**Sins of Our Fathers** Shawn Lawrence Otto,2014-10-20 Los Angeles Times Book Prize Finalist: A “wonderfully vivid” crime novel about race, money, and the American Dream (Publishers Weekly, starred review). A banker in small-town Minnesota, J.W. has been caught embezzling funds to support his gambling addiction. He’s on the verge of losing everything when his boss offers him a scoundrel’s path to redemption: sabotage a competing, Native banker named Johnny Eagle. A single father, Eagle recently returned to the reservation, leaving a high-powered job in the hope of simultaneously empowering his community and saving his troubled son. When J.W. moves onto the reservation and begins to work his

way close to Eagle, hundreds of years of racial animosities rise to the surface, inexorably driving the characters toward a Shakespearean and shattering conclusion, in this elegant, page-turning novel by the screenwriter of the Oscar-nominated *House of Sand and Fog*. “A rousing and satisfying climax. Otto’s wonderfully vivid debut narrative is reminiscent of well-known crime novelist William Kent Krueger.”—Publishers Weekly (starred review) “Captivating from the first page.”—The Missourian

The Language of Humor Don L. F. Nilsen,Alleen Pace Nilsen,2018-10-31 Much of today's communication is carried out through various kinds of humor, and we therefore need to be able to understand its many aspects. Here, two of the world's leading pioneers in humor studies, Alleen and Don Nilsen, explore how humor can be explained across the numerous sub-disciplines of linguistics. Drawing on examples from language play and jokes in a range of real-life contexts, such as art, business, marketing, comedy, creative writing, science, journalism and politics, the authors use their own theory of 'Features, functions and subjects of Humor' to analyze humor across all disciplines. Each highly accessible chapter uses a rich array of examples to stimulate discussion and interaction even in large classes. Supplemental PowerPoints to accompany each of the 25 chapters are available online, taking many of the insights from the chapters for further interactional discussions with students.

A new world government is birth out of calamity and the greatest devastation the entire earth has ever succumb. Lordia, the young queen with no crown decked with gems nor a palace on high is the promise for a simple way of life. Along with an orphan born to be a king a purpose if fulfilled. But in the mist is a secret that holds the power to destroy the government. With the purpose fulfilled, the promise becomes ensnared with the secret. The outcome is altered for both the promise and the secret. “The sun is neither friend nor foe.” per Jacob the father of the young queen and the visionary mind of the government known as The Thirteen. However, according to the knowledge of a gate keeper the sun has always been at odds with the earth. Lordia is not only the embodiment of the promise but the vessel as well. The Thirteen has become her allies of strength. Lordia in return will become their bravest protector. In despite of her snare with the secret Lordia will keep the promise. About the Author K.D. Cross known as Kim lives in Danville Virginia.

She was born in the spring of April on the 8th day in 1976. Kim began creative writing in 2015. Calm Night was her stress reliever after a long work night and a quick workout at the gym. When Kim arrived home she would type. The initial writing of Calm Night was to be a short story. But with each new day Kim fell in love with Calm Night referring to the writing as her first born. Kim would stay awake inside her tiny studio apartment and type until her eyes became heavy with sleep. But that is when Kim's eclectic imagination would explode. She dreamed of Calm Night when she slept. The dreams are now chapters in the book. Each character was brought to life with what Kim's idea of wholeness, ability and concord is. Kim's political views, opinions of society and her fondest passions were her muse to write Calm Night. The book cover is Kim's work of art. She named the painting Sisters because both beings are identical but with different dedications toward the same objective. Kim finished the painting of Sisters in the winter of February on the 1st day of 2015. A few months after in the spring of May on the 15th day Kim began the writing of Calm Night. In the autumn of October on the 28th day in 2019 Kim completed Calm Night. She is happy to share Calm Night with you. From Kim's imagination to your enjoyment.

**Game of My Life Philadelphia Eagles** Bob Gordon, 2018-09-18 In the newly updated Game of My Life Philadelphia Eagles, several legendary Eagles players share their fondest memories as each one recalls the game that sticks out the most from his Eagles career. The games they choose may very well be the ones with which you most associate them—a championship game, a playoff game, or a heralded comeback. But a fair number of choices may surprise you, as some Eagles cite encounters that time has buried deep within history's vault. No matter which game each player chooses as his most memorable, each one tells a story. Each fills in a bit more of the complex legacy that defines the Philadelphia Eagles. More importantly, and certainly more poignantly, each story humanizes the larger-than-life warriors who strapped on their winged helmet each Sunday and played for the glory of the city of Philadelphia. Some of the former Eagles players profiled in this book are: • Chuck Bednarik • Brian Dawkins • Tommy McDonald • Bill Bergey • Seth Joyner • Keith Jackson • Mike Quick • Brian Baldinger • Claude Humphrey • Bill Bradley • Lito Sheppard • Vince Papale The new edition includes insight on the 2018 Super Bowl run.
