

FACEBOOK TIMELINE COVER

JIN-YING ZHANG

📖 ***The Collector of Lost Things*** Jeremy Page, 2021-11-15 The year is 1845 and young researcher Eliot Saxby is paid to go on an expedition to the Arctic in the hope of finding remains of the by now extinct Great Auk. He joins a hunting ship, but the crew and the passengers are not what they seem. Caught in the web of relationships on board, Eliot struggles to understand the motivations of the sociopathic Captain Sykes; the silent first mate, French; the flamboyant laudanum-addicted Bletchley; and most importantly of all, Bletchley's beautiful but strange 'cousin' Clara. As the ship moves further and further into the wilds of the Arctic sea, Eliot clings to what he believes in, desperate to save Clara but drawn irrevocably back into the past that haunts him.

📖 ***Asian Illustration***, 2021-06 Asia is now the center of comic illustration. This cutting-edge collection showcases the work of illustrators from Asia. Many new artists have been emerging recently from Asia, taking their place in the international comic illustration industry through social media. Although their work shows influences from Japanese anime and manga, the superior drawing skills and pursuit of originality in each of these artists' work results in a fresh and intense take on traditional styles. This book showcases 46 illustrators focusing mainly on young up-and-coming artists and collects over 250 illustrations in total. Each artist is introduced in 2 to 6 pages. Most artists does digital drawing but there are some who does watercolor and ink painting. Immerse yourself in the work of these artists working at the forefront of the creative world of Asia. The cover illustration was done by a Singaporean artist Guweiz.

📖 ***All Your Twisted Secrets*** Diana Urban, 2020-03-17 A thrilling debut, reminiscent of new fan favorites like *One of Us Is Lying* and the beloved classics by Agatha Christie, that will leave readers guessing until the explosive ending. "Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting." What do the queen bee, star athlete, valedictorian, stoner, loner, and music geek all have in common? They were all invited to a scholarship dinner, only to discover it's a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick someone to kill...or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how they're all connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor's ultimatum, it becomes clear that everyone is hiding something. And with the clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die?

📖 ***Thoughts on Design*** Paul Rand, 2014-08-19 One of the seminal texts of graphic design, Paul Rand's *Thoughts on Design* is now available for the first time since the 1970s. Writing at the height of his career, Rand articulated in his slender volume the pioneering vision that all design should seamlessly integrate form and function. This facsimile edition preserves Rand's original 1947 essay with the adjustments he made to its text and imagery for a revised printing in 1970, and adds only an informative and inspiring new foreword by design luminary Michael Bierut. As relevant today as it was when first published, this classic treatise is an indispensable addition to the library of every designer.

📖 ***These Deadly Games*** Diana Urban, 2022-02-01 A propulsive mystery with high stakes and devious, masterful twists that will leave you guessing until the very last page. Diana Urban's latest had my jaw on the floor. —Jessica Goodman, bestselling author of *They Wish They Were Us* Let's play a game. You have 24 hours to win. If you break my rules, she dies. If you call the police, she dies. If you tell your parents or anyone else, she dies. Are you ready? When Crystal Donovan gets a message on a mysterious app with a picture of her little sister gagged and bound, she agrees to play the kidnapper's game. At first, they make her complete bizarre tasks: steal a test and stuff it in a locker, bake brownies, make a prank call. But then Crystal realizes that each task is meant to hurt—and kill—her friends, one by one. But if she refuses to play, the kidnapper will kill her sister. Is someone trying to take her team out of the running for a gaming tournament? Or have they uncovered a secret from their past, and wants them to pay for what they did... Author of *All Your Twisted Secrets*, Diana Urban's explosive sophomore novel, *These Deadly Games*, is a must-read, propulsive YA thriller with deadly stakes, stunning twists, and a shocking ending you'll never forget—perfect for fans of *I Know What You Did Last Summer* and *One of Us Is Lying*.

📖 ***Facebook For Dummies*** Carolyn Abram, 2013-07-31 There's no time like the present: get started on Facebook today with this friendly beginner guide! Minibooks cover creating a personal timeline, connecting with others, connecting Facebook to other social media, building a fan page, marketing a business on Facebook, and developing Facebook apps

📖 ***The Warmth of Other Suns*** Isabel Wilkerson, 2011-10-04 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize-winner and bestselling author of *Caste* chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic.

