Vienna to Salzburg Robert I. C. Fisher, 2005 Suggests lodging, food, and sightseeing highlights along with travel tips and cultural information.

Venezuela Russell Maddicks, 2011-02 Venezuela occasionally features in world news in connection with its rich oil resources, its obsession with beauty pageants, its outspoken and colourful president, Hugo Chávez, or the world's highest waterfall - and little else. However, beyond the headlines, this beautiful and diverse country has so much more to offer to all types of visitors - hiking the 'Lost World' landscape of Conan Doyle, piranha-fishing from dugout canoes, paragliding from Andean peaks and windsurfing on Margarita Island. Taking travellers to the wildest of fiestas, inside the steamiest salsa bars and introducing visitors to the quirkiest of local customs, Bradt's Venezuela leads tourists from the Caribbean coast to the southern tropical wilderness, delving into the culture and eccentricities of the country more deeply than any other guide.

Bolivia Pocket Adventures Vivien Loughheed, 2007-06-15 Hunter Pocket Adventure Guides contain all the practical travel information you need - places to stay and eat, tourist information

resources, travel advice, emergency contacts, and more - plus condensed sections on history and geography that give you good background knowledge of the destination. The author is fascinated with the destination and her passion comes across in the text, which is lively, revealing, and a pleasure to read. Sidebars highlight unusual facts and tell of local legends, adding to your travel experience. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and organized jungle excursions. Travelers looking for a more relaxed vacation may want to sign up for traditional dance lessons in Bolivia, drum classes in the Dominican Republic, or attend a weaving school in Bolivia - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. Over the last two years I have traveled Bolivia four times. Among the score of Bolivian guides that I have reviewed, two stand out: Pocket Adventures Bolivia and Footprint Bolivia. Both are solid guides, yet, both have their flaws.
