Six Glorious Epochs of Indian History Veer Savarkar,2020-01-01 Six Glorious Epochs of Indian History is a learning experience which covers the period of Muslim invasions in India and brave retaliation by the natives. No less was the struggle of Indian manes against British rule and for freedom and liberation of the mother country. The author's tribute to the martyrs and his letters to dear ones from Andamans, miscellaneous statements and writings are also included in this book. The first four epochs are covered in only hundred plus pages while the last two epochs span almost four hundred plus pages, signifying the importance that the author gave to this period. So far we have been given the picture of British rule, the history and politics in India by foreign and leftist writers, but in this book Veer Savarkar makes us look at the country's history and politics from the Bharatiya perspective. Not only does he analyse the mistakes committed by Hindus since the time of Alexander's invasion till the British rule, he tries to enlighten our minds with the prevalent situation in his time. All that he himself learnt from history, he tries to correct through this book of his.

The Glory of Nepal Narendrarāja Prasāī,2003 Biography of a Nepali author; translated from Nepali.

Imagining Asia(s) Andrea Acri,Kashshaf Ghani,Murari K Jha,Sraman Mukherjee,2019-10-23 As a continent lying to the east of Europe, Asia has been malleable to different spatial and temporal imaginations and politics. Recent scholarship has highlighted how the seemingly self-contained regional configurations of West and Central Asia, South and Southeast Asia, and East Asia carved by the Area Studies paradigm reflect changing (geo)political and economic interests than historical or cultural roots. This volume advances the question as to what Asia is, and as to whether there existed one or many Asia(s). It seeks to explore Asian societies as interconnected formations through trajectories/networks of circulation of people, ideas, and objects in the *longue durée*. Moving beyond the divides of Area Studies scholarship and the arbitrary borders set by late colonial empires and the rise of post-colonial nation-states, this volume maps critically the configuration of contact zones in which mobile bodies, minds, and cultures interact to foster new images, identities, and imaginations of Asia.

Glorious Puzzle Mary Auch,2019-10-15 Your loss and brokenness could turn into a doorway of discovering how much the sovereign God cares about you. That's exactly what Mary experienced in grief when her youngest son died as a result of injuries from a car accident. The tragedy led her to review God's actions in her life in prior experiences, which enabled her to trust in His demonstration of lovingkindness in the grief the family and community experienced. God is the divine Puzzle Maker, putting the pieces of our lives in place, one by one. He is a sovereign God who has the power to plan our lives for His glorious purpose. As we look for evidences of His care and tenderness in very difficult experiences of life as well in the good times, we are drawn in a close love relationship to this awesome God. Grief and loss can be an opportunity to draw us nearer to God. *Glorious Puzzle* is the account of Mary learning to trust and love God deeply through her experiences of infertility, miscarriage, adoption of a special needs child, career changes, the mental illness and incarceration of her oldest son and the death of her youngest son. Her account challenges us to open our eyes to see God's hand at work in our hard times and then give Him the honor and praise. It is a story of putting Proverbs 3:5 & 6 into action in everyday life and in times of trial. As God is acknowledged, He frees us to experience joy, draw near to Him, and feel His awesome love for us, and we can respond in grateful service. "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths." (ESV)

Federation of Himalayan Kingdoms Awadhesh C. Sinha,2022-11-29 This book traces the history and politics of the Greater Nepal movement. It looks at major events in modern South Asia, in and around the Eastern Himalaya region in particular – colonialism, independence and partition, the Chinese aggression in Tibet, formation of Bangladesh, and the merger of Sikkim with India, among others – which deeply affected the nature of democratic movements in Nepal. The volume also studies the role of the monarchy, the demand for Gorkhaland, and the rise of Maoist movements. Further, it sheds light on political participation encompassing Nepalese functionaries, the many political parties, intellectuals and responsible public figures, and the differential influence that these variegated groups had on the movement. Finally, it reassesses the idea of Greater Nepal and offers a critical commentary on its future. The volume will be of great interest to scholars and researchers of international relations, modern history, sociology and social anthropology, politics, South Asian studies, and area studies – especially Nepal and Himalayan studies – as well as policy makers and government think tanks.

China's India War Bertil Lintner,2018-01-25 The Sino-Indian War of 1962 delivered a crushing defeat to India: not only did the country suffer a loss of lives and a heavy blow to its pride, the world began to see India as the provocateur of the war, with China 'merely defending' its territory. This perception that China was largely the innocent victim of Nehru's hostile policies was put forth by journalist Neville Maxwell in his book *India's China War*, which found readers in many opinion makers, including Henry Kissinger and Richard Nixon. For far too long, Maxwell's narrative, which sees India as the aggressor and China as the victim, has held court. Nearly 50 years after Maxwell's book, Bertil Lintner's *China's India War* puts the 'border dispute' into its rightful perspective. Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player—one that it continues to play even today.

Nepal and the Geo-Strategic Rivalry between China and India Sanjay Upadhyay,2012-02-27 The importance of the Himalayan state of Nepal has been obscured by the international campaign to free Tibet and the vicissitudes of the Sino-Indian rivalry. This book presents the history of Nepal's domestic politics and foreign relations from ancient to modern times. Analysing newly declassified reports from the United States and Britain, published memoirs, oral recollections and interviews, the book presents the historical interactions between Nepal, China, Tibet and India. It discusses how the ageing and inevitable death of the 14th Dalai Lama, the radicalization of Tibetan diaspora and the ascendancy of the international campaign to free Tibet are of increasing importance to Nepal. With its position between China and India, the book notes how the focus could shift to Nepal, with it being home to some 20,000 Tibetan refugees and its chronic political turmoil, deepened by the Asian giants' rivalry. Using a chronological approach, the past and present of the rivalry between China and India are studied, and attempts to chart the future are made. The book contributes to a new understanding of the intricate relationship of Nepal with these neighbouring countries, and is of interest to students and scholars of South Asian studies, politics and international relations.

Building Back Better After the 2015 Nepal Earthquake Chandra Bahadur Shrestha,2022-10-28 This book explores the reconstruction after the 2015 Gorkha Nepal earthquake, on the basis of the author’s first-hand experience that has been validated with empirical evidence. Unlike other advocacy and academic literature, the book takes readers close to the ground where the activities took place. This book describes Nepal’s efforts to rebuild private housing from the preparatory to the concluding stages, and the obstacles faced and overcome along the way. It assesses the consequences of the policy level decisions and also examines the relevance, utility and future use of damage assessment surveys that were carried out in the country. In addition, lessons from the housing grant payment through the banking system, impending reasons for housing non-compliance to building standards, experimentation with resilient resettlements and unresolved issue of urban regeneration have been also delved in. The ground realities revealed that the aid architecture requires further carving out. The last three chapters have attempted to capture the macro level picture of the reconstruction and recovery endeavors: contribution to national economy, structural resilience and comparative overview of Nepal’s delivery in global context. As an intimately involved professional with the 2015 Nepal Earthquake, Dr Shrestha is the authority from whom a holistic understanding can be attained regarding the response of Nepal’s state and society to the Earthquake. His study will have ramification at national and global scale in handling with inescapable natural calamities. Kanak M. Dixit, Journalist and Heritage Conservationist Dr. Shrestha’s book provides rare insight and perspective on the issues and challenges of governance during the complex journey to reconstruction and future resilience, reflecting his long and intense engagement in the post disaster recovery and reconstruction. Vivek Rawal, Director, People-in-Centre, Ahmedabad, India This collection of balanced insightful essays methodically explores topics such as government decisions and aid during the earthquake recovery combining lived experience and a research approach to reveal lessons and future considerations.
