You Must Win: The winner can create History Ahmed Sayeed,2019-08-10 The latest book *You Must Win* contains a similar subject of humans should get freed from the Cage of Theology or Dogmatism. My Contention is that The Earth will be it's own when heavens are destroyed. The book *Human Achievement* contain the same message, first Know thyself then only you can know the world, your society, your fellow being, your kith, and kins. I wish that the Book would enlighten the reader with an advise that when we know nothing of the first Principle, it is truly extravagant to define God, Angels, Heavens, and minds to know precisely why God formed world when we do not know why we pray and raise our arms at our will It advocates that Society is a growth in time, not syllogism in Logic and when the past is out through the door, it comes in at the windows. It guides to show precisely by what changes we can diminish misery and injustice in the world in which we actually live. A real Human who owns Humanity would automatically reject the story of Adam and Eve Let us live what is provided with and regarding the growth of Human life both physically and psychologically let us leave the matter to Scientists and to socialists. Socialist concern must be to lead a life peacefully, ethically, contently after attaining basic biological and social needs and this may contend as my message as an author to the readers in particular and humanity in general.

Unlike most works of this type, this book provides both essays that examine general topics, such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture, and practice in world regions—for example, Latin America and the Caribbean, the Middle East and North Africa, Europe, and Oceania—in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches, and major controversies. Spanning topics as varied as

modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture, and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic—helpful to general readers, students with school projects, university students and academics alike. The Extraordinary Life and Death of Sunanda Pushkar Sunanda Mehta, 2019-07-25 An extraordinary life. A strange death. The untold story of Sunanda Pushkar. On 17 January 2014, Sunanda Pushkar, businesswoman and wife of writer and politician Shashi Tharoor, was found dead in her hotel suite in New Delhi. Her death was as shocking as it was suspect, spawning many a controversy and complex legal battles. Her life was no less dramatic but far lesser known. A culmination of material drawn from personal archives, numerous interviews and investigation across continents, this riveting biography attempts to answer the question: Who really was Sunanda Pushkar? Was she a social climber hankering after power and fame? Or was she bold and unconventional, achieving success on her own merit only to become a casualty of circumstance? Was she a villain or a victim? Or a bit of both? In search of these answers, Sunanda Mehta, journalist and Pushkar's former schoolmate, traces her subject's life from her early days in cantonment towns, to her first two marriages, a largely unknown stint in Canada, her rise as a Dubai businesswoman, and finally her much-publicized years with Tharoor until her controversial death shook the nation. Through the soaring highs and wrecking lows that marked her forty-nine years, Sunanda Pushkar lived with passion, ambition and defiance. This definitive biography is the account of her phenomenal life and its turbulent end.
