Sindhi Roots & Rituals - Part 2 Dayal N Harjani aka DADUZEN,2018-07-18 Mr. Dayal N Harjani's recent publication "Sindhi Roots & Rituals," a magnum opus, is the outcome of Harjani's painstaking research of years, studying hundreds of books and collecting the information

orally from vast number of persons with intimate knowledge. He has successfully unraveled the historical, economical, and cultural past of the most ancient race of Indus Valley Civilization, with incisive analysis and deep insight. No doubt it is his labour of love and sense of responsibility, which has induced him to undertake this arduous task, never attempted before. Exploring the subject under his lenses, Harjani has realized that Sindhi Community is passing through a serious Identity Crisis. Sindhi Language, the quintessence of its rich culture is in pitiable condition. It hangs at the perilous precipice from where it is poised to leap into the chasm of oblivion. The Sound of tolling bells is quite loud and clear. According to Harjani, Sindhis have to act fast on war footing, if they wish to survive, eluding the list of races which may vanish from earth in near future. Mr. Harjani has suggested few remedial measures as given below. 1. Sindhis should strive to create their homeland, the suitable location for the same is Kutch region adjoining Sindh. 2. They should also establish "Bharti Sindhu Vidyapeeth," a Cultural University to act as a repository of all the knowledge about Sindh and Sindhis, to preserve and promote Sindhi Language & Culture. 3. They should build "Shree Jhulelal Tirthdham" on a gigantic scale, at Narayan Sarovar which is the site where River Sindhu merged in Sindhu Sagar. Lord Jhulelal, Ishtdev of Sindhis shall certainly reappear at the same spot to become their saviour, if all the Sindhis united together to beckon Him, whole heartedly in one voice. - Lakhmi Khilnani Director and Founder Member Indian Institute of Sindhology Adipur

Journey Beyond: A Non-Dual Approach Acharya Dr. Kuntimaddi Sadananda, 2019-09-13 Everyone is searching

for everlasting happiness. Yet, none can find it by pursuit; at the same time, none can stop the pursuit. This seems to be the tragedy of human life—nay, the life of every being. Every pursuit is limited space-wise, time-wise and object-wise. Any pursuit that is limited cannot give everlasting happiness. Some promise eternal happiness after death if one follows their path. Yet, no one has returned to claim that they achieved it by following that path. One sage declares that ‘truth is a pathless land’. Vedanta ascertains that the truth is beyond the space-time-object-wise limitations, and you are that truth—tat tvam asi. The journey beyond space and time limitations is the central theme of the discussions in this text.

Earth Republic V. Shruti Devi, 2018-03-08 Earth Republic: Chatter from the Capital’s Cauldron (and Beyond) is a collection of ten free-wheeling articles written in conversational style, verging on the informally careless. The potpourri of commentaries on theatre, sport, food, agriculture, world politics, Bruce Springsteen, Imran Khan, women’s rights, world peace, people’s belief systems, the right to privacy judgement... all with the flavour of New Delhi, right up to the present-day NCR, with tribal India and outer space forming a billowing backdrop for the grand production that is the Republic of Earth. Earth Republic brings to the recliner, as well as to the office-desk-trying-to-look-busy, thoughts from time and space, and last night’s rally at the mantle-piece. It is an invitation to forge reality and rattle the galaxy, all in one pranayama-yoga clarion call.

Ethnic and Regional Foodways in the United States

Linda Keller Brown, 1984 . . . provides valuable information for the specialist in American studies, and for the anthropologist or folklorist focusing on food use, and may also be of interest to the general reading audience. With such a wide appeal, the book may not only document the American romance with ethnic foods, but may contribute to it as well. --Joanne Wagner, *Anthropological Quarterly*

How do customs surrounding the preparation and consumption of food define minorities within a population? The question receives fascinating and multifaceted answers in this book, which considers a smorgasbord of dishes that sustain group identity and often help to bridge inter-group barriers. The essays explore the symbolic meaning of shared foodways in interpreting inter- and intra-group behavior, with attention to theoretical problems and the implications of foodways research for public policy. Topics receiving rewarding analysis in this volume include food festivals, modes of food preparation, meal cycles, seasonal celebrations, nutrition education, and the government's inattention to ethnic customs in formulating its food policies.

It is a discipline of self-restraint, a ritual of purification, and a sanctuary for offerings of atonement. It is a wellspring for the spiritually dry, a compass for the spiritually lost, and inner nourishment for the spiritually hungry. —from chapter 9 Though fasting is practiced in some form by nearly every faith tradition throughout the world, it is often seen as scary or something only for monastic life. But fasting doesn't have to be intimidating. And it doesn't have to mean going weeks without food. The Sacred Art of Fasting invites you to explore the practical approaches, spiritual motivations, and physical benefits of this ancient practice by looking at the ways it is observed in several faith traditions. Inspiring personal reflections, helpful advice, and encouragement from people who practice fasting answer your questions, allay your fears, and reveal how you too can safely
