Holy Vegan Earth God Creator of Universes,2018-08-20 Soon The Judgment Day of the Creator will happen. Billions of corpse-eaters, evil spirits from hell who have possessed human bodies and they are killing animals and eating corpse of animals will be executed and sent back home, to Hell for punishment and education. This is an extremely painful education. Be Warned. This Judgment Day of the Creator was mentioned by me, Moses 3300 years ago and by Jesus 2000 years ago and by Mohammad 1400 years ago. Holy Vegan Earth, the last book of the Creator that updates all previous books, Quran, Bible and Torah was revealed to me, Moses and I wrote it from 2012 to 2018. Book contains guidelines. It contains Theological, Philosophical and Scientific content related to the subjects of some educational stories. It contains a long story that started in 7000 BC and continued to my next appearance on the Earth as Moses in 1300 BC and now, again as Moses to warn people about the soon happening Judgment Day. Book contains a True Story. Fiction, it is not. Two conditions should apply then you will survive. (1) Belief in the Creator (2) Be a Vegan, that means you learned a simple lesson from Eleven Commandments that I brought for you from the Creator.

Yes. 11 Commandments, not 10. The 11th Commandment is You must be Vegan. You should not kill any innocent human animal or other animals. Those who violate the law will be executed humiliatingly and burned in hell for eternity. Book contains many paintings that I created to accompany the Theological content to make it easier to digest and many Plans for Vegan Activists. We establish the Vegan Earth by Genocide. This is my wish. When the Creator will do it is out of my jurisdiction. However, you have no excuse any more. You are warned clearly. You like it or not, do not matter. This is plan of the Creator typed by Moses Messenger of the Creator in 2012-2018 from direct communication with the Creator, the Unified Field, the Unity, Creator of Universes. If you are atheist, I have included seven proofs of the existence of the Creator in this book. Some are complex Mathematical proofs and some are simple. Depends on level of your intelligence you can find a proof that you can understand. Read, learn, understand and surrender to words of the Creator and Prophet of the Creator, Moses. Go Vegan, you will live. Stay corpse-eater, you will be eradicated like bacteria and will be burned in hell. Use your brain. You will find logic and reasoning in this book. Convert to Vegan. Convert to a believer in the Creator. If you do not use your brain, in hell you will learn by pain. Evidence and Proof is the only important matter. The Unified Field is God. The Unified Field is the Creator of Universe. In this book of God, the Sixth Book of Moses, I included the evidence and proof that I am communicating with the Unified Field. It is a two-direction communication. I proved I am Moses. Belief without reasoning and proof worth zero. Vegans who are believers in the Creator will inherit the Earth. Rest of humans will be wood for fire of hell. 01 - 110 - We start with 110. There is hope. 02 - 112 - Only if the 112, God helps. And He promised to do so. 03 - 097 - Revelations in uncountable nights of determination. 04 - 094 - I am here, again, Moses has one command, Go Vegan or go to Hell. 05 - 106 - Be afraid of one who is friend of the Creator of

Universes. Love for Animals. Death to Corpse-Eaters. 06 - 108 - I am grateful. Ve use Your resources only for Justice for Animals. 07 - 113 - Ve count on You. 08 - 114 - Ve are aware and do the best that can be done. 09 - 109 - Kill them all. 10 - 111 - Hell for them is Justice. 11 - 110 - Ve Own the Earth. Animal Rights, Vegan, Ve inherit the Earth. Ve count on Your Power. Second column are representative of numbers described in the book. The last seal arrived in a 97 and ended in 110. Wait for the Judgment day. Soon. I am waiting.

Description Kate Theimer, 2014-05-22 *Description: Innovative Practices for Archives and Special Collections* explores how archives of different sizes and types can enhance the accessibility of their holdings. The book uses eleven case studies to demonstrate innovative ideas that could be transferred into many other settings. Readers can use these as models, sources of inspiration, or starting points for new discussions. The volume will be useful to those working in archives and special collections as well as other cultural heritage organizations, and provides ideas ranging from those that require long-term planning and coordination to ones that could be immediately implemented. It also provides students and educators in archives, library, and public history graduate programs a resource for understanding the variety of ways materials are being described in the field today and the kinds of strategies archivists are using to ensure collections can be found by the people who want to use them.

Guerrilla Publishing Derek Murphy, 2017-01-24 **TRAIN THE INTERNET TO SELL BOOKS FOR YOU** Book marketing doesn't need to be an exhausting hamster wheel of promotion and publicity. Put your book sales on autopilot... so you can focus on writing your next bestseller. **FAST AND**

EFFECTIVE BOOK MARKETING This book is a crash course on some of the more creative book marketing strategies I've discovered in my first year of publishing fiction. It will provide simple, actionable, measurable steps to publishing a high quality book quickly, doing only as much marketing as is necessary to launch your book like a rock star, and keep it selling enough to support you while you write another. I only mention the things I actually use, that I know work, and ignore options that don't get results. We'll discuss paid advertising, release strategies, pricing and pre-orders, book giveaways, how to target your audience, viral exposure and press coverage, marketing hacks, and how to reach your first \$1000 on Kindle.

LAUNCH BIG EVEN IF YOU'RE STARTING SMALL Guerrilla is a style of warfare intended to surprise and harass enemies. It can also mean using unconventional and usually inexpensive means to generate interest or raise concern among the public. That's basically how I'll use it: book marketing strategies from the trenches to help you win the publishing war. However, instead of surprise and harass I will focus on surprise and delight. First you need to show up and get in front of the right people. Then you need to surprise and delight them. You need to be remarkable enough to be noticed. Few authors are using these strategies (yet) so it's relatively easy to outrank your competition, get more visibility and reach new readers.
