Mahatma Gandhi,1989

Mahatma Gandhi and His Apostles Ved Mehta,1993-01-01

Millions of words have been written about Mahatma Gandhi, yet he remains an elusive figure, an abstraction to the Western mind. In this book Ved Mehta brings Gandhi to life in all his holiness and humanness, shedding light on his principles and his purposes, his ideas and his actions. Through interviewing disciples of Gandhi in five countries, Mehta reconstructs in precise detail Gandhi's daily routine, recounts the story of his life, and presents the beliefs and practices of his apostles. Mehta's book, widely praised when it was first published in 1977, is a biographical portrait of Gandhi.

Mahatma & the Monkeys Anuradha Kumar,2012-03-12

Mahatma Gandhi never said, “What can I do, I’m only one person.” Instead he said, “In a gentle way, you can shake the world”. And he did. The Mahatma and the Monkeys brings together the most interesting incidents that shaped Gandhiji’s life and his most important sayings. From his quest for truth, non-

violence, equality and freedom, from the lessons he learned, and from his powerful words, every young reader can learn to be a little bit like Gandhiji. Through what he did and what he said Gandhiji inspired millions of Indians and made one of the mightiest empires in the world bow down to his dream: freedom for India. That's what made him an uncommon man and the greatest leader of the millennium. And that's why, even decades after his death, his work and his words matter in today's world. This book introduces Mahatma Gandhi to the young reader and, through anecdotes from the leader's life, helps him or her understand the guiding principles of Gandhiji's life and what he stood for. It also offers a carefully selected collection of Gandhiji's quotable quotes for personal inspiration, or use in essays and speeches at school.

The Good Boatman Rajmohan Gandhi, 1997 A new and illuminating portrait of one of the greatest figures of the twentieth century. Mohandas Karamchand Gandhi has been the subject of over a dozen well-regarded biographies, yet key aspects of the man still prove elusive. In this book, Rajmohan Gandhi, a grandson of Mahatma Gandhi and an acclaimed biographer and scholar, attempts to understand the phenomenon that was Gandhi. This he does by examining in detail dominant and varied themes of

Gandhi's life his unsuccessful bid to keep India united, his attitude towards caste and untouchability; his relationship with those whose empire he challenged; his controversial experiments with chastity; his views on God, truth and non-violence; and his selection of heirs to lead a new-born nation. For a generation growing up on images of a simplified Father of the Nation and apostle of non-violence frozen in statues or reduced to a few predictable strokes of an artist's pen, this biography offers a rewarding insight into the man, his victories and his defeats.

EPIGRAMS FROM GANDHIJI S.R. TIKEKAR, 2021-01-01

EPIGRAMS FROM GANDHIJI by S.R. TIKEKAR: In this poignant collection, S.R. Tikekar presents a compilation of epigrams and sayings from Mahatma Gandhi, one of the most revered leaders and thinkers of the 20th century. Through these concise and insightful statements, readers gain glimpses of Gandhi's wisdom, philosophy, and dedication to truth and non-violence. **Key Aspects of the Book EPIGRAMS FROM GANDHIJI: Gandhi's Wisdom:** Tikekar showcases Gandhi's profound wisdom and ethical principles through his thought-provoking epigrams. **Non-Violence and Truth:** The book highlights Gandhi's unwavering commitment to the principles of non-violence and truth, which became the

cornerstone of his philosophy and activism. Inspiration and Reflection: Each epigram serves as a source of inspiration and encourages readers to reflect on their actions and values. S.R. Tikekar (dates unavailable) was a scholar and writer, known for his efforts in compiling and disseminating the teachings and thoughts of Mahatma Gandhi. Through EPIGRAMS FROM GANDHIJI, Tikekar honors Gandhi's legacy and provides readers with a condensed and impactful glimpse into the wisdom of the great leader.

Gandhiji G.V.NARAYAN MURTI, Litent, 2014-01-01 Spiritual and Inspirational Biography.

