Loren Sandford, 2007-06-01 Prophecy is cherished by many as one of the fivefold ministry gifts described in Ephesians 4:11 and foundational to the life of the church. Who validates authentic prophetic ministry? How does a pastor rightly relate to a prophet? This rich resource seeks deeper

Exposing Prophetic Witchcraft Jennifer LeClaire, 2022-10-18 In Jennifer LeClaire's bestselling book, Discerning Prophetic Witchcraft, you learned how

to identify false prophecies and spiritual manipulation. Now, it's time to go on the offense. It's time to expose these prophetic wolves in sheep's clothing before they sabotage your destiny. False prophets are arising at an alarming rate in these last days, as Jesus told us they would. Only when prophetic witchcraft is exposed, can we resist it and help others avoid satan's snares. In *Exposing Prophetic Witchcraft*, author and seasoned spiritual warfare leader Jennifer LeClaire offers sound instruction on how to further shine light on the mixture and deception that are prevalent in the Church today. Through her personal life experiences and helping others navigate these difficult lessons of discerning and exposing false prophets and manipulators, Jennifer teaches you to expose: 13 Symptoms of prophetic witchcraft alignments. Counterfeit Christs and Elijahs claiming to be prophetic voices. False Dreams, Visions, and Angelic Encounters that sound spiritual, but are actually evil. Scripture-Twisting and Manipulation where false prophets use the Bible to advance their own carnal agendas or heretical theology. 17 Signs That You May be Under a Witchcraft Attack. 6 Ways to Recognize a Demonic Night-Attack through nightmares, sleep paralysis, and other sleep-related spiritual maladies. How and when to confront prophetic manipulators. Jennifer's insightful teaching will instruct and challenge you to connect with the Lord

on a deeper level, and help you recognize and expose the works of darkness!

The Extreme Jezebel Spirit Charlotte Baker, 2016-01-26 The Three Degrees of the Jezebel Spirit: Extreme, Moderate, and Lesser The Extreme degree of the Jezebel Spirit is the highest possible degree. This includes leadership or any person speaking on behalf of the evil one, someone who is pure evil, or one who does evil things without reason. It includes the Authority of the Rod, Astral Projection, and speaking curse words; it ultimately brings death. The Moderate degree: This degree is kept within reasonable limits and the behavior is not extreme or excessive. The practicing leadership or person appears so sweet or perfect but is deceitful and has a very flawed character that results from low confidence and low self-esteem often due to having been rejected. These leaders are able to fool others and recruit them to join them. Sometimes they can be very charming and charismatic but they are often sneaky. The Lesser degree: This degree of Jezebel spirit is not as severe or

hurtful as the other degrees but the leadership still exerts undue control and employs deceit. At this level, friends and associates compete against each other. Instead of helping each other succeed, each member looks out for his own interests. They are surreptitious.

Dancing with Father Michele Okimura, 2011-04 GOD PURSUES YOU. YOU HAVE A PAST, HE GIVES YOU A FUTURE. COME. DANCE WITH HIM. Take a journey into the heart of God. Encounter the One who joys over you with singing. Michele Okimura has touched a topic that is discussed very little. She invites the reader to share her tragedy and triumph by capturing that experience in *Dancing with Father*. This poem can be an instrument to bridge the gap in the healing process for others who have had a difficult journey through their youth. Gary and Norma Smalley President and Founder, Smalley Relationship Center When I read *Dancing with the Father* my heart was deeply touched. I know this deeply artistic, poetic work will touch many deeply. Patricia King, President and Founder of Extreme Prophetic Ministries I cannot wait to see Michele's piece reach a larger audience so that it will be able to do the work God envisioned for it. Just as David wrote his Psalms, so has Michele found a voice for deeper longings of God. This is truly a soul's cry that rings victorious. And in that self same shout of victory is the invitation to come and share in the glorious dance. I believe Michele has found a voice for so many. My utmost prayer is that these precious souls may find that voice. Dr. Wayne Cordeiro Chancellor, New Hope Christian College Chancellor, Pacific

Angelic Encounters James W Goll, 2013-07-29 DIVUsing Scripture, church history, testimonies, and personal experience, the Golls describe the different categories of angels, explains their ministry as God's agents, and shows how to perceive and engage them. /div

Shifting Shadows of Supernatural Experiences James W. Goll, Julia Loren, 2011-07-28 Go beyond... Go beyond the realm of your natural senses to the Shifting Shadows of Supernatural Experiences. Jesus is bigger than all of us. His power and ways transcend our understanding. But if we are to grow in all He has for us, we need to tap into what the Holy Spirit has for us today. This book is filled with actual experiences from church history, and modern-day testimonies that are all grounded in the Word of God. Open your heart to God as He delights in revealing Himself to you through spiritual experiences such as: Encountering Angels. Dreams, Visions & Miracles. Near-death Experiences. Testing the Spirits. Insights into Things to Come. How to Keep Jesus Central. The authors are convinced of the importance of operating in God's supernatural realm: Until authentic power displayed through God's prophets and healers infuses society, people will continue to turn toward the only source of power they see—occult and paranormal power displayed through television and in New Age circles.
