**Summary of Zak George & Dina Roth Port's Zak George's Guide to a Well-Behaved Dog** Everest Media, 2022-04-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 There are ten fundamental concepts for training dogs, no matter what you're teaching them to do. Make sure you address these concepts first before moving on to more complex issues. #2 The most important aspect of training your dog is establishing a strong bond with him. This takes time, so be patient and understanding with your dog. If you can get your dog playing with you, you will be on the right track toward building a tight bond. #3 To build a strong relationship with your dog, you must be a good pet parent in other ways. Feeding your dog healthy food, making sure he gets plenty of water, taking him for regular vet visits, and giving him basic affection are critical. #4 When developing your training strategy, consider your dog's energy level and individual personality. Understanding your dog's energy level can help you get to the root of why she might be having behavioral issues.

**Summary of Ian Mortimer's The Time Traveler's Guide to Elizabethan England** Everest Media, 2022-04-04T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Different societies see landscapes differently. For example, an Elizabethan traveler would describe his homeland in terms of cities, towns, ports, great houses, bridges and roads. A contemporary description will mention overcrowding and the problems of population expansion. #2 The Elizabethan landscape is different from the landscape that you see today. It is vast and open, with small houses and fields, and it was not until the late 1590s that people started to use the term landscape to describe a view. #3 Stratford-upon-Avon is located in the heart of England, about ninety-four miles north-west of London. The town was planned in the twelfth century, and most of the buildings are medieval. The most prestigious house in the town is New Place, built by Sir Hugh Clopton. #4 The town of Stratford was planned in the Middle Ages, and has wide streets that allow plenty of light to enter the front parlours and workshops of the market traders.
