

From Seoul To You

United States. Comptroller of the Treasury

If I Had Your Face Frances Cha, 2020-04-21 A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania “Powerful and provocative . . . a novel about female strength, spirit, resilience—and the solace that friendship can sometimes provide.”—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Esquire • Bustle • BBC • New York Post • InStyle Kyuri is an achingly beautiful woman with a hard-won job at a Seoul “room salon,” an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri’s roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship with the heir to one of the country’s biggest conglomerates. Down the hall in their building lives Ara, a hairstylist whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wonna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea’s brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them.

Seoul Book of Everything Tim Lehnert, 2019-07-31 Everything you wanted to know about Seoul and were going to ask anyway. From ancient royal palaces,

all-night markets, quaint alleyways and the Han River, to a space-age airport, the mammoth COEX mall and exhibition space and Lotte World, the planet's largest indoor theme park, no city combines the traditional and the contemporary quite like Seoul. Local experts weigh in on one of the world's leading cities. The head of the Seoul Literary Society lists his top reads, an economist explains the miracle on the Han, the director of the National Museum highlights Korean cultural treasures, a prominent restaurant critic details Korean food essentials, a veteran diplomat discusses the changing face of Seoul, and a culture and history expert picks Seoul's most beautiful mountains. From the DMZ and the North-South divide to upscale shopping and the Korean Wave in film, television, style and music, to navigating local dining, linguistic and cultural practices and the city's neighborhoods, festivals, subway and climate, the Seoul Book of Everything captures the essence of an innovative and always evolving metropolis. Whether you live in Seoul or are visiting for the first time, there simply is no more comprehensive book about the city. If you want the insider's take on what makes the city tick, you'll love the Seoul Book of Everything!

Without You, There Is No Us Suki Kim, 2014-10-14 A haunting account of teaching English to the sons of North Korea's ruling class during the last six months of Kim Jong-il's reign Every day, three times a day, the students march in two straight lines, singing praises to Kim Jong-il and North Korea: Without you, there is no motherland. Without you, there is no us. It is a chilling scene, but gradually Suki Kim, too, learns the tune and, without noticing, begins to hum it. It is 2011, and all universities in North Korea have been shut down for an entire year, the students sent to construction fields—except for the 270 students at the all-male Pyongyang University of

Science and Technology (PUST), a walled compound where portraits of Kim Il-sung and Kim Jong-il look on impassively from the walls of every room, and where Suki has gone undercover as a missionary and a teacher. Over the next six months, she will eat three meals a day with her young charges and struggle to teach them English, all under the watchful eye of the regime. Life at PUST is lonely and claustrophobic, especially for Suki, whose letters are read by censors and who must hide her notes and photographs not only from her minders but from her colleagues—evangelical Christian missionaries who don't know or choose to ignore that Suki doesn't share their faith. As the weeks pass, she is mystified by how easily her students lie, unnerved by their obedience to the regime. At the same time, they offer Suki tantalizing glimpses of their private selves—their boyish enthusiasm, their eagerness to please, the flashes of curiosity that have not yet been extinguished. She in turn begins to hint at the existence of a world beyond their own—at such exotic activities as surfing the Internet or traveling freely and, more dangerously, at electoral democracy and other ideas forbidden in a country where defectors risk torture and execution. But when Kim Jong-il dies, and the boys she has come to love appear devastated, she wonders whether the gulf between her world and theirs can ever be bridged. Without You, There Is No Us offers a moving and incalculably rare glimpse of life in the world's most unknowable country, and at the privileged young men she calls soldiers and slaves.

Soul in Seoul Crystal S. Anderson, 2020-08-25 K-pop (Korean popular music) reigns as one of the most popular music genres in the world today, a phenomenon that appeals to listeners of all ages and nationalities. In Soul in Seoul: African American Popular Music and K-pop, Crystal S. Anderson

examines the most important and often overlooked aspect of K-pop: the music itself. She demonstrates how contemporary K-pop references and incorporates musical and performative elements of African American popular music culture as well as the ways that fans outside of Korea understand these references. K-pop emerged in the 1990s with immediate global aspirations, combining musical elements from Korean and foreign cultures, particularly rhythm and blues genres of black American popular music. Korean solo artists and groups borrow from and cite instrumentation and vocals of R&B genres, especially hip-hop. They also enhance the R&B tradition by utilizing Korean musical strategies. These musical citational practices are deemed authentic by global fans who function as part of K-pop's music press and promotional apparatus. K-pop artists also cite elements of African American performance in Korean music videos. These disrupt stereotyped representations of Asian and African American performers. Through this process K-pop has arguably become a branch of a global R&B tradition. Anderson argues that Korean pop groups participate in that tradition through cultural work that enacts a global form of crossover and by maintaining forms of authenticity that cannot be faked, and furthermore propel the R&B tradition beyond the black-white binary.

48 Daytrip Destinations From Seoul Chris Backe, 2020-01-04 Save time and energy, and find what's worthy in South Korea! Worthy Go guidebooks are your guide to the best places to enjoy in South Korea. See South Korea with an experienced travel writer by your side! Whether this is your first time abroad or you've been traveling for years, Worthy Go guidebooks have three goals: Make the most of your time, money, and energy while traveling Help you go your own way but still provide some guidance Curate the very best places to enjoy in the country - and all a daytrip from Seoul This guidebook has

been completely updated for 2020, and includes: No affiliate links, no ads, no fluff, and no BS. Some of South Korea's well-known and off-the-beaten-path places. Detailed, step-by-step directions to reach every place in the book. Succinct descriptions, exact addresses, and GPS coordinates for every place. First-hand knowledge and advice: where to stay, what to bring, safety and scams, warnings, and more. All the basics you'll need to know: do you tip? Can you drink the tap water? What SIM card should you get? What public transportation tickets do you need? Advice on being a considerate, respectful, and sensitive traveler. Guidebooks are carefully formatted to display well on any device, and links take you to Google Maps (internet connection required). About the author: Chris Backe (rhymes with hockey) has written about travel since 2008 and has been around the world a couple of times. He's written over 30 books, and has been seen in Atlas Obscura, io9, Mental Floss, Everything Everywhere, Perceptive Travel, Travel Wire Asia, and many other publications. When not traveling, he loves tabletop games and a glass of white wine.

