transformed the television industry both behind and in front of the camera. From Murphy Brown to 30 Rock and beyond, these shows and the extraordinary women behind them have shaken up the entertainment landscape, making it look as if equal opportunities abound. But it took decades of determination in the face of outright exclusion to reach this new era. In this “sharp, funny, and gorgeously researched” (Emily Nussbaum, *The New Yorker*) book, veteran journalist Joy Press tells the story of the maverick women who broke through the barricades and the iconic shows that redefined the television landscape starting with Diane English and Roseanne Barr—and even incited controversy that reached as far as the White House. Drawing on a wealth of original interviews with the key players like Amy Sherman-Palladino (*Gilmore Girls*), Jenji Kohan (*Orange Is the New Black*), and Jill Soloway (*Transparent*) who created storylines and characters that changed how women are seen and how they see themselves, this is the exhilarating behind-the-scenes story of a cultural revolution.

The Odd Couple on Stage and Screen Bob Leszczak, 2014-08-06 Inspired by the real life post-divorce experiences of television comedy writer Danny Simon, *The Odd Couple* has touched multiple generations of fans. Playwright Neil Simon embellished his brother Danny's pseudo-sitcom situation and created an oil-and-water twosome with memorable characters showcasing the foibles of mankind. The original Broadway production enjoyed a run of 964 performances. The story of the cohabitation of Felix Ungar and Oscar Madison translated extremely well to the silver screen, and then in 1970 to television, where it brought weekly laughs and mirth to an even larger audience for five seasons in prime time. This thorough history details *The Odd Couple* in all its forms over the decades. It provides

capsule biographies of the stage, film and television casts and crew, as well as an episode guide and a wealth of little-known information.

The Comedy Studies Reader Nick Marx, Matt Sienkiewicz, 2018-08-01 From classical Hollywood film comedies to sitcoms, recent political satire, and the developing world of online comedy culture, comedy has been a mainstay of the American media landscape for decades. Recognizing that scholars and students need an authoritative collection of comedy studies that gathers both foundational and cutting-edge work, Nick Marx and Matt Sienkiewicz have assembled The Comedy Studies Reader. This anthology brings together classic articles, more recent works, and original essays that consider a variety of themes and approaches for studying comedic media—the carnivalesque, comedy mechanics and absurdity, psychoanalysis, irony, genre, race and ethnicity, gender and sexuality, and nation and globalization. The authors range from iconic theorists, such as Mikhail Bakhtin, Sigmund Freud, and Linda Hutcheon, to the leading senior and emerging scholars of today. As a whole, the volume traces two parallel trends in the evolution of the field—first, comedy’s development into myriad subgenres, formats, and discourses, a tendency that has led many popular commentators to characterize the present as a “comedy zeitgeist”; and second, comedy studies’ new focus on the ways in which comedy increasingly circulates in “serious” discursive realms, including politics, economics, race, gender, and cultural power.

The Poetics and Politics of Invective Humor Katja Schulze, 2022-11-30 Vituperation, disparagement, and debasement seem to have become part of the mainstream discourse in contemporary US-American media culture. Zooming in on a distinct televisual comedy genre, Katja Schulze explores the formal principles, media-specific realizations, and the cultural work of disparagement in contemporary female-led situation comedies. Subsequently, larger patterns of (gender-based) invective strategies and conventions that define the dynamism of this comedic genre come into view. Her study outlines case studies of popular sitcoms, like Parks and Recreation, Mike & Molly, and the revival of hit-sitcom Roseanne, thereby unearthing how the shows are able to stage humor as mass-mediated deprecation - a signifying practice with its own poetics and politics.

The Wrath of Dimple Lucy Woodhull, 2014-08-01 Unforgettable. That's what she's not. Life is perfect for Samantha Lytton, big-screen superheroine. Her acting career flourishes, the bad guys from her past are in prison, and she's married her true love, be-dimpled ex-thief Sam. Everything is so rosy and idyllic, it's like a freaking princess movie. Well, an R-rated one. Nothing could mar Sam and Samantha's fairy-tale romance! Except the moment in the emergency room when Sam, his head cracked open, turns to his beloved wife and asks, “Who the hell are you?” He's suffering from...Samnesia! (At least he still laughs at Samantha's stupid puns.) How on earth did that happen? If Samantha is going to live her very own soap opera, she'd choose an evil twin over amnesia any day. With no idea who has attacked Sam or why, Samantha is left in the depths of despair with a hunk who doesn't remember her, a creepy film director who's getting more threatening by the minute, and, oh yeah, the people who continue to try to murder Sam. How do you solve a mystery wrapped in a head bandage inside an empty skull? Nothing a little Norwegian fish porn and a lot of cleavage can't fix. Hopefully. Samantha needs every ounce of her courage to win her husband back before their enemies catch up to finish them both off. She thought their love was written in the stars, but it might just be scribbled on an Etch-A-Sketch.

Sexploitation Michèle Alexandre, 2014-12-17 Michèle Alexandre’s innovative study examines how sexual profiling represses, oppresses, and hinders various aspects of life for both genders, and explores the ways in which the law and the community can help eradicate the practice of sexual profiling. Alexandre defines sexploitation as the perpetuation of myths and stereotypical notions

regarding men and women in order to further an agenda of oppression and subordination in certain spheres of society. The most popular means through which this sexploitation is achieved is through a method Alexandre coins as sexual profiling. She argues that sexual profiling ultimately stifles the growth of our society by creating inefficient as well as oppressive systems, and that its eradication can help increase the productivity as well as the morale of society. Alexandre opens the book by exploring in detail the various ways in which normative views of gender are constructed and perpetuated through media and societal norms. She then focuses on the ways in which recent legal opinions and developments contribute to perpetuate these restrictive and oppressive norms. Finally, Alexandre outlines a plan to help eliminate the presence of these destructive norms and attitudes from different sectors of society.

Obituaries in the Performing Arts, 2019 Harris M. Lentz III, 2020-10-28 The entertainment world lost many notable talents in 2019, including television icon Doris Day, iconic novelist Toni Morrison, groundbreaking director John Singleton, Broadway starlet Carol Channing and lovable Star Wars actor Peter Mayhew. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2019 are included in this edition. Date, place and cause of death are provided for each, along with a career recap and a photograph. Filmographies are given for film and television performers.

TV Writing On Demand Neil Landau, 2018-01-19 TV Writing On Demand: Creating Great Content in the Digital Era takes a deep dive into writing for today's audiences, against the backdrop of a rapidly evolving TV ecosystem. Amazon, Hulu and Netflix were just the beginning. The proliferation of everything digital has led to an ever-expanding array of the most authentic and engaging programming that we've ever seen. No longer is there a distinction between broadcast, cable and streaming. It's all content. Regardless of what new platforms and channels will emerge in the coming years, for creators and writers, the future of entertainment has never looked brighter. This book goes beyond an analysis of what makes great programming work. It is a master course in the creation of entertainment that does more than meet the standards of modern audiences—it challenges their expectations. Among other essentials, readers will discover how to: Satisfy the binge viewer: analysis of the new genres, trends and how to make smart initial decisions for strong, sustainable story. Plus, learn from the rebel who reinvented an entire format. Develop iconic characters: how to foster audience alignment and allegiance, from empathy and dialogue to throwing characters off their game, all through the lens of authenticity and relatability. Create a lasting, meaningful career in the evolving TV marketplace: how to overcome trips, traps and tropes, the pros and cons of I.P.; use the Show Bible as a sales tool and make the most of the plethora of new opportunities out there. A companion website offers additional content including script excerpts, show bible samples, interviews with television content creators, and more.
