Here are some great ideas for engaging your pet in healthy play, including make-your-own-props and accessories as well as creative ways to use manufactured toys that will give your cat all the exercise they need. Expert tips explain your cat's behaviour, show you how to coax a cautious cat into play without coercion, and reveal how to gently wind down an over-excited cat. Read, learn and indulge your cat with a daily play session that you'll both love.

How to earn trust:- When should I give my cat their space, and let them come to me? - Why does yelling, hissing and hitting never work? - Why does my cat always gravitate to that one guest who doesn't like cats?Like many skills, the art of cat play doesn't require a degree - just a little time and patience. Ultimately a good play session will become bonding time between you and your feline companion. Not to mention, you will find yourself having just as much fun as your cat.