The Mind of Mahatma Gandhi Mahatma Gandhi, 1967 The Mind of Mahatma Gandhi I hope this book will be an essential help for understanding Gandhiji's mind to those who are striving to establish Sarvodaya and are searching for Truth - Acharya Vinoba Bhave. The mind of Mahatma Gandhi presents to the reader the quintessence of Gandhiji's thought and philosophy. The proofs of the original edition were submitted to Gandhiji in 1944, and were read by him. A committee which he had appointed to scrutinize the compilation expressed the opinion that it would constitute a new Gita, a new Bible. The book came out, with Gandhiji's approval, in

March 1945. A second edition became necessary in October 1946. Reviewers and critics were unanimous in their appreciation of the book. It was included in all selective Gandhi bibliographies, and cited and quoted in numerous important books on Gandhiji since published. It has become an authoritative source book. The UNESCO sponsored publication: All men are Brothers (1958) drew a substantial part of its material from The Mind of Mahatma Gandhi. Translations of the book have appeared in Indian languages Mahatma Manorama (1947 and 1952), in Kannada, by R.R. Diwaker; Gandhijinche Manas (1949), in Marathi by Annasaheb Sahasrabuddhe and Madhav Purshottam Limaye, and Manas-theertha (1958), in Konkani, by Ramachandra Narayan Nayak

At The Feet of Mahatma Gandhi Dr. Rajendra

Prasad, 2015-01-01 I have sometimes felt that Mahatma Gandhi is a modern replica in human form of the sacred Ganga. Descending from heavenly heights like our seers and prophets; rishis and munis; of yore; he has delivered his life-giving message; not only helping us in our material well-being by showing us the way to political independence; social justice and economic prosperity; but also to catch a glimpse of the moral and spiritual heights and to

climb at least a few steps in the long and arduous course leading to those heights. Even so will Mahatma Gandhi's message of Love and Truth; Ahimsa and Satya bear fruit only for those who will follow his straight and narrow path and regulate their lives according to his strict and strenuous regimen; and give ultimate material prosperity only to those who order and fashion their affairs in conformity with his policy and programme. –From this book Beautiful tribute to the Father of the Nation Mahatma Gandhi by one of the greatest sons of motherland Bharat which brings to light all the characteristics which made Mohandas Karamchand Gandhi– the Mahatma.

Politico-Economic Ideas Of Mahatma Gandhi: Their Relevance In The Present Day Sukhendu Mazumder,2004 This Book Makes An In-Depth Study Of Mahatma Gandhi`S Politico-Economic Ideas And Their Relevance In Present Circumstances. Analysing Gandhi`S Three Cardinal Concepts-Varna Dharma, Trusteeship And Decentralization, It Reviews His Views On Labour, Capital And Agrarian Reorganization.

Reminiscences of Gandhiji Chandrashanker Shukla,1951

Gandhi: Selected Political Writings Mahatma Gandhi,Dennis Dalton,1996-01-01 Based on the complete edition of his works, this

new volume presents Gandhi's most important political writings arranged around the two central themes of his political teachings: satyagraha (the power of non-violence) and swaraj (freedom). Dennis Dalton's general Introduction and headnotes highlight the life of Gandhi, set the readings in historical context, and provide insight into the conceptual framework of Gandhi's political theory. Included are bibliography, glossary, and index.

Gandhi Sudhir Chandra, 2016-12-01 For a man who made such a powerful intervention in the history of the 20th century, many of Mahatma Gandhi's ideas were misunderstood or obfuscated during his lifetime. This book draws our attention to Gandhi's last years, particularly the marked change in his understanding of the acceptance of non-violence by Indians. It points to a startling discovery Gandhi made in the years preceding India's Independence and Partition: the struggle for freedom which he had all along believed to be non-violent was in fact not so. He realised that there was a causal relationship between the path of illusory ahimsa which had held sway during the freedom struggle and the violence that erupted thereafter during Partition. Calling for a serious rethink on the very nature and foundation of modern India, this book throws new light on Gandhian philosophy and its

far-reaching implications for the world today. It will interest not only scholars and researchers of modern Indian history, politics, and philosophy but also lay readers.

Mahatma Gandhi the Known and the Unknown M. L.

George,2021-05-19 About the book: Why I venture to write a book on Gandhiji when tons of pulp have already been used up by authors across the glob? I would like to justify to be an inner urge or rather an instinct to communicate what has been communicated. This year being Gandhiji's 150th birth anniversary, I decided to undertake a pilgrimage to his birth place, Porbandar and to his ancestral house, presently known as Kirti Mandir. Then this idea flashed across my mind. Jesus Christ has been my soul force. So was he to Gandhiji as well. I prefer to think, this is the connecting link with me and Gandhiji.

