Santorini Sean Sheehan, Mike Gerrard, 2012-03-01 Thomas Cook's 'Santorino' pinpoints every destination's most entertaining highlights, showing the visitor what to see and do in a limited timescale. It features the best beaches, activities and attractions, as well as providing ideas for low-budget entertaining.

Santorini Denis Roubien, 2019-01-31 You want to discover the cultural treasures of the Greek islands in a guided tour? This is the book for you!(look also for the colour edition) This book is a travel story describing, through a large number of black and white photos, a hiking tour in one of the most famous and yet not really discovered islands of Greece. Internationally known for its exceptional landscape, an outcome of its volcano, Santorini also boasts a wealth of cultural treasures, often eclipsed by the famous caldera and the sunset at Oia and remaining unknown to the wide public. This book endeavours to cover this omission and give a glimpse of this cultural richness to the visitor who desires to discover it. Among other things, it presents some of the best preserved fortified medieval settlements of the Aegean, churches with an inexplicable exotic decoration, picturesque chapels, dwellings dug in the volcanic soil in remote villages remaining unspoilt by tourism and one of the best preserved prehistoric cities in the world, known as the Greek Pompeii.
