Encyclopedia of Bollywood—Film Actresses Renu Saran,2014-02-25 There was a time when children used to go to their grandpa and grandma often. In a playful way, they would learn and absorb the beautiful values of life. But today, when everyone is becoming busier, at such a time, it is only the stories which can bring us closer to the future generation. Those moments at night before sleeping, when we and our little ones enjoy the stories together, are invaluable. In these moments, unknowingly, the love between us becomes stronger, and the children learn the first lesson of their lives—the value of beautiful relationships. The attempt has been to see each story through the eyes of a child, and to listen to each story with the ears of a child, and understand it with a child's heart. The effort has been that if there is any word which pricks their innocent minds, then that should not reach them through the medium of these stories. The effort here has been that each story has a positive end, from which the dreams of the children get a positive beginning.

Indian Film Stars Michael Lawrence,2020-05-28 Indian Film Stars offers original insights and important reappraisals of film stardom in India from the early talkie era of the 1930s to the contemporary period of global blockbusters. The collection represents a substantial intervention to our understanding of the development of film star cultures in India during the 20th and 21st centuries. The contributors seek to inspire and inform further inquiries into the histories of film stardom-the industrial construction and promotion of star personalities, the actual labouring and imagined lifestyles of professional stars, the stars' relationship to specific aesthetic cinematic conventions (such as frontality and song-dance) and production technologies (such as the play-back system and post-synchronization), and audiences' investment in and devotion to specific star bodies-across the country's multiple centres of film production and across the overlapping (and increasingly international) zones of the films' distribution and reception. The star images, star bodies and star careers discussed are examined in relation to a wide range of issues, including the negotiation and contestation of tradition and modernity, the embodiment and articulation of both Indian and non-Indian values and vogues; the representation of gender and sexuality, of race and ethnicity, and of cosmopolitan mobility and transnational migration; innovations and conventions in performance style; the construction and transformation of public persona; the star's association with film studios and the mainstream media; the star's relationship with historical, political and cultural change and memory; and the star's meaning and value for specific (including marginalised) sectors of the audience.

Amitabh Susmita Dasgupta,2006-08-04 A remarkable insight into the films and times of India's greatest star-actor In an industry where fashions change every Friday, Amitabh Bachchan has been synonymous with cinematic entertainment for over thirty years. But beyond the labels of 'one-man industry' and 'star of the millennium', a number of issues pertaining to the star, his films and his era remain largely unaddressed. What is it that makes Amitabh Bachchan the star he is? Is it his undeniable genius as an actor, his ability to connect with the masses and the classes alike, or is it his writers and directors who project him in varied roles? Did his films in his heyday reflect the angst of his time, or did they ferment the spirit of anger and rebellion in the first place? Was he really the rebel as his 'angry young man' image suggests, or was there, behind all the sound and fury, a conformist subtext that called for restoration of the status quo? How relevant is Amitabh Bachchan today? In Amitabh: The Making of a Superstar, Susmita Dasgupta answers these and other questions that lie buried in the trail of glory the star blazed. In a warm and insightful analysis, the author traces the world-view and philosophy that have shaped the films of Amitabh Bachchan-from the angry young man of Zanjeer, the tragic antihero of Deewar and the entertainer of Amar Akbar Anthony to his more conservative turns in Mahabbatein and Kabhi Khushi Kabhie Gham. In the process, she not only chronicles the star's journey from a flop actor to a national icon but also brings to life a period in the history of Indian cinema which altered forever the economics of film-making in the country.

Kapoors Madhu Jain, 2009-04-17 'We are like the Corleones in The Godfather'—Randhir Kapoor There is no film family quite like the Kapoors. A family of professional actors and directors, they span almost eighty years of film-making in India, from the 1920s to the present. Each decade in the history of Hindi films has had at least one Kapoor—if not more—playing a large part in defining it. Never before have four generations of this family—or five, if you include Bhashesharnath Kapoor, Prithviraj Kapoor's father, who played the judge in Awara—been brought together in one book. The Kapoors details the professional careers and personal lives of each generation—box-office successes and failures, the ideologies that informed their work, the larger-than-life Kapoor weddings and Holi celebrations, their extraordinary romantic liaisons and family relationships, their love for food and their dark passages with alcohol. Based on extensive personal interviews conducted over seven years with family members and friends, Madhu Jain goes behind the façade of each member of the Kapoor clan to reveal what makes them tick. The Kapoors resembles the films that the great showman Raj Kapoor made: grand and sweeping, with moments of high drama and touching emotion. 'Few books on Indian cinema have been written with such wit, clarity and sparkle'—Outlook 'Jain writes in a language that is simple and pithy. . . it will keep alive public interest in the Kapoors who refuse to call it a day'—Telegraph 'Immensely readable...will surely find a place in the Indian cineaste's library'—Biblio

Stardom in Contemporary Hindi Cinema Aysha Iqbal Viswamohan, Clare M. Wilkinson, 2020-01-03 In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as "Bollywood." Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India's increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read.
