The United States Football League, 1982-1986 Paul Reeths,2017-04-03 One of the most ambitious (and short-lived) endeavors in professional sports history, the United States Football League was founded in 1982. Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans, the USFL gained national attention with broadcast and cable television contracts, controversial player signings, ownership battles and an unsuccessful billion-dollar lawsuit against the NFL. The USFL folded after four years yet represented the last major challenge to America's big four sports leagues--the NFL, the National Basketball Association, the National Hockey League and Major League Baseball. Based upon extensive research and interviews with owners, coaches, players and administrators, this book chronicles the league's formation, its three seasons of play and its long-term effects on pro sports.

Golden Panthers Sam Sciuolo Jr,2020-11-09 From 1973 through 1982, Pitt had one of the nation's most successful football programs, including a national championship in 1976. From 1976 through 1982, no team in college football won more games than the University of Pittsburgh Panthers. Pitt captured the 1976 national championship with a perfect 12-0 record, highlighted by the brilliance of Heisman Trophy winner Tony Dorsett. The memorable season capped one of the most stunning turnarounds in college football history. From 1964 through 1972, Pitt never had a winning season, and university officials had begun to consider the possible dissolution of the football program. But the hiring of coach Johnny Majors, fresh from an impressive revitalization of the program at Iowa State University, breathed life into Pitt's football fortunes. Majors brought with him a young, aggressive staff of assistant coaches, men whose contacts and experiences touched and reached recruiting regions Pitt had never harvested. Beginning in 1973, Pitt registered eleven consecutive winning seasons. Following the championship season, Majors returned to his native Tennessee, where he had been an All-America halfback during the 1950s. Jackie Sherrill, Majors' replacement at Pitt, continued the winning ways, registering five straight winning campaigns, including three straight 11-1 seasons from 1979 through 1981. Pitt's football program produced numerous All-Americans, first-round NFL draft choices and brought a level of sustained recognition to the university's football--recognition that it hasn't reached since.

Deprived Jimmy Grant,Sean Miskimins,2015-04-26 In 1982 the NFL season was halted for 57 days by a players strike. Although an abbreviated season was eventually completed, the fans were cheated out of a full schedule, great matchups, and a true post-season. Go back in time as we use statistical analysis, humor, and the musings of two young adolescents to replay the 1982 season. Through the eyes of youth, their relationships with family, and their boyhood idols we revisit the 1982 season that we were all deprived of.

1982 Brazil Stuart Horsfield,2020-10-26 1982 Brazil tells the story of football's most exhilarating and entertaining World Cup side. This scintillating Brazil team - blessed with Zico, Socrates, Falcao, Eder and Junior - lit up the 1982 World Cup with a brand of football that was 'futebol arte'. Playing to the accompaniment of a samba soundtrack from their supporters in the stands, the side scored 15 goals in five games and enchanted the world, but their dream fell apart in the Sarria Stadium against Italy. Even so, it was a match considered one of the greatest World Cup fixtures of all time and it changed the way the game was played forever. The Brazilian 1982 World Cup side have become a cast of mythical characters. Despite failing to reach the semi-finals, they made the football world hold its breath every time they stepped on the pitch. Told through the eyes of a young boy who fell in love with the men in yellow, and the memories of those who were there to witness Brazil's most glorious failure, 1982 Brazil is the definitive account of the greatest team never to win a World Cup.

When the Lions Roared Bill Contz,2017-09-01 The 1982 Penn State national championship team was not only one of Joe Paterno's best, it was one of the best teams college football has ever seen. In *When the Lions Roared*, Bill Contz, one of the squad's offensive tackles, details that special season and the experience of playing for a legendary coach. Featuring dozens of interviews with former players, this book provides anecdotes from the epic contests of that season while also proving statistically why this Nittany Lions team stands up against all of the talented teams that came before and after. Also featuring a foreword and reflections by Todd Blackledge, Penn State's 1982 starting quarterback, this is an essential read for Nittany Lions faithful.

The Road to Paradise Thom Wilder,2012-07-01 Just as the film Hoosiers captured the poignant spirit of Indiana high school basketball, The Road to Paradise tells the story of an unlikely and unexpected football champion - an unproven team without a football pedigree. Considered to be a team that could never seriously contend with the powerhouse schools from northern Indiana, the underdog 1982 Castle Knights of the tiny southern Indiana town of Paradise capped off a magical undefeated season with a championship that the experts in such matters said was impossible. The Road to Paradise is the story of that season and high school football in Indiana. It's the story of all that happened before and all that would happen after for a team, a school and a community at a crossroads. It's not so much a story about winning, but about refusing to lose. It's the recipe of how champions are made. Chicago-based writer Thom Wilder is a journalist, teacher and sports aficionado. He has been a published writer for the last quarter century, reporting on politics, business, law and government at the local, state and federal level for a variety of Chicago, national and international news organizations. Wilder grew up in the Castle High School feeder community of Chandler, Indiana, receiving a journalism degree from Indiana University and a law degree from Loyola University Chicago. Wilder began his journalism career at 15 when he joined the staff of his high school newspaper, The Lancer, and quickly became Sports Editor and Managing Editor, giving him a front row seat for the Castle Knights' march to their 1982 state championship. The Unbroken Line Billy Joe DuPree,2010-05-25 The Unbroken Line is the riveting story of how truly heartless the business of professional football was and is from the poor pension plans and inadequate medical benefits to the greed of union leadership which the authors argue takes advantage of and turns its back on the very individuals who make the game great. At no time in the annals of sports has the timing of a book been more important. This unique story provides a fascinating inside look at how a group of players and one attorney strategically outwitted the NFL and the Players Union leadership to score an historic and crucial victory for players rights. The year was 1982, a few courageous men stood up to their powerful administrative adversaries when no one else would during the most turbulent time in the history of professional football. What was at stake then and now again in 2010 is the players ability to earn salaries and benefits that are in line with their contributions to their teams. The authors, former Pro Bowl tight end Billy Joe DuPree and highly respected attorney Spencer Kopf, not only reveal the successful plan that began the end of player exploitation, but they also skillfully compare the peril players faced in 1982 to the heart wrenching situations of present-day, retired union members. Out of the Shadows Gary Jordan,2017-10-02 Out of the Shadows:The Story of the 1982 England World Cup Team is a detailed account of how the national side--World Cup winners in 1966--went through years in the football wilderness, missing two World Cup finals through inglorious failure. The appointment of Ron Greenwood as manager, replacing Don Revie who left unceremoniously in 1977, led to a change of fortune on the field as he restored faith among the fans--some of whom were themselves letting down the country off the field. During a tumultuous qualifying campaign that saw the manager resign on a plane journey home, only to be talked into staying by his players, the team rallied around and reached the finals in Spain. The gamble in taking two injured but hugely influential star players, Trevor Brooking and Kevin Keegan, almost paid off after they breezed through the early stages. Ultimately, the lack of firepower proved their undoing, despite a late rolling of the dice. They went out of the tournament unbeaten, but Out of the Shadows.
