The Hong Kong Letters Gill Shaddick,2019-03-29 In the late sixties when the Beatles are top of the charts and Twiggy is hitting the catwalk, Gill embarks on a life-changing journey to Hong Kong. Mao's revolution is at its height. Vietnam has become America's longest war with no end in sight. But it's at an ad agency under insane direction where Gill finds her battles and learns to stand her ground. In this spirited memoir, where Mad Men meets Han Suyin's A Many-Splendoured Thing, Gill recreates a Hong Kong of the imagination. Attractive and naïve, wined and dined by Hong Kong's elite, she gravitates towards camaraderie outside the world of advertising and money, and adventure follows. A weekend sail goes awry when a yacht with her on board strays into the waters of Communist China. A full-scale sea and air search mounted from Hong Kong can find no trace. Yet Gill is very much alive. With her friends, she is reciting from Mao's Little Red Book with no idea what fate awaits her or how long she will be held. The Hong Kong Letters is part memoir, part travelogue. Gill introduces us to characters that fiction couldn't have invented any better and transports the reader to another time and place, a reminder that anyone can fit the experiences of a lifetime into two short years.

Let's Go to Hong Kong Keith Lye,Henry Arthur Pluckrose,1983

phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' □ Fairfax Media (Australia)

Hong Kong Apothecary Simon Go, Wenzheng Wu, 2003-07 Hong Kong Apothecary transports us to the exotic world of Eastern medicine, a world of oils, powders, pills, and cures for every known ailment from impotency to opium addiction. As peculiar as pink pills for pale people are the packages containing these medicaments. Author Simon Go has combed manufacturers, shops, and home medicine cabinets for years collecting the most compelling examples. the result is a visual cabinet of curiosities, a graphical pharmacopoeia. Divided by type such as ointments, herbal teas, infused oils Hong Kong Apothecary presents the fascinating graphics and tantalizing descriptions of hundreds of medicines and gives us an insight into Chinese customs afforded only by examining the artifacts and customs of everyday life. many of these medicines are no longer produced, making Hong Kong Apothecary a memoir of a quickly disappearing culture. This lavishly illustrated book is of interest as much for designers seeking inspiration in the unknown vernacular of commercial graphics as for anyone interested in Eastern medicine.

Hong Kong Is Calling and I Must Go Misty Fisher, 2019-01-08 The Ultimate 6x9 110 Page Journal For: People Who Love This Place People Who Love Traveling The World

Includes a quick tour of Hong Kong, a picture gallery, general information, traveler's tips, and a help desk. Provides information on the history of Hong Kong, festivals, accommodations, and shopping. Offers online Chinese lessons.

The Gate to China Michael Sheridan, 2021-09-21 An epic history of the rise of China and the fall of Hong Kong to authoritarian rule. Essential reading for anyone wishing to deal with China or to understand the world in which we live. The rise of China and the fall of Hong Kong to authoritarian rule are told with unique insight in this new history by Michael Sheridan, drawing on documents from archives in China and the West, interviews with key figures and eyewitness reporting over three decades. The story takes the reader from the earliest days of trade through the Opium Wars of the nineteenth century to the age of globalisation, the handover of Hong Kong from Britain to China, the fight for democracy on the city's streets and the ultimate victory of the Chinese Communist Party. As the West seeks a new China policy, we learn from private papers how Margaret Thatcher anguished over the fate of Hong Kong, sought secret American briefings on how to deal with Beijing and put her trust in a spymaster who was tormented by his own doubts. The Chinese version of history, so often unheard, emerges from memoirs and documents, many of them entirely new to the foreign reader, which reveal China's negotiating tactics. The voices of Hong Kong people eloquent, smart and bold speak compellingly here at every turn. The Gate to China tells how Hong Kong was the gate to China as it reformed its economy and changed the world, emerging to challenge the West with a new order that raised fundamental questions about freedom, identity, and progress. Told through real human stories and a gripping narrative for the general reader, it is also critical reading for all who study, trade or deal with China.

You May Go to Hong Kong for Me Dao Zi Huang, 2018

The Hong Kong Story Caroline Courtauld, May Holdsworth, Simon Vickers, 1997 Map of China, the territory under Convention of 1860 and the boundary under New Convention 1898 on endpapers. Includes bibliographical references (p. 129-130) and index.

