Dutch Uncle Peter Pavia,2011-04-20 Three days out of prison and trying to stay on the right side of the law, Harry Healy doesn't really want to get involved with Manfred Pfiser's drug deals. But he needs the money – so he agrees to make one simple delivery. Simple, that is, till Harry stumbles across a dead body, the result of a robbery cooked up by an old cellmate of his together with a former high school baseball star, a trigger-happy sociopath, and a beach bunny who can't seem to keep her clothing on. Now they're all on the run – from the Miami police, from the drug kingpins they ripped off, and from each other...

Death and the Dutch Uncle Patricia Moyes,2018-05-01 A classic mystery “bubbling with humor, bursting with clues, and switching from petty misdemeanors on the home shores to intrigue and adventure abroad.” –Sheffield Morning Telegraph As “Pudge” Coombe-Peters proved, Moyes had a gift for the kind of dreadful nicknames the British are so good at. This time around it's “Flutter” Byers, a small-time hood who gets himself killed in a seedy Soho pub (was there, ever, any other kind?). Byers consorted with criminals and owed money all over town; his death should have been little more than a footnote in the history of London gangs. But for some reason, Inspector Tibbett of Scotland Yard believes it's connected to PIFL, a backwater do-good outfit, currently trying to referee a murderous squabble between two small African nations. And these dark suspicions begin to look more likely when Henry gets word of another assassin's bullet-headed, this time, for one of PIFL's earnest, tweedy justice warriors. Praise for Patricia Moyes “The author who put the ‘who’ back in whodunit.” –Chicago Daily News “A new queen of crime . . . her name can be mentioned in the same breath as Agatha Christie and Ngaio Marsh.” –Daily Herald “An excellent detective novel in the best British tradition. Superbly handled.” –Columbus Dispatch “Intricate plots, ingenious murders, and skillfully drawn, often hilarious, characters distinguish Patricia Moyes' writing.” –Mystery Scene

The Dutch Uncle Ed Kelemen,2012-12 The Dutch Uncle is the first book in a series featuring P. T. O'Connor, who works for W.E.B. Enterprises, an investigative firm located in one of the less desirable neighborhoods of Pittsburgh, Pennsylvania. The story starts with the strong-arm coercion of Clarence Reynolds, the adoptive uncle of the firm's owner, W. E. Barrett. It evolves through encounters with would-be gangsters, crooked cops, less than ethical businessmen, ersatz radical revolutionaries, murder, kidnapping and twisted politicians. With help from his girlfriend, Beth, his boss Will Barrett and Will's beautiful wife, Pamula, P. T. eventually untangles this convoluted conspiracy. In the end, P. T. concludes that most criminal behavior has its base in illogical thinking. As the violence of the crime escalates, the reasoning for its commission diminishes.

Tales from a Dutch Uncle John Jansen in de Wal,2008-11-01 Tales from a Dutch uncle is a series of twelve letters from a Dutch uncle to a niece and nephew about his adventures in the land of Dairwunswoz.

Death of a Dutch Uncle M. Kemp,2007-02-01 Who poisoned Laurens De Noyes with a deadly dose of brandy so that the drunken Dutchman dropped dead on Boston Common in 1691? Widowed businesswoman Hetty Henry teams up with young Boston minister Increase Creasy Cotton to investigate Colonial Albany for suspects. Could it be the wife, who keeps her own name and her cool at news of her husband's death? Could it be his father-in-law, who detested his philandering son-in-law? Could it possibly be one of his jilted lovers, stolen mistresses, or their husbands? Or could it be blackmail? De Noyes was not above a little extortion. Hetty and Creasy undergo Indian attack, kidnapping and Piracy on the High Hudson before they uncork the criminal with a doctored dram of their own.

Dutch Girl Robert Matzen,2019-04-15 Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like Roman Holiday and Breakfast at Tiffany's. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, The war made my mother who she was. Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the Bridge Too Far battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

Reframing Information Architecture Andrea Resmini,2014-07-15 Information architecture has changed dramatically since the mid-1990s and earlier conceptions of the world and the internet being different and separate have given way to a much more complex scenario in the present day. In the post-digital world that we now inhabit the digital and the physical blend easily and our activities and usage of information takes place through multiple contexts and via multiple devices and unstable, emergent choreographies. Information architecture now is steadily growing into a channel- or medium-specific multi-disciplinary framework, with contributions coming from architecture, urban planning, design and systems thinking, cognitive science, new media, anthropology. All these have been heavily reshaping the practice: conversations about labelling, websites, and hierarchies are replaced by conversations about sense-making, place-making, design, architecture, cross media, complexity, embodied cognition and their application to the architecture of information spaces as places we live in in an increasingly large part of our lives. Via narratives, frameworks, references, approaches and case-studies this book explores these changes and offers a way to reconceptualize the shifting role and nature of information architecture where information permeates digital and physical space, users are producers and products are increasingly becoming complex cross-channel or multi-channel services.

Longarm 307: Longarm and the Outlaw's Shadow Tabor Evans,2004-05-25 Longarm's been around enough bad guys to know how to act like one... Escorting a wanted man from El Paso to Denver is a peach of an assignment for Longarm, until—right before his eyes—an assassin empties a six-gun into his prisoner. Chasing the shooter off the train, Longarm finds himself caught in a torrential downpour. But his rain of bullets hits its mark. He kills the gunman...only to run into his accomplices in the storm. Lucky for Longarm, they think he is the gunman. Now he can get close to the man who ordered the hit on his prisoner—the Kansas badman Sand Lachlan, who's proven as elusive as his namesake every time he slips through justice's fingers... So now it's up to Longarm to show Sand who's made of true grit...
