Clyde T. McCants

**Some Famous Singers of the 19th Century** Francis Rogers,1914

**Famous Singers of To-day and Yesterday** Henry Charles Lahee,1898

**Famous Singers of To-day and Yesterday** Henry Charles Lahee,1898

**American Opera Singers and Their Recordings** Clyde T. McCants,2004-07-23 This book focuses on American opera singers and what their recordings say about their artistry. It is not a book about all American opera singers, since many who had important careers on stage, made few, if any, recordings. And many of those who did make recordings, did so prior to the introduction of electrical recording in 1925 (and the resulting advances in the reproduction of the human voice). Opera enthusiasts can only imagine the sound of Farinelli's voice or read what his contemporaries have written about it, but with almost any famous or near-famous singer of recent years, enthusiasts do not have to imagine. Their voices are available through the technology of sound recording. There are 53 entries, one each for 52 singers and a composite entry for a group of Hollywood vocalists. Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries. The entries are in alphabetical order by the singer's last name and provide critical analyses of key recordings and of the artists' gifts and limitations.

*Famous Singers of To-day and Yesterday* Henry Charles Lahee,1936

*Famous Singers of Today and Yesterday (1898)* Henry Charles Lahee,2009-02-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

**Some Famous Singers of the 19th Century (Classic Reprint)** Francis Rogers,2017-09-15 Excerpt from Some Famous Singers of the 19th Century Manuel del Popolo Vicente Rodriguez, only known to us under his stage name of Manuel Garcia, was born in Seville in 1775. He began his career as a singer, at the age of six, as chorister in the Cathedral, and must, even as a child, have shown the remarkable qualities of energy and musical talent that distinguished him in later years, for by the time he was seventeen he was already well known as singer, actor, composer and conductor, and his musical pieces, mostly operettas, were popular all over Spain. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*Famous Singers of To-Day and Yesterday* Lahee Henry Charles,2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**Opera Singers** Gustav Kobbé,1904

*Usher:Famous Singer* Sarah Tieck,2009-01-01 Usher is a talented singer and actor. This book introduces his childhood, family background, rise to fame, and future plans. Readers will learn about Usher's noticeable early talent while singing in a church choir, his success on Star Search, and his record-breaking and Grammy-winning albums. Also covered are Usher's progression into acting on television and in movies, his Broadway performance in Chicago, his life as a husband and a father, and his societal contributions as founder of a charity. Colorful graphics, oversized photographs, and short, engaging sentences draw reluctant readers in to the fascinating life of Usher! Buddy Books is an imprint of ABDO Publishing Company.

**How to Become a Famous Singer** Austin Landry,2015-06-01 Your beautiful voice has made fans out of your friends and family a long time ago. No special occasion in your community is complete without you belting out a couple of songs. You've been told time and time again that you should pursue a career in singing, and you're finally starting to take the suggestion more seriously. Why shouldn't you develop a career doing something that you love? This book is designed to help you bridge the gap between being an amateur singer and one who's using their voice to make a living (or even a killing). You'll learn how the internet has opened up new opportunities to aspiring singers like you, and you'll also be guided on everything from making your own original material to networking and marketing yourself, and signing up with labels. Sure, singing at your cousin's wedding and getting thunderous rounds of applause is satisfying; but isn't it time for your passion to meet your purse? It's time to start dreaming bigger! There are so many new ways of making it big in the music biz, and the pages of this book are full of the tools you need to help make your dreams of becoming the next big thing a reality.

