Creating Your Facebook Fan Page Bramin Ishtar,2021 In order to create your Facebook Fan Page, you will need a Facebook account. Create one at <http://www.Facebook.com>If you already have an account, log in to your main page and click on “Create A Page”, or visit <http://www.Facebook.com/pages> to begin.The first screen that you’ll see will give you the option of choosing the type of Fan Page you wish to create. On this page, you’ll see that Facebook categorizes Fan Page in 6 different groups, including: Local Business or PlaceCompany, Organization or InstituionBrand or ProductArtist, Band or Public FigureEntertainmentCause or CommunityDepending on what your Fan Page will be about, you want to choose a category that best represents your focus and overall topic.In my case, I am creating a new Fan Page around my upcoming, www.WhiteLabelReports.com PLR membership program, and so I choose “Brand or Product”. Note: Sometimes your fan page may very well fit into multiple categories, however Facebook only allows you to choose one type of Fan Page. Since there are no limits on the number of Fan Pages you can have within your account, just create multiple pages and direct link them to your main one!

Music Is History Questlove,2021-10-19 New York Times bestselling Music Is History combines Questlove’s deep musical expertise with his curiosity about history, examining America over the past fifty years—now in paperback Focusing on the years 1971 to the present, Questlove finds the hidden connections in the American tapes, whether investigating how the blaxploitation era reshaped Black identity or considering the way disco took an assembly-line approach to Black genius. And these critical inquiries are complemented by his own memories as a music fan and the way his appetite for pop culture taught him about America. A history of the last half-century and an intimate conversation with one of music’s most influential and original voices, Music Is History is a singular look at contemporary America.

The Complete Idiot's Guide to Facebook, 3rd Edition Joe Kraynak,Mikal E. Belicove,2012-10-02 Facebook is by far the most popular social networking site, but it is not as user-friendly as the service would like people to think. It leaves many users scratching their heads over even the most fundamental features, such as the difference between their Wall and their News Feed. And Facebook's help system is woefully inadequate. The Complete Idiot's Guide® to Facebook, Third Edition, gets readers registered and touring Facebook in the very first chapter and never lets up as it reveals the features that have made Facebook so amazingly popular. Users discover how to: - Flesh out and protect the all new personal profile - Track down long lost friends, family members, and classmates - Communicate via status updates, email, and chat - Share photos and video - Make the best use of the new Timeline feature - Take advantage of Facebook's new location-based functionality - Schedule real world get-togethers and send out invitations - Share common interests in groups - Play games - Understand Facebook's dizzying array of privacy options that dictate who sees one's content - Buy and sell stuff in the Facebook Marketplace, and more. Readers also learn how to tap the power of Facebook for more than simply personal use-such as personal branding; marketing a business, product, service, or non profit; or promoting a worthy cause.