Gandhiji Hirendranath Mukerjee,1960

Gandhi and Indian Freedom Struggle Mazhar Kibriya,1999

Gandhiji's Correspondence with the Government Mahatma Gandhi,1945

I Am, the Father of the Nation Sabita Paintal,2013-04 Should we wait for another Mahatma Gandhi to be born and guide the nation to the right track to follow, or should we develop our mental

ability to understand his ideology and create harmony in the world? I am in favor of the second option, but the decision is personal. I have visited many places in India and visualized that there is an urgent need to reopen the pages of the history of the independence of India as the new generation has lost track. There is a need to reawake the people with the sacrifices of our great revolutionary leaders. Among them, the priority is on one name, that is Gandhiji, the Father of the Nation, and if the people are ignorant and innocent about his sacrifices for his country, then I feel that we should not to be humiliated but should revive his whole ideology in a simple form for the common people and others to understand it thoroughly. It is a matter of pride that Gandhiji became successful with his firm and fearless attitudes, cooperation of the masses, and with his ideology of nonviolence and truthfulness, which was highly praised throughout the world. I am, The Father Of The Nation is a book to provide us strength for fearless attitudes, firmness toward our hidden qualities, appreciation toward truthfulness, love for our country, praises for our own culture, positive attitude toward humanity, and above all, the right decisions at the right time. All the chapters in the novel cover the above statements positively and proved that there is no

need to wait for another Gandhi to be born again if we are on the track of Mahatma Gandhi's ideology. I have elaborated each chapter of the novel with the theories of Gandhiji and related it with the stories of the common people. By this hope that not only will people find the book interesting but it will leave an everlasting impact on the personalities of the readers.

Indian Critiques of Gandhi Harold Coward, 2012-02-01 Through examinations of Gandhi's critics, both individuals and groups, this book shows the complexity of Indian society and opinion at the time of the Indian Independence Movement. Although Gandhi has been the subject of hundreds of books and an Oscar-winning film, there has been no sustained study of his engagement with major figures in the Indian Independence Movement who were often his critics from 1920–1948. This book fills that gap by examining the strengths and weaknesses of Gandhi's contribution to India as evidenced in the letters, speeches, and newspaper articles focused on the dialogue/debate between Gandhi and Jawaharlal Nehru, Rabindranath Tagore, Sri Aurobindo, Bhim Rao Ambedkar, Annie Besant, and C. F. Andrews. The book also covers key groups within India that Gandhi sought to incorporate into his Independence Movement—the Hindu Right, Muslims, Christians,

and Sikhs—and analyzes Gandhi’s ambiguous stance regarding the Hindi-Urdu question and its impact on the Independence struggle. Harold Coward is Emeritus Professor of History and Fellow at the Centre for Studies in Religion and Society at the University of Victoria. He is the author or editor of many books, including most recently *Yoga and Psychology: Language, Memory, and Mysticism*, also published by SUNY Press.

A Guide to Health Mahatma Gandhi, 1923-01-01 As the familiar saying goes; ‘Prevention is better than cure.’ It is far easier and safer to prevent illness by the observance of the laws of health than to set about curing the illness which has been brought on by our own ignorance and carelessness. Hence it is the duty of all thoughtful men to understand aright the laws of health; and the object of this book is to give an account of these laws. The best methods of cure for some of the most common diseases are also mentioned. The author Mahatma Gandhi assures the readers that there is absolutely no necessity for them to seek the aid of doctors. To those; however; who may not be willing to boycott doctors and medicines altogether; he directs; “As possible; possess your souls in patience; and do not trouble the doctors. In case you are forced at length to call in the aid of a doctor; be sure to get a good man;

then; follow his directions strictly; and do not call in another doctor; unless by his own advice. But remember; above all; that the curing of your disease does not rest ultimately in the hands of any doctor.” Mahatma Gandhi led a disciplined life and in this book he has discussed in detail the meaning of health; how to live a healthy life and has also suggested some simple treatments for common ailments. A practical guide to health for all.

The Top Books of the Year Gandhiji The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Gandhiji : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who

defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good

time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