📖 ***Facebook For Dummies*** Carolyn Abram, Amy Karasavas, 2021-04-08 Be a new face on Facebook! If you're new to the Facebook user community, don't be shy: you're joining around 2.7 billion users (roughly two-and-a-half Chinas) worldwide, so you'll want to make sure you're being as sociable as possible. And with more functionality and ways to say hello—like 3-D photos and video chat rooms—than ever before, Facebook For Dummies is the perfect, informative companion to get and new and inexperienced users acquainted with the main features of the platform and comfortable with sharing posts, pictures (or whatever else you find interesting) with friends, family, and the world beyond! In a chatty, straightforward style, your friendly hosts, Carolyn Abram and Amy Karasavas—both former Facebook employees—help you get settled in with the basics, like setting up your profile and adding content, as well as protecting your privacy when you want to decide who can and can't see your posts. They then show you how to get involved as you add new friends, toggle your newsfeed, shape your timeline story, join groups, and more. They even let you in on ways to go pro and use Facebook for work, such as building a promo page and showing off your business to the world. Once you come out of your virtual shell, there'll be no stopping you! Build your profile and start adding friends Send private messages and instant notes Share your memories Tell stories about your day Set your privacy and curate your news feed Don't be a wallflower: with this book you have the ideal icebreaker to get the party started so you can join in with all the fun! 📖 ***Diploma in Facebook Marketing - City of London College of Economics - 6 months - 100% online / self-paced*** City of London College of Economics, Overview Everybody knows Facebook and knows that you can reach a lot of people. - 📖 **At Home in Mitford** Jan Karon, 2017-08 A romance between an Anglican priest and a children’s book writer who moves into his neighborhood. It is set in Mitford, North Carolina, where life is peaceful and problems are overcome with prayer and some good cooking. --Publisher.
- 📖 **Mana Master** Bruce Sentar, 2020-11-16 In a world where mages and monster grow from cultivating mana. Isaac joins the class of humans known as mages who absorb mana to grow more powerful. To become a mage he must bind a mana beast to himself to access and control mana. But when his mana beast is far more human than he expected; Isaac struggles with the budding relationship between the two of them as he prepares to enter his first dungeon. Unfortunately for Isaac, he doesn’t have time to ponder the questions of his relationship with Aurora. Because his sleepy town of Locksprings is in for a rude awakening, and he has to decide which side of the war he is going to stand on. Disclaimer: There are adult situations and harem relationships.
- 📖 📖
- 📖 **Facebook** Steven Levy, 2020-02-25 One of the Best Technology Books of 2020—Financial Times “Levy’s all-access Facebook reflects the reputational swan dive of its subject. . . . The result is evenhanded and devastating.”—San Francisco Chronicle “[Levy’s] evenhanded conclusions are still damning.”—Reason “[He] doesn’t shy from asking the tough questions.”—The Washington Post “Reminds you the HBO show Silicon Valley did not have to reach far for its satire.”—NPR.org The definitive history, packed with untold stories, of one of America’s most controversial and powerful companies: Facebook As a college sophomore, Mark Zuckerberg created a simple website to serve as a campus social network. Today, Facebook is nearly unrecognizable from its first, modest iteration. In light of recent controversies surrounding election-influencing “fake news” accounts, the handling of its users’ personal data, and growing discontent with the actions of its founder and CEO—who has enormous power over what the world sees and says—never has a company been more central to the national conversation. Millions of words have been written about Facebook, but no one has told the complete story, documenting its ascendancy and missteps. There is no denying the power and omnipresence of Facebook in American daily life, or the imperative of this book to document the unchecked power and shocking techniques of the company, from growing at all costs to outmaneuvering its biggest rivals to acquire WhatsApp and Instagram, to developing a platform so addictive even some of its own are now beginning to realize its dangers. Based on hundreds of interviews from inside and outside Facebook, Levy’s sweeping narrative of incredible entrepreneurial success and failure digs deep into the whole story of the company that has changed the world and reaped the consequences.
- 📖 **Facebook Marketing All-in-One For Dummies** Amy Porterfield, Phyllis Khare, Andrea Vahl, 2012-11-28 Great new edition covers what you need to know for successful Facebook marketing Facebook keeps evolving, and so does the social mediasphere.