Wild Swans Jung Chang, 2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

Today Hong Kong, Tomorrow the World Mark L. Clifford, 2022-02-01 A gripping history of China's deteriorating relationship with Hong Kong, and its implications for the rest of the world. For 150 years as a British colony, Hong Kong was a beacon of prosperity where people, money, and technology flowed freely, and residents enjoyed many civil liberties. In preparation for handing the territory over to China in 1997, Deng Xiaoping promised that it would remain highly autonomous for fifty years. An international treaty established a Special Administrative Region (SAR) with a far freer political system than that of Communist China—one with its own currency and government administration, a common-law legal system, and freedoms of press, speech, and religion. But as the halfway mark of the SAR's lifespan approaches in 2022, it is clear that China has not kept its word. Universal suffrage and free elections have not been instituted, harassment and brutality have become normalized, and activists are being jailed en masse. To make matters worse, a national security law that further crimps Hong Kong's freedoms has recently been decreed in Beijing. This tragic backslide has dire worldwide implications—as China continues to expand its global influence, Hong Kong serves as a chilling preview of how dissenters could be treated in regions that fall under the emerging superpower's control. Today Hong Kong, Tomorrow the World tells the complete story of how a city once famed for protests so peaceful that toddlers joined grandparents in millions-strong rallies became a place where police have fired more than 10,000 rounds of tear gas, rubber bullets and even live ammunition at their neighbors, while pro-government hooligans attack demonstrators in the streets. A Hong Kong resident from 1992 to 2021, author Mark L. Clifford has witnessed this transformation firsthand. As a celebrated publisher and journalist, he has unrivaled access to the full range of the city's society, from student protestors and political prisoners to aristocrats and senior government officials. A powerful and dramatic mix of history and on-the-ground reporting, this book is the definitive account of one of the most important geopolitical standoffs of our time.

Hong Kong Travel Guide Hong Kong Travel Guides, 2016-04-14 Hong Kong Travel Guide Includes Free Book: Muay Thai Training Why You Need to Train in Thailand Whether it is business or leisure bringing you to Hong Kong, you will find something suitable for your tastes. Hong Kong Ching Kwan Lee,2022-09-08 How did Hong Kong transform itself from a 'shoppers' and capitalists' paradise' into a 'city of protests' at the frontline of a global anti-China backlash? CK Lee situates the post-1997 China–Hong Kong contestation in the broader context of 'global China.' Beijing deploys a bundle of power mechanisms – economic statecraft, patron-clientelism, and symbolic domination – around the world, including Hong Kong. This Chinese power project triggers a variety of countermovements from Asia to Africa, ranging from acquiescence and adaptation to appropriation and resistance. In Hong Kong, reactions against the totality of Chinese power have taken the form of eventful protests, which, over two decades, have broadened into a momentous decolonization struggle. More than an ideological conflict between a liberal capitalist democratizing city and its Communist authoritarian sovereign, the Hong Kong story, stunning and singular in its many peculiarities, offers lessons about China as a global force. This title is also available as Open Access on Cambridge Core.

Lonely Planet Pocket Hong Kong Lonely Planet,Piera Chen,Emily Matchar,2017-05-01 Lonely Planet Pocket Hong Kong is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Jump aboard the legendary Star Ferry like a local, shop 'til you drop at Temple Street Night Market, place a bet at the Happy Valley Racecourse; all with your trusted travel companion.

Ergodic Theory and Semisimple Groups R.J. Zimmer,2013-03-14 This book is based on a course given at the University of Chicago in 1980-81. As with the course, the main motivation of this work is to present an accessible treatment, assuming minimal background, of the profound work of G. A. Margulis concerning rigidity, arithmeticity, and structure of lattices in semi simple groups, and related work of the author on the actions of semisimple groups and their lattice subgroups. In doing so, we develop the necessary prerequisites from earlier work of Borel, Furstenberg, Kazhdan, Moore, and others. One of the difficulties involved in an exposition of this material is the continuous interplay between ideas from the theory of algebraic groups on the one hand and ergodic theory on the other. This, of course, is not so much a mathematical difficulty as a cultural one, as the number of persons comfortable in both areas has not traditionally been large. We hope this work will also serve as a contribution towards improving that situation. While there are a number of satisfactory introductory expositions of the ergodic theory of integer or real line actions, there is no such exposition of the type of ergodic theoretic results with which we shall be dealing (concerning actions of more general groups), and hence we have assumed absolutely no knowledge of ergodic theory (not even the definition of ergodic) on the part of the reader. All results are developed in full detail.

DK Eyewitness Top 10 Hong Kong DK Eyewitness,2022-12-13 Hong Kong has it all: futuristic buildings home to glitzy shops and restaurants, traditional villages full of beautiful temples and gorgeous beaches lined with pristine coastline. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