**Famous Singers of To-Day and Yesterday (Classic Reprint)** Henry C. Lahee,2016-06-13 Excerpt from Famous Singers of to-Day and Yesterday It has been the desire of the author to give, in a book of modest dimensions, as complete a record as possible of the from the establishment of Italian Opera down to the present. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Famous Singers of To-Day and Yesterday** Henry C. Lahee,2019-03-02 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Billie Holiday and Etta James** Charles River Charles River Editors,2016-12-12 \*Includes pictures \*Includes the artists' quotes about their lives \*Includes online resources and a bibliography for further reading \*Includes a table of contents If Billie Holiday wanted to become a jazz singer, she chose the best of all eras in which to attempt it. A wave of great jazz and jazz/pop crossover artists swept over the United States from the 1920s through the 1950s, generating a golden age for the genre. This wondrous jazz era was well represented by both black and white master artists, men, women, vocalists, and instrumentalists, and Billie Holiday has stood the test of time as well as any, despite struggling with an environment that easily could have doomed such aspirations. Emerging from such a powerful group of talented vocalists was not easy. The woman who has come to represent a model of great, instinctive jazz singing came from nowhere, had nothing, and virtually had no one who was truly helpful in her background. She was raw and untrained but went forward regardless, with limited and quirky vocal gifts, the likes of which had never been heard in the highest circles of jazz. This especially was true among women, where perfection of phrasing and a smooth style of delivery stood as the unspoken guidelines of vocal success. No female counterpart of Louis Armstrong, one of Holiday's idols, was ever going to survive in the female jazz world for long, except perhaps as a novelty. It was not only hard-headed persistence that made Holiday a preeminent female jazz vocalist but a self-education, with the core belief that to sound like another singer was to not make music at all. Singing only from her deepest instinct and accepting no one as a literal model, she magically changed the paradigm for jazz singing by refusing to do anything the way it was expected to be done, or by swinging in any way that did not come authentically from her own artistry. Holiday rewrote the rules of jazz singing by using her voice not to imitate other singers, but by taking on the style of movement and sound common to jazz instruments. On top of that, she took the moderately employed practice of singing off the beat and brought it to the rhythmic forefront of virtually everything she sang. Holiday could subtly twist [the] rhythm in a way never before heard, in the manner of an instrumental soloist. Grateful to Louis Armstrong as a model, any song she took up was transformed rhythmically, tonally, and emotionally, with her light and untrained instrument, which despite its clarity could wield a wounded poignancy. Etta James, the legendary jazz, gospel, rhythm & blues, and soul singer, was perfectly positioned to reign as the supreme artist in the emerging soul genre of the '40s and '50s in America. No one ever doubted her talent, the highly distinctive and versatile nature of her voice, or her drive to succeed, and yet, she has been woefully overlooked in the history of indigenous rock and blues music in the United States. She is famous and recognized for several iconic hits with which she is eternally associated, such as I'd Rather Go Blind and At Last, but her place in the pantheon of great soul artists is unsteady and not always instantly recognizable by those outside of a knowledgeable group of devotees. For the rest of soul music's listeners, mention of her name will result in a hasty inclusion into the inner circle of leading artists, as though James had been momentarily forgotten. Once the object of focus, however, she is revered as one of the titans of the genre, and those who had allowed her to slip from their minds are immediately reawakened to her powerful vocal and interpretive gifts. Such a vague position within the history of the form is partly due to a difficulty James experienced in crossing over to the white audience when others of the same genre were succeeding brilliantly at garnering a new, mixed race fan base.

**Some Famous Singers of the 19th Century** Francis Rogers,2016-05-06 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. **Adam Levine: Famous Singer & Songwriter** Sarah Tieck,2014-09-01 Colorful graphics, oversized photographs, and short, engaging sentences draw readers in to the fascinating life of famous singer and songwriter Adam Levine! Readers will follow Levine's journey, from his family background and youth in Los Angeles, to the formation of the band Kara's Flowers, evolving into Maroon 5 and making lead singer Levine a household name. Maroon 5's albums are discussed, including Songs About Jane, It Won't Be Soon Before Long, Hands All Over, and Overexposed, as well as their Grammy wins. Also discussed is Levine's work on the popular show The Voice and his role on American Horror Story, as well as his hobbies off stage, including yoga and charity work. Features include table of contents, map, fact boxes, facts page with Levine's vital information, glossary, and index. Aligned to Common Core Standards and correlated to state standards. Big Buddy BOOKS is an imprint of ABDO Publishing Company.

