MacArthur New Testament Commentary Index John MacArthur, 2016-08-15 Among the most helpful features of the MacArthur New Testament Commentary set are the indexes in the back of each book. This practical resource combines all indexes of the 33-volume set into one convenient location. If you want to know where MacArthur discusses a certain Greek word, Bible verse, or biblical-theological subject-across his whole set of commentaries-you can find out in just the turn of a page, and then begin your in-depth study from there. The MacArthur New Testament Commentary is for anyone who wants to dig deeper into God's Word, and this resource is a welcomed tool for that worthy endeavor.

Revelation 1-22 MacArthur New Testament Commentary Two Volume Set John F. MacArthur, 1999-04-15 This package includes the complete two-volume set of the Book of Revelation from the MacArthur New Testament Commentary series: Revelation 1-11 and Revelation 12-22. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages, illuminating the biblical text in practical and relevant ways. Revelation 1:3 says, Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near. That blessing may be hard to receive with the Book's shrouded prophecy and eschatological mysteries confusing scholar and lay-reader alike. MacArthur pulls back the veil and reveals more of what God's Word has to say to us in Revelation, covering volatile topics as: The rapture, the millennial kingdom, and the Anti-Christ. These volumes will open your eyes to receive the blessing promised in Revelation's opening verses.

2 Timothy MacArthur New Testament Commentary John F. MacArthur, 1995-08-01 These study guides, part of a set from noted Bible scholar, John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. This work on Second Timothy is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines, and how they relate to the whole of the Bible. This passage-by-passage study of the Epistle of 2 Timothy follows John MacArthur's orientation toward explanation and exposition rather than overly-academic concentration on linguistics, theology, or homiletics.

But with the ship going down, there's only one thing I want to save. Her. A Deal with the Devil is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. Starring Me Krista McGee, 2012-07-09 Kara McKormick is told she's auditioning to star in a new teen variety show. It's what she isn't told that could change her life. The feisty New Yorker moves to sunny Orlando to participate in a month-long audition, where she'll live with nine other contestants and an eccentric housemother. Kara knows that the show already has a big-time celebrity lined up for the co-host, but she doesn't know who it is. Chad Beacon quickly rose to fame after winning America's Next Star, but he doesn't want his entire career to be about singing. There is so much more he wants to do—like act. The new variety show sounds like the perfect next step for him, but his parents want him to have a co-star who shares his faith since they'll be spending so much time together. Acting is high on Kara's priority list. But a relationship with God? Not so much. But God is after Kara's heart and He's put people in her life who are showing her there's far more to Christianity than rules and judgment. And just when it seems that Kara's going to have to give up her acting dream, God reveals that she may have a starring role after all—in a story so big only He could write it. "Spunky chick meets dreamy boy and auditions for a teen version of Saturday Night Live. What's not to love?" —Shannon Dittmore, author of Angel Eyes "Ripe with the glitz and glamour of celebrity, the drive of ambition, and the angst of peer pressure, Starring Me is the perfect book for teenage girls." —Nicole O'Dell, author of The Diamond Estates series

The Arrow Monica McCarty, 2014-08-26 NATIONAL BESTSELLER As King Robert the Bruce of Scotland plots to retake his English-occupied castles, he needs the stealth and skill of his elite soldiers, the Highland Guard. Fearless and indomitable, no men are more loyal to their king, or more cherished by the women they love. The talents of legendary marksman Gregor "Arrow" MacGregor are crucial now, as Bruce moves to reclaim his Scottish holdings. Gregor is considered the most handsome man in Scotland, and his fame as an archer is rivaled only by his reputation with the ladies as a heartbreaker. But when his infamous face is exposed during a covert mission, Gregor is forced to lie low. He returns home only to find a new battle waiting: a daring game of seduction involving his now very grown-up and very desirable ward, Cate of Lochmaben. A born fighter, Cate was clinging to life when Gregor rescued her after a vicious English raid on her village left her mother dead. But five years later, the once scrappy orphan Gregor took under his protection has become a woman. Brave, strong, and skilled in warfare, Cate is determined to lay claim to the warrior who refuses to be trapped. The heat in his eyes tells her she has his attention . . . and his desire. But will Gregor allow his heart to surrender before danger finds them, and the truth of Cate's identity is revealed? Once Upon a Scandal Madison Faye, 2018-09-29 Once upon a time, a nobody met a prince. Then she met his best friend, a second prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b**ch in the Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it.... I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickening crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the *Royally Screwed* series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it ;). Get ready to have your cake and eat it two too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.
