Prepper's Food Storage Julie Languille,2013-12-03 A guide to stockpiling an emergency food supply offers charts to calculate food needs for families of all sizes, identifies the best shelf-stable foods, provides instructions for dehydrating and canning, and discusses storage options.

Food Storage Stability Irwin A. Taub,R. Paul Singh,1997-12-29 Food Storage Stability addresses one of the foremost problems faced by food processors - how to stabilize food once it is harvested. Using a holistic approach, the book discusses the changes responsible for food quality deterioration and considers strategies for minimizing or eliminating these degradative changes. Topics include: consumer perceptions and preferences, cellular changes, conversion of major constituents to more stable products, the effect of color and texture, packaging issues, and practical strategies for storing foods frozen, chilled, or at ambient temperature. Food Storage Stability is the only treatment of this subject that covers the diverse factors that influence quality retention in foods and integrates basic concepts in storage stability with practical applications. Food scientists and technologists concerned with changes in food quality are interested in ensuring that safe and appealing food products reach consumers - this is the book that will assist them with that important goal.

Food Storage Made Easy Jodi Moore,Julie Weiss,2016-06-22 Food Storage Made Easy was founded on the principals of building up a year supply of food storage in simple babysteps. There are three components to the program: Checklists, Encyclopedia, and a Recipe Appendix. BABYSTEP CHECKLISTS: The Food Storage Made Easy Program starts with a series of checklists designed to be completed every two weeks, but you can go fast or slower as desired. Each checklist gives specific food storage or preparedness items to buy, to learn about, and to try. FOOD STORAGE ENCYCLOPEDIA The encyclopedia contains detailed information about every aspect of your food storage and emergency preparedness plans which we discuss in the checklists. If you are assigned to buy an item, you can be sure that there is an article about it in the encyclopedia. We want to make sure you have all of the information you need so that you understand what you are storing and how to use it instead of just buying a bunch of foods you can't cook. We help you know the different varieties of foods so you can choose ones that your family will enjoy and that meet the nutritional guidelines you are looking for. RECIPE APPENDIX With 60 recipes plus food storage equivalents and substitutions charts this recipe appendix is a complete resource on it's own. For every food we instruct you to buy we give you at least one recipe you can use so you don't have to feel nervous about storing new foods you've never used before. These are family-friendly, simple recipes that should work well for anyone!
