Whatever happened to Tory Liverpool? David Jeffery, 2023-04-01 An Open Access edition of this book, supported by the LUP OA author fund, is available on the Liverpool University Press website, the OAPEN library and our Digital Collaboration Hub. In the 1968 local elections the Liverpool Conservatives won 62 percent of the vote and 78 percent of the seats on Liverpool City Council. By 1972 the party had held a majority on Liverpool's municipal government for 85 of the previous 100 years. But in 1983 they lost their last two MPs, and in 1998 they lost their final councillor. The Conservatives have not won an electoral contest in the city since. Whatever happened to Tory Liverpool? Success, decline, and irrelevance since 1945 explores the history of Conservative electoral performance in Liverpool from the end of the Second World War to the present day, and challenges a number of myths regarding the city's political history: Conservative post-war success was not due to sectarian tensions or false consciousness, and neither was Conservative decline due to Margaret Thatcher. The book takes a multi-method approach to the study of Conservative Party history in Liverpool. It proposes a tripartite framework, which separates the periods of success (1945–1972), decline (1973–1986), and irrelevance (1987 onwards), and argues that each period should be explained by recourse to different phenomena. Only in this way can the complex post-war history of the Conservative Party in Liverpool truly be understood.

In *The European Game*, Daniel Fieldsend travels across Europe to discover the methods for success used at some of the continent's biggest Football clubs—from Ajax, Juventus and Benfica to Bayern Munich, A.C Milan, Lyon, Athletic Bilbao and many more. At every stop, Fieldsend pulls back the curtain to reveal what makes each club tick, speaking to everyone from scouts and academy coaches to first team managers, analysts and board members. Insightful, ambitious and compelling, *The European Game* is about more than just a game. It's about community, identity and attachment. It explores leadership, tactics, coaching and scouting as well as politics, finance, fandom and culture. Celebrating the uniqueness of football clubs around the continent, it also investigates whether their methods can be replicated in other domestic leagues.

*For The Boys In The Royal Blue Jersey* Steve Zoczek, 2016-08-31 This book features interviews with fifty former Everton players who have lived my boyhood dream to grace the famous Goodison turf in the royal blue jersey. My writing days began as a hobby back in 2012 when I submitted articles and match reports for a couple of Everton websites under the pseudonym, 'Blue Echo'. Inside this first edition of 'Blue Echo' interviews, these players tell their own story of their time at Everton. I sincerely hope one of your favourite

players is included, and that you enjoy reading their stories. We as fans know what the club motto Nil Satis Nisi Optimum means to us. These interviews highlight exactly what being at Everton means to the players, too.

Fever Pitch Nick Hornby, 2005-05-05 \*WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR\* Fever Pitch is Nick Hornby's million-copy-selling, award-winning football classic 'A spanking 7-0 away win of a football book. . . inventive, honest, funny, heroic, charming' Independent For many people watching football is mere entertainment, to some it's more like a ritual; but to others, its highs and lows provide a narrative to life itself. But, for Nick Hornby, his devotion to the game has provided one of few constants in a life where the meaningful things - like growing up, leaving home and forming relationships, both parental and romantic - have rarely been as simple or as uncomplicated as his love for Arsenal. Brimming with wit and honesty, Fever Pitch, catches perfectly what it really means to be a football fan - and in doing so, what it means to be a man. 'Hornby has put his finger on truths that have been unspoken for generations' Irish Times 'Funny, wise and true' Roddy Doyle

**A School Without Sanctions** Steven Baker, Mick Simpson, 2020-10-01 'I believe this book will change the conversation in schools on children's behaviour.' - Dr Luna Centifanti A School Without

Sanctions offers an innovative approach to behaviour management in schools, prioritising compassion and behaviour modification over punishment. Drawing on their award-winning methods, Steven Baker and Mick Simpson explain why challenging behaviour occurs and provide a toolbox of non-confrontational approaches that will benefit the whole school community. When Steven and Mick set out to transform their school's approach to behaviour, it changed everything. With the help of Dr Alice Jones Bartoli at Goldsmiths, they developed a sanction-free approach in their special school for boys with social, emotional and mental health (SEMH) difficulties. Far from descending into anarchy, lessons began to improve and student-staff relationships flourished. The school is now rated outstanding in all areas, and more importantly, student outcomes have been remarkable. Steven and Mick apply this experience, as well as their work in pupil referral units and young offender institutions, to explore their strategies for managing behaviour without the need for zero tolerance, discussing exclusions, trauma, motivation and engagement along the way. Rooted in neuroscience and evolutionary psychology, this book will revolutionise the way you think about behaviour management, help boost student mental health and academic achievement, and protect teacher wellbeing.

Liverpool Peter Marlow, 1993-01 This book is one of a selection of titles by British photographers, supported by the Arts Council, showing the most outstanding work produced in this country. Since 1982 when Marlow went from The Sunday Times to

Liverpool, he became obsessed both with the poverty and the vitality of the city and its people. He has returned frequently to the city to record the decline of a great maritime tradition and has created one of the most harrowing social documents of Britain during the last ten years.

awaited and well-crafted autobiography provides a  
portrait of a man who has travelled the equivalent  
of four times the distance to the moon and back  
following Everton. It sparkles with the intimacy

romanticism, blind optimism and yearning for the lost Everton of his youth as well as fading hopes for winning the League Cup. With no little humour, the book captures the impact that six decades majestic highs and humbling lows have had on an otherwise well-balanced soul.
