German Dialogues for Beginners: 150 Authentic Dialogues

Philipp Eich, 2020-05-15 Are you having trouble with understanding native German speakers? Do you feel like you can understand the words but fail to grasp the meaning of the whole sentence? Or are you unable to have a conversation because formulating sentences takes way too long? If you answered one of these questions with yes, then this book is for you! Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural German conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted dialogues that will easily cut you months of struggling to learn German. There will no longer be a struggle. Moving to Germany just to learn German is not a solution. That's why my book brings Germany to you. It brings conversations to you. Learning German with my dialogues will grab your mind into believing that you will actually live into German conversations. When you're reading a dialogue, you feel like you're there. The same concept applies to learning German with dialogues. About my German Dialogues for Beginners book: It contains 150 dialogues about everyday situations. Every dialogue is followed by multiple choice questions and key vocabulary. The more you read, the easier your brain will automatically get used to the German language (isn't that easily

beautiful?) It includes more than 600 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) It has been written by a native German speaker and allows you to understand how native Germans really speak The Benefits of using my book: Easily learn German with dialogues Feel at ease when reading & learning with the flow of the dialogues No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Learn REAL German right from the beginning Once you learn, you NEVER forget Do not hesitate and grab your copy of German Dialogues for Beginners now!

Conversational German Dialogues For Beginners And Intermediate Students Academy Der Sprachclub, 2019-09-22 Is your objective to learn conversations in German? Would you like to learn typical expressions and language spoken in Germany? If your answer to any of the previous questions is YES, then this book is your perfect companion! Most language learners realize quickly the importance of finding ways to communicate with other people in their native tongue. Deutsches Echo James H. Worman, 2018-03-25 Excerpt from *Deutsches Echo: The German Echo, or Dialogues to Teach German Conversation; With an Adequate Vocabulary Work Which shall enable them to learn here at home the conversational language of Germany. This the Eono, in the main a reprint of the german Eono by Wolfram, aims to supply. It is designed to furnish the learner with an extensive vocabulary of words and expressions in common use; to free him from the embarrassments Which the peculiarities of his own tongue are likely to be to 'him; to make him thoroughly familiar with the use of proper idioms in short, to provide him With the material for intelligent, correct and varied conversation, and to enable the learner also to understand the language as spoken, one of the greatest difficulties to be encountered in the practical use of a foreign language. The method here adopted differs greatly from that generally developed in the conversational books. It teaches the learner not to translate his thoughts but to think in the language which he is to speak. He is carried, as it were, into the very midst of the scenes of actual life, and is taught to sustain his share in the interchange of social talk. -at the same time, he learns much of the manners and customs of the country whose language he is seeking to master, and is thus not only enlarging his familiarity with the language, but also with the people themselves. As to the most advantageous use of the book, we can do no better than give the motto which Prendergast has adopted for his mastery series. *Gutta cavat lapidem non vi sed scrape cadendo* (the drop hollows the stone, not by force, but by the frequency of its fall). khilafat movement
pan islamic force in
india that arose in
1919 in an effort to
salvage the ottoman
caliph as a symbol
of unity among
muslims in india
during the period of
british rule the
movement was
initially bolstered
by gandhi s
noncooperation
movement but fell
apart after the
abolition of the
caliphate in 1924
