Reciprocal Missions D. J. Schuetze,Phil Steiner,2018-04-08 Can we go on short-term missions that don't do damage and in fact serves everyone? Too often the only people who receive the benefit of a short-term missions trip are the trip participants. Many books and critics have expressed their opinion about the damage done by many short-term missions groups on local communities. Reciprocal Missions provides a healthy path forward. A path that will guide us into short-term missions that will be mutually beneficial for everyone involved, both ministry host and mission trip goer. Reciprocal Missions covers cultural sensitivity, building on the ground relationships with hosting organizations, and the nuts and bolts of both facilitating and hosting short-term mission teams. If we want to do short-term missions with excellence, then we must be willing to do the hard work of relationships. With a combined 45 years of experience, DJ Schuetze, who hosts hundreds of short-term mission groups a year and Phil Steiner who leads hundreds of people on short-term mission trips a year have collaborated to bring their experiences and expertise to this book, Reciprocal Missions: Short-Term Missions that Serve Everyone.

Orphanology Tony Merida,2011-06-01 Orphanology unveils the grassroots movement that's engaged in a comprehensive response to serve hundreds of millions of orphans and "functionally parentless" children. You'll see a breadth of ways to care with biblical perspective and reasons why we must. Heartwarming, personal stories and vivid illustrations from a growing network of families, churches, and organizations that cross culture show how to respond to God's mandate. The book empowers: - churches—to plan preaching, teaching, ministering, missions, funding adoption, supporting orphans; - individuals and families—to overcome challenges and uncertainties; - every believer—to gain insights to help orphans in numerous ways. Discover how to - adopt; - assist orphans in transition; - engage in foster care; - partner with faith-based fostering agencies; - become orphan hosts. Along with their families' adoption stories, Merida and Morton give steps for action and features on churches doing orphan ministry, faith-based children's homes, orphan-hosting groups, and other resources.

Until Every Child Is Home Todd R. Chipman,2019-08-06 "A wise and experienced guide, Todd Chipman offers practical direction on how local congregations can do better in our quest to care for those Jesus calls 'the least of these my brothers.'" -Russell Moore, author of Adopted for Life Your church is doing so much already. Trying to convince people to do foster care or adoption can feel like just another daunting, impossible task. It's hard enough to get volunteers for the nursery, much less volunteers to foster or adopt a child! But what if we're thinking about it the wrong way? What if orphan care actually increases your church's capacity to do ministry? What if this one ministry opens doors to many others? Discover how orphan care transforms 6 key aspects of your ministry, meet dozens of families and churches who have experienced the transformative power of orphan care, and learn how you can get involved even if you're not ready to foster or adopt. After catching the vision for this vital ministry, you'll be ready to join them!

The journey will be worth the effort in countless blessings along the way. Eyes of Hope Fred Scaife, Connie Lounsbury, 2012-09-12 How can two senior citizens from Minnesota and two young adults from Africa care for the needs of hundreds of orphaned children in the Democratic Republic of the Congo when they have no experience or resources? Trusting in a leap of faith, they answered the call from God with compassion, commitment, love and hope as they reached out to "the least of these." *Eyes of Hope, Caring for Orphans and Widows in Africa* is a tragic story about the people of a war-torn country as well as an inspiring story about faithful service to others that bring hope to the future of hundreds of orphans and widows. This book may also be used as a model for others who may wish to relieve the suffering of little children and widows left with no one to care for their needs.

The House of Hope Elisabeth Gifford, 2011 Robin and Joyce Hill lived in a gated community in Beijing. Their family's life was marked by luxury and the security of Robin's job as an engineer. Then one day, as members of their church, they had a chance to tour a state-run orphanage. Haunted by the needs of the children they saw there, for the next four years they tried to help the institute in meaningful ways.

KnowOrphans Rick Morton, 2014-02-03 The global orphan crisis is complex. The church's response should be comprehensive, but is it? In this provocative follow-up to *Orphanology*, author Rick Morton provides the framework for families and churches to have a gospel-centered response to the growing global issue of orphan care. *KnowOrphans* addresses three distinct areas associated with global orphanology. Delving deeper into the criticisms of the movement, the need for reform, and what families can expect, author Rick Morton helps shape realistic perceptions of the challenges and rewards adoptive parents face in transnational adoptions. Through illuminating the work internationally adoptive families can expect, *KnowOrphans* offers solutions for the church in remedying the ills and deficiencies surrounding the church's role in equipping and supporting families before, during, and after the adoption process. Knowing that the church's response and attitude should be one that goes beyond adoption, *KnowOrphans* also addresses the complexities of how Christians are to respond ethically, compassionately, and comprehensively to the biblical call to care for orphans. *KnowOrphans* is the next step in conversation as this evangelically based movement of orphan care matures and begins to live out James 1:27 globally.

