Herbert A. Strong

The Syrian Goddess Herbert A. Strong,2017-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Lebanon Paul Doyle,2016-12 his new edition of Bradt's Lebanon remains the most comprehensive and detailed English-language guide available. In addition to its more in-depth coverage of essential background information such as history, culture and religion the guide has expanded treatment for the business traveller and prospective property buyer. Subjects such as the environment and responsible travel are given increased emphasis, and there is plenty of additional information for those interested in volunteering opportunities. The guide also caters for all types of travellers and budgets with extensive listings and reviews for accommodation and restaurants. There is also a new section on travelling with children. With a comprehensive language appendix covering both Arabic and French together with an expanded further reading section for this new edition, Bradt's Lebanon is an indispensable practical companion for use within the country and a useful work of reference for armchair travellers too. Although only half the size of Wales, Lebanon offers extraordinary diversity. Here, some of the oldest human settlements in the world at the Phoenician ports of Tyre, Sidon and Byblos sit alongside modern Beirut, popular for its cuisine, eclectic nightlife and mosaic of peoples. In Lebanon's second city, Tripoli, busy medieval souks are watched over by a vast Crusader castle. Outside the city, snow-capped mountains and the lush Qadisha Valley with its snaking river and waterfalls provide entertainment for skiers and hikers, while the Mediterranean Sea draws sun and watersports enthusiasts. Bradt's Lebanon provides detailed cultural and practical information to this increasingly popular destination. It also provides in-depth historical and religious background enabling visitors to travel with awareness and sensitivity.

The Shiites of Lebanon under Ottoman Rule, 1516–1788 Stefan Winter,2010-03-11 The Shiites of Lebanon under Ottoman Rule provides an original perspective on the history of the Shiites as a constituent of Lebanese society. Winter presents a history of the community before the 19th century, based primarily on Ottoman Turkish documents. From these, he examines how local Shiites were well integrated in the Ottoman system of rule, and that Lebanon as an autonomous entity only developed in the course of the 18th century through the marginalization and then violent elimination of the indigenous Shiite leaderships by an increasingly powerful Druze-Maronite emirate. As such the book recovers the Ottoman-era history of a group which has always been neglected in chronicle-based works, and in doing so, fundamentally calls into question the historic place within 'Lebanon' of what has today become the country's largest and most activist sectarian community.

El in the Ugaritic texts Marvin H. Pope,1955

The Ottoman Province of Damascus in the Sixteenth Century Muḥammad ʿAdnān Bakhīt,1982

Reader's Digest Natural Wonders of the World Richard L. Scheffel,1980 The alphabetical format takes the reader from the depths of Switzerland's Aar Gorge to the craggy summit of the Zugspitze, high in the Bavarian Alps.

Faiths of Man James George Roche Forlong,1906
