**Where's My Baby** Josephine Liberati,2010-03-10 My book, Where's My Baby, was written because I believe that I need to reach out to other women who are going through the same thing, not knowing where their baby is. I also hope and pray that somewhere out there my baby will recognize who he or she really is. This is very sad to realize that someone actually stole your baby. I hope that this will open the readers' eyes to know that this can happen to anyone. I was innocent and naive. I would definitely fight for my right today. I wish my baby will find me through this book. God help us. As time goes on I wonder, will I ever find my baby? I don't ever want to give up hope, yet its hard to realize that I may be the one who will never know where my baby is. If their are women out there who don't know what happened to their baby - please email me at josephine1343@yahoo.com and let me know. We can continue this search together.

Wherever You Are is a book to share with your loved ones, no matter how near or far, young or old, they are.

[5minutesformom.com](http://5minutesformom.com) We've seen a lot of baby name books in our time, some good, and some not so good. This one's a good one...It has the big list, so that you can look up the definitions of the names that you're considering. But, it also teaches you how to pick a really great name for your little bundle of joy... So, if you just want definitions, this book's got those. If you just don't know what name you want, or if you're scared of choosing the wrong name, this book can help. [thefamilylog.com](http://thefamilylog.com)
