Miss Aldridge Regrets Louise Hare,2023-02-14 “Super cinematic and every bit as Agatha Christie-esque as its sounds... if you like murder mysteries, pick this one up!” -Emily Henry, #1 New York Times bestselling author of Book Lovers Named A Most Anticipated Mystery of Summer by Batches, Essence, Crime Reads and more! The glittering RMS Queen Mary. A nightclub singer on the run. An aristocratic family with secrets worth killing for. London, 1936. Lena Aldridge wonders if life has passed her by. The dazzling theatre career she hoped for hasn't worked out. Instead, she's stuck singing in a sticky-floored basement club in Soho, and her married lover has just left her. But Lena has always had a complicated life, one shrouded in mystery as a mixed-race girl passing for white in a city unforgiving of her true racial heritage. She's feeling utterly hopeless until a stranger offers her the chance of a lifetime: a starring role on Broadway and a first-class ticket on the Queen Mary bound for New York. After a murder at the club, the timing couldn't be better, and Lena jumps at the chance to escape England. But death follows her onboard when an obscenely wealthy family draws her into their fold just as one among them is killed in a chillingly familiar way. As Lena navigates the Abernathy's increasingly bizarre family dynamic, she realizes that her greatest performance won't be for an audience, but for her life. With seductive glamor, simmering family drama, and dizzying twists, Louise Hare makes her beguiling US debut.

Business Buying Strategies Jonathan Jay,2019-11-18 If you're in business you probably have three challenges: You want to grow - but have hit a plateau. You want to reach your goals faster. You want to do this with less stress and hassle... Buying a business can solve all three of these problems: You can grow your business in leaps and bounds by acquiring similar businesses, competitors or your supply chain. You can literally double your annual sales in twelve weeks. You will get where you want to go faster - in months rather than years. You will do this with less stress as others will manage the business for you. This book will help you shift from thinking like an 'operator' to thinking like a 'dealmaker'. As a result you will have a larger, more profitable business which can be sold for more money, faster. JONATHAN JAY is an experienced dealmaker, buying and selling businesses for over twenty years. Dealmaking transformed Jonathan from a business 'operator' working long hours for little reward, to a multimillionaire. He is still actively investing and coaches and mentors others to do the same. I have just completed The Dealmakers Academy Mastermind Programme with Jonathan Jay. This has been a fast-paced year of exponential group learning, ably led by Jonathan, a seasoned authority in the buying and selling of businesses in a variety of different sectors. His facilitation and delivery of the programme has been eloquent and effusive and he has generously shared his 'secret sauce' for nimbly and ethically negotiating and constructing business deals with very little money down! I highly recommend Jonathan and this programme to anyone who wants to take business entrepreneurship to the next level! I very much look forward to working with Jonathan in the future! The Wisdom of Crowds James Surowiecki,2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Once Upon A Crime Nolon King,2022-01-06 Once upon a time, the Grimms' fairy tales taught lessons. Now, the Grimm Reaper does. New detective Chelsea Sullivan is

partnered with a maverick famous for closing cases and infamous for how he does it. He has a target on his back and a chip on his shoulder. Not exactly how she hoped to kick off her first homicide case. Jim McPherson doesn't mind showing an up-and-comer the ropes, but he does mind when she keeps putting herself in harm's way. Especially since her innocence is exactly the trait the serial killer seems to be targeting. Unless they're missing a crucial detail. And he can't help but think his new partner knows what it is. The body count is rising and the Grimm Reaper is after Chelsea. If they can't catch him before he catches her, there will be no happily ever after. Once Upon A Crime is the first book in Nolon King's new Once Upon A Crime Trilogy. Start reading your favorite new series today!