Emma's Story Bob Sjogren, Stephani R. Jenkins, 2008-07-30 In this story based on real events, we follow a Turkish orphan girl as God leads her through emotional trauma and natural disaster to become the first adopted child in the US.

Orphans Ollie Kirby, 2000-03-27 The story begins before the turn of the century. The Gillis's live a very easy and tranquil life, in spite of active and noisy boys. But soon the tranquillity is shattered. First Albert then John die within months of each other. Then six years later Lydia and her husband Joseph die within months of each other. Lydia and Joseph leave six children and rather than have them stay with their grandmother Gillis,

Joseph sends them to his sister in Sault Ste Marie, Ontario, Canada, just before he dies. Before long the uncle decides he wants their inheritance so he moves them to Kit Carson, Colorado. After all the hardships they have already encountered he puts them up in a tent on the prairie. Soon the authorities are notified that the children are not being cared for and all but the oldest daughter are sent to The Home for Neglected and Abandoned Children in Denver. Janet the oldest stays with a family in Kit Carson and works for her keep while going to school. The family is good to her and they treat her like one of their own. The oldest boy Charles falls ill while in the Home and dies at the age of fourteen. John and Joseph are sent to work in the coal mines in Durango and Pueblo. Ruth the baby is adopted by a family that moves to Illinois. That leaves Rose who is fifteen to be farmed out to wealthy families in Denver to work for her keep. When she is eighteen she is emancipated from the Home and can go where she pleases. The story follows the paths of each living orphan. Each one has their own memories of the way life was on their journey and how the hardships formed their character. Rose was the only one that seemed to deny the past and so she would bury herself in romance novels and lived her life as a fantasy. She would never talk about her childhood or the years after her parents died until she was emancipated from the Home and her return to Kit Carson. Many times her comment was that she didn't deserve anything better in life.

Hope Lives Here Janine Maxwell, 2021-09-09 A widely requested follow up to Janine Maxwell's first two books *It's Not Okay With Me* and *Is It Okay With You?*, *HOPE LIVES HERE* is a comprehensive look behind the scenes of Project Canaan: A Place of HOPE, a development project and children's home that she and her husband Ian are building in Africa. While this book is not specifically a how to manual on how to start a ministry in Africa, nor a guide on successfully developing a self-sustainable farm with water provision during devastating drought, it is the heartfelt and often heart-wrenching story of their journey and path toward growing promising futures for hundreds of orphaned or abandoned children. Maxwell breaks down details of their Hunger, Orphans, Poverty, Education initiatives designed to bring HOPE to the kingdom of Eswatini and much more. Joys and successes are equally shared alongside lows and betrayals.

Hope Springs Eric Walters, 2014-09-09 A drought has settled in the area around the orphanage where Boniface lives. There are long line-ups at the tiny spring where all the local people get their water, and suddenly the orphans are pushed to the back of the line, unwelcome. Boniface's houseparent, Henry, tells him that the people were mean out of fear--they feared there would not be enough water for their families. When the building of the orphanage's well is completed, Boniface has an idea to help the villagers. A lovely story of kindness and heart, this story shows that, through compassion and understanding, true generosity can spring from unexpected places.

Reawakening Hope Kingsley Chukwuemeka Ihejirika PhD, 2021-10-01 This is a memoir of my early childhood growing up in a remote and poor Nigerian village. My mother died when I was only 13 months old, leaving me exposed to a life without her nurturing and protective care. Moved from one foster home to another, I found love in some, indifference in others. My journey to adolescence was marked by loneliness and hardship. I experienced anger, shame, loneliness, misery, rebellion, sorrow and grief. This anguish was undeniably connected to the absence of my mother. I hated school, avoided people, and suffered in silence. It nearly tore me apart. Ironically, the very adversity which had been cause for paralyzing emptiness, became motivation for my rebound. I imagined myself through my mother's eyes. What kind of son would she have loved for me to become? This introspective quest led to the person I am now. When I became a priest, I

started a ministry to support women like her and orphans like me. Today, ten years after incorporation in the U.S. as a 501c3 non-profit, the Divine Mercy International Widows and Orphans Organization (DMIWOO) is opening a 150-bed capacity medical center in my remote village of Obike. Indeed, life is about the things that happen to us as much as it is about the use we make of them.

Tear-Watered Blooms Catherine Rackley, 2019-11-15 No one likes to suffer. It hurts. We all suffer, though, in one form or another, at some time or another. What is God's heart towards his children as they suffer? Does God care like a loving earthly father would for his suffering children? If God loves his children, why would he allow them to go through pain in the first place? These questions are all too common--the very questions Catherine Rackley pleaded before God when she was pummeled repeatedly by multiple hardships, all starting with a cancer diagnosis at the age of twenty-five. Is God really good? Does he love me? Is he hearing my prayers? The hardships did not erase, but some answers did come. You are invited to walk through this vulnerable journey with Catherine where she wrestles with blood, sweat, and tears. . . . Her hope is that you will find those secret places where God led her.