Korean Basic Course Bong Nam Park, 1968

Sustained by Love thru the Wars Hi Dong Chai, 2023-02-09 I hate war. War kills. War maims. War orphans. And it leaves a deep scar not only on the land that will take years to heal, but also in the hearts of those who are affected by the war. I am one of those who carry a deep emotional wound to this day, more than sixty years later. During World War II under Japan, my father was imprisoned because he was a Christian minister who refused to bow down to the picture of the Japanese emperor. My elder brother volunteered to

join the Japanese military in the hope of having his father released from prison. He left home as a vibrant, fifteen-year-old boy and returned home as a worn-out, injured, eighteen-year-old man after the war; he died a year later. During the Korean War, two North Korean officers came to my house and took my father away because he was a Christian minister. He never returned. Sustained by Love thru the Wars is a story of love, sacrifice, faith, and suffering, all wrapped in one package. The heroine in the story is my mother as seen by her youngest son. Mother prayed without ceasing. Through her unceasing prayers, she was able to walk through the dark tunnel of trials and tribulations and lead us onward with love, grace, and absolute faith in God.

Seoul City Subway Tour Fandom Media, 2016-04-22 Hello fellow traveler! Congratulations on choosing Seoul as your next destination where you can enjoy one of the best subway (or metro, depending on where you come from) systems in the world, rated by CNN and Jalopnik (some name-dropping right here). What makes Seoul's subway stand out? Maybe it is the cutting-edge technology like 4G LTE, WiFi, DMB, WiBro you can use while riding on it, but 11 million people who visited Korea last year (2015) can agree that: -It is punctual, safe, and so well-connected to cover every corner of the city. You can go anywhere you want, just by taking the subway alone. -It is very affordable (dirt cheap)! So we have created this unique travel guide so you can visit Seoul's top attractions just by taking the subway alone! This is something never done by any other travel guides before. In this book, you will find -Step-by-step guide to taking the subway, from getting your own subway card to making transfers. -Complete details of the subway system, including fares and characteristics of each line. Now the fun part: -More than 60 of Seoul's top attractions sorted by subway lines and stations (both

English and Korean, along with how to say it). They are all within walking distance (under 2km or 1.2miles) from the moment you exit. -Pictures with complete details of the attractions including address, home page, and history/background information, as well as thorough turn-by-turn directions. -Our unbiased review of the places, and an intuitive 7-star rating system. - Tour routes by theme - we analyzed the best possible routes to make sure that you save time and not miss any of those essential spots. We included how much time it takes, when to get on/off, and make a transfer. Whether you have already been to Korea or it is your first time visiting, this guide will add a whole new dimension of traveling (I bet a lot of local Koreans don't know about many of the places we included here). So, what are you waiting for? Get your backpack and let's get on the train! *This title is enrolled in Kindle MatchBook - if you purchase a print copy of this book, you get an ebook version for free*

Seoul Book of Everything Tim Lehnert, 2014-04-01 Your key to the South Korean city's neighborhoods, green spaces, and urban design, as well as its history, museums, pop culture, shopping, and more. From ancient royal palaces and Korean traditional houses to all-night markets, N Seoul Tower, and the club scene, no city combines the ancient and the contemporary quite like Seoul. Local experts weigh in on one of the world's most dynamic cities, including contributions from Robert Neff, Tracey Stark, Daniel Gray, Kim Young-sook, Joel Levin, Michael J. Meyers, and Mary Crowe. A comedian details the five things you must bring to Korea, a food writer picks five favorite restaurants, and a prominent meteorologist provides the low-down on Seoul's climate. You'll also find insider takes on local mountains and ghosts, as well as movies, tea houses, night spots, the economy, cultural treasures,

essential reads, Buddhist shrines, and Seoul's amazing postwar evolution. From the DMZ, the Han River, and Cheonggyecheon Stream to navigating local dining, linguistics, and cultural practices, this completely updated reference will become your go-to book on the "Land of the Morning Calm."

The Real Round-the-world Pocket Guide-book ... William Harman Black, 1915

The Rough Guide to Korea Norbert Paxton, 2008-08 Make the most of your time with The Rough Guide to Korea, the ultimate guide to this stunning region. Covering both North & South Korea, the full-colour section introduces the countries highlights, from the shrines, temples and palaces of Seoul to the broad stretches of paddy field in the Chungcheong provinces. With informed accounts and unparalleled coverage, clue-up on all the top sights from the small coastal towns and remote forested mountains of Eastern Korea to the rich rice fields of Korea's South Western area with coverage all the islands, from Jeju Island to Ulleungdo. The guide takes a detailed look at Korean history, culture and wildlife with expert background on everything from Korean cuisine to hiking South Korea's national parks to taking a tour in North Korea. There are plenty of practical tips and information on all the best accommodation, transportation, including visiting North Korea from South, and lively reviews of hundreds of shops, restaurants, bars and clubs. Discover every corner of Korea with the clearest maps of any guide.