**Can't Stand Still** Michael K. Johnson,2019-02-13 Born in 1893 into the only African American family in White Sulphur Springs, Montana, Emmanuel Taylor Gordon (1893–1971) became an internationally famous singer in the 1920s at the height of the Harlem Renaissance. With his musical partner, J. Rosamond Johnson, Gordon was a crucially important figure in popularizing African American spirituals as an art form, giving many listeners their first experience of black spirituals. Despite his fame, Taylor Gordon has been all but forgotten, until now. Michael K. Johnson illuminates Gordon's personal history and his cultural importance to the legacy of the Harlem Renaissance, arguing that during the height of his celebrity, Gordon was one of the most significant African American male vocalists of his era. Gordon's story—working in the White Sulphur Springs brothels as an errand boy, traveling the country in John Ringling's private railway car, performing on vaudeville stages from New York to Vancouver to Los Angeles, performing for royalty in England, becoming a celebrated author with a best-selling 1929 autobiography, and his long bout of mental illness—adds depth to the history of the Harlem Renaissance and makes him one of the most fascinating figures of the twentieth century. Through detailed documentation of Gordon's career—newspaper articles, reviews, letters, and other archival material—the author demonstrates the scope of Gordon's cultural impact. The result is a detailed account of Taylor's musical education, his career as a vaudeville performer, the remarkable performance history of Johnson and Gordon, his status as an in-demand celebrity singer and author, his time as a radio star, and, finally, his descent into madness. Can't Stand Still brings Taylor Gordon back to the center of the stage.

*Famous Singers of Today and Yesterday* Henry Charles Lahee,1898

**Classical Singers of the Opera and Recital Stages** Robert H. Cowden,1994-06-14 Have you ever tried to find information on your favorite classical singer, past or present? If you have, you know the frustrations involved. Now, for the first time under one cover is a comprehensive listing of all known published and unpublished material of a biographical nature about classical singers of the opera and recital stages. No current reference work or periodical includes more than a fraction of the material found here. This book will save the reader countless frustrating hours tracking down sources by indicating exactly where to look. For anyone with a serious interest in classical singers, this new publication is a MUST. Quite simply put, there is nothing comparable available. If you own any or all of the current basic references on opera and singing, this represents a worthy and indispensable companion to each of them. Classical Singers of the Opera and Recital Stages is a comprehensive listing of biographical materials about 1,532 famous and not-so-famous vocalists. Materials from 30 languages and language variants are annotated including cross-references to 24 major dictionaries, encyclopedias, and reference works as well as 12 important periodicals. In addition to this body of information, 157 collective titles and 283 related books are also cross-referenced. It even includes references to works such as the American National Biography which is currently in publication. All of this material is organized into five easy-to-use coded categories, and the codes remain standard throughout the work.

A special feature is a complete index to all vocalists accorded an entry in The New Grove Dictionary of Opera (1992). Some 323 classical vocal artists, who do not appear in Grove-Opera, are included here. Cowden's monumental reference lists thousands of sources for obscure artists as well as for the legendary ones from the 17th century to 1993. Each reader will find sources of information previously unknown thus saving countless hours tracking down biographical information about a particular artist. An indispensable supplement to even the most recent published reference works in the field of the vocal arts, Classical Singers of the Opera and Recital Stages should remain a standard work for years to come.

**Famous Vocalists Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Famous Vocalists has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Famous Vocalists has opened up a

world of possibilities. Downloading Famous Vocalists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Famous Vocalists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Famous Vocalists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Famous Vocalists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Famous Vocalists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Famous Vocalists has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

**FAQs About Famous Vocalists Books**

**What is a Famous Vocalists PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Famous Vocalists PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Famous Vocalists PDF?** Editing a PDF can be

done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Famous Vocalists PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Famous Vocalists PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
