Building the Yellow Wall Uli Hesse, 2018-08-23 The definitive story of the rise of Borussia Dortmund Towards the beginning of the twenty-first century, Borussia Dortmund were on the verge of going out of business. Now they are an international phenomenon - one of the most popular clubs and fastest-growing football brands in the world. Every fortnight, an incredible number of foreigners eschew their own clubs and domestic leagues and travel to Dortmund to watch football, while people from all corners of the world dream of doing the same - of standing on the largest terrace in the world, the Yellow Wall. How did this happen? How could a club that hasn't won a European trophy in twenty years so thoroughly capture people's imaginations? Building the Yellow Wall tells the story of Dortmund's roller-coaster ride from humble beginnings and lean decades to the revolution under Jürgen Klopp and subsequent amazing success and popularity. But it also tells the story of those people who have done as much for the club's profile as any player, coach or chairman - Dortmund's unique supporters.

*Reading The Game* Moritz Rinke, 2015-11-26 The writers' team - Autonomia for short - has created a written testament to their affinity and relationship with Borussia Dortmund. A different writer from the team was invited to each BVB home game in - as The Times describes it - the "best stadium in Europe". Yet as the season began, no one could have predicted what was in store: memorable Champions League evenings, an inexplicable Götterdämmerung in the league, a bleak midwinter spent in the relegation zone, the shock against Augsburg, an exhilarating derby win, Jürgen Klopp's resignation, the league comeback, the peculiar cup semi-final against Bayern Munich, and the dream of lifting the DFB-Cup and finishing off the season in style celebrating on Borsigplatz, the public space that is the team's spiritual home. The Autonomia, who were crowned

European champions in Dortmund in 2010 at the Rote Erde stadium, accompanied the black and yellows, die Schwarzgelben as German fans know them, on perhaps the oddest – certainly the most memorable – season in the club’s history: cheering them along, loving them, suffering with them, and in a sense playing every game with them as well. “Juve were playing imperiously this evening, the Dortmund team in contrast in the same way I imagine the Greek democracies in their final twilight: tired, indecisive, and far too conscious of their own deficiencies. The melancholy way Sokratis lost possession ...” - Simon Roloff

**Jurgen Klopp** Elmar Neveling, 2016-02-11 Sunday Times Bestseller Updated to include the Premier League Victory 2020 It is the intensity of the football, of how the people live football in Liverpool, all the Liverpool fans around the world. It is not a normal club, it is a special club. Jürgen Klopp Jürgen Klopp is the charismatic German manager who single-handedly overthrew the accepted order in German football, taking Borussia Dortmund from nowhere to back-to-back Bundesliga titles and the Champions League final. He had long been admired in the Premiership and was finally wooed by Liverpool in the belief he could bring back the glory days to the Kop. Klopp is revered as a master tactician with his own unique playing philosophies. He is loved by his players for his passion and man-management skills, and adored by fans for his charm, wit and exciting football on the pitch. Here is the definitive story of Jürgen Klopp - the normal one - and his footballing genius.

**Matchdays** Ronald Reng, 2015-04-09 The enormous success of German football is envied around the world. The national team won the 2014 World Cup in style, while the Bundesliga offers an alternative model through its fan-friendly set-up, terraces and low ticket prices. In Matchdays: The Hidden Story of the Bundesliga, award-winning author Ronald Reng takes a unique approach to

explain the history and peculiarities of German football. He follows the tracks of a journeyman footballer, Heinz Hoher, who has been in the Bundesliga all his life, from the first day of its existence in 1963 until now, as a player, manager, sports director and youth coach. We see through Hoher's story the wider picture of how German football, and even German society, developed from the ruins of the Nazi era to become the football and economic powerhouse of today. Born in 1939, Hoher became the small-town hero of Bayer 04 Leverkusen, a stylish winger and the first to let his hair grow like the Beatles. He witnessed the big match-fixing affairs of the seventies, fought in vain the temptations of so many managers - alcohol and gambling - and realised that, even at 75, his real addiction is still the game. Matchdays does for German football what David Winner's Brilliant Orange did for Dutch football.

Topuz, 2020-02-20 Ballspielverein Borussia, BVB, or simply Dortmund, is a German professional sports club based in Dortmund, North Rhine-Westphalia. It is best known for its men's professional football team, which plays in the Bundesliga, the top tier of the German football league system. The club have won eight league championships, four DFB-Pokals, one UEFA Champions League, one Intercontinental Cup, and one UEFA Cup Winners' Cup. Founded in 1909 by eighteen football players from Dortmund, the football team is part of a large membership-based sports club with more than 145,000 members, [4] making Borussia Dortmund the second largest sports club by membership in Germany. Since 1974, Dortmund have played their home games at Westfalenstadion; the stadium is the largest in Germany, and Dortmund has the highest average attendance of any association football club in the world. Borussia Dortmund's colours are black and yellow, giving the club its nickname die Schwarzgelben. The club has active departments in other sports, namely in women's handball, and hold a long-standing rivalry with Ruhr neighbours Schalke 04, known as the

Revierderby. They also compete in Der Klassiker with fellow German club, Bayern Munich. In terms of Deloitte's annual Football Money League, Dortmund was ranked as the second richest sports club in Germany, and the 12th richest football team in the world. Moreover, under the directorship of Michael Zorc in the 2010s, Dortmund have cultivated a reputation for spotting and developing young talent, and have remained focused on developing a youth system. They have also received plaudits for generally adhering to an attacking footballing philosophy.

The Bundesliga Blueprint Lee Price, 2015 German Football is on a roll: winners of the 2014 World Cup, club sides leading the way in Europe, a production line of superb talent coming through the system. Yet, fifteen years ago - at Euro 2000 - it was all so different. Germany suffered one of their most humiliating tournament exits as dismal performances saw them finish bottom of their group with just one point... Immediately, the German FA set about fixing things. And rather than fudging matters, they introduced a raft of major changes designed to return German football to its sporting pinnacle in just 10 years. In this entertaining, fascinating, and superbly-researched book,

sportswriter Lee Price explores German football's 10-year plan. A plan that forced clubs to invest in youth, limit the number of foreign players in teams, build success without debt, and much more. The Bundesliga Blueprint details how German fans part-own and shape their clubs, how football is affordable, and the value of beer and a good sausage on match days. The book includes interviews from Michael Ballack, Jen Nowotny and Christoph Kramer, and the movers-and-shakers behind Germany's leading clubs including Schalke, Dortmund, and Paderborn. There is no doubt that German football is the envy of many nations. There is no doubt that, thanks to them, lessons should be learned by everyone else.
