Along Came Coco Eva Byrne,2019-03-19 In a time when children were meant to be seen and not heard, along came Coco, a small French orphan with an eye for style, a talent for sewing, and a big imagination. Coco grew up in an orphanage run by very strict nuns, but she wasn't very good at following rules. At a time when girls were told to brush their hair 100 times until their arms were sore, Coco promised herself that one day she would snip away her locks so

that she wouldn't have to be so fussy—girls needed time for other things, and they needed some of the comforts that boys enjoyed. Why shouldn't girls have pockets? And why did they have to wear corsets all the time? An exploration of Coco's early life and a celebration of her creativity, *Along Came Coco* †shows the ways in which Coco Chanel's imaginative spirit led her to grow into one of the world's most beloved fashion icons.

Clever Word Search Puzzles for Kids Mark Danna,2004 Word search puzzles don't get much better than this. Will Shortz, Puzzlemaster for National Public Radio Mark Danna whose earlier *Word Search Puzzles for Kids* was a huge success has come up with even more smart search challenges to delight brainy youngsters. What makes them so special? First, the letters in every grid form a picture, so instead of ho-hum squares, children get lively shapes. Then, the puzzles feature a few additional twists. Three of the searches don't have word lists, for example; the puzzler has to create them from a series of clues. And finally, each puzzle has a hidden message: once kids have circled all the correct phrases, the uncircled letters will spell out a silly quote, fun fact, or punch line to a punny riddle.
