God Hears Her ,2017-08-30 Take comfort in knowing that God hears you. The story of Hannah in 1 Samuel tells of one woman's personal heartache and trust in the One who could fulfill her desires. She poured her heart out to God, and He heard her. The Our Daily Bread devotions selected for this collection reassure you that God is with you, God is for you, and God hears you. The personal stories and Scripture passages lift you up and remind you that God is bigger than the trials you face.

God's Blogs Lanny Donoho,2005 How would you feel if you thought God wrote a personal note to you...on His website...and it was about some of the stuff that makes you wonder if He really exists at all? This book does make you feel...while it makes you think. Maybe God isn't who we thought He was. Maybe His thoughts aren't what we have been taught. God's Blogs contains some insightful, fresh thoughts that help us see more of God's character, His love, and His grace as He reflects on marriage, death, laughter, dads, and questions like Why are we here? and, What about tsunamis and poverty? A fascinating read that will make you laugh and cry and search your own thoughts about who He is. What Might God Say on His Blogsite? Basically I'm entering into your blogdom because somehow the rumor got started that I was kind of boring. For those of you who bought into that craziness, you should know that I'm the one who created all the stuff you love...all the stuff that makes life exciting. I invented funny and laughter. I created adventure and romance... I laugh a lot.

"Here Are Your Gods" Christopher J.H. Wright,2020-09-29 ECPA Top Shelf Book Cover Award When the Israelites exclaimed, Here are your gods! at the sight of the golden calf, they were attempting to hold on to the God of their history while fashioning idols for their own purposes. In today's Western world, plenty of shiny false gods still hold power—idols of prosperity, nationalism, and self-interest. Christians desperately need to name and expose these idols. We must retrieve the biblical emphasis on idolatry and apply it anew in our journey of following Jesus. In Here Are Your Gods, Old Testament scholar Christopher J. H. Wright combines a biblical study of idolatry with practical discipleship. He calls readers to consider connections between Old Testament patterns and today's culture, especially recurring temptations to trust in political power. Now as much as ever, we need a biblically informed understanding of the many ways humans make gods for themselves, the danger of idols, and how God calls us to join him in the battle against idolatry as part of his ongoing mission to be known and worshiped by all peoples.

Keeping Your Kids on God's Side Natasha Crain,2016-03-01 Empower Your Kids to Respond Well to the Hard Questions That Threaten Their Faith It's no secret that children of all ages are being exposed to negative criticism of Christianity as they spend time at school, with friends, or online. Are you prepared to talk with your kids about how they can effectively answer the tough questions that come their way? In Keeping Your Kids on God's Side, you'll find 40 of the most common challenges kids face—along with clear, easy-to-understand responses you can discuss together. This book will help you... encourage open dialogue on issues your kids might hesitate to talk about replace your children's doubts with the confidence only God's truth can give equip your kids to build the good thinking skills essential for today I almost wish my children were young again so I could use Natasha Crain's book with them. Nancy Pearcey Bestselling author of Total Truth

All Things Shining Hubert Dreyfus,Sean Dorrance Kelly,2011-01-04 In unrelenting flow of choices confronts us at nearly every moment of our lives, and yet our culture offers us no clear way to choose. This predicament seems inevitable, but in fact it's quite new. In medieval Europe, God's calling was a grounding force. In ancient Greece, a whole pantheon of shining gods stood ready to draw an appropriate action out of you. Like an athlete in "the zone," you were called to a harmonious attunement with the world, so absorbed in it that you couldn't make a "wrong" choice. If our culture no longer takes for granted a belief in God, can we nevertheless get in touch with the Homeric moods of wonder and gratitude, and be guided by the meanings they reveal? All Things Shining says we can. Hubert Dreyfus and Sean Dorrance Kelly illuminate some of the greatest works of the West to reveal how we have lost our passionate engagement with and responsiveness to the world. Their journey takes us from the wonder and openness of Homer's polytheism to the monotheism of Dante; from the autonomy of Kant to the multiple worlds of Melville; and, finally, to the spiritual difficulties evoked by modern authors such as David Foster Wallace and Elizabeth Gilbert. Dreyfus, a philosopher at the University of California, Berkeley, for forty years, is an original thinker who finds in the classic texts of our culture a new relevance for people's everyday lives. His lively, thought-provoking lectures have earned him a podcast audience that often reaches the iTunesU Top 40. Kelly, chair of the philosophy department at Harvard University, is an eloquent new voice whose sensitivity to the sadness of the culture—and to what remains of the wonder and gratitude that could chase it away—captures a generation adrift. Re-envisioning modern spiritual life through their examination of literature, philosophy, and religious testimony, Dreyfus and Kelly unearth ancient sources of meaning, and teach us how to rediscover the sacred, shining things that surround us every day. This book will change the way we understand our culture, our history, our sacred practices, and ourselves. It offers a new—and very old—way to celebrate and be grateful for our existence in the modern world.

Dear Big Gods Mona Arshi,2019-04-30 Following on from her Forward prize-winning collection, Small Hands, Mona Arshi's new book continues in its lyrical and exact exploration of the aftershocks of grief. These extraordinary poems, which see Arshi continuing with her experiments with form,

relocate experiences in both past and future feeling, in both the intimacies of ordinariness and the collective experience of myth. Moving and discomfiting, these poems tune, in their acute emotional awareness of individual pain, to the dangers and unsettling violences of the contemporary world. Nevertheless, at the centre of this book is an overarching commitment to hope, in whatever form it takes, to the earth's tiny creatures, and its 'churning, broken song'.

God and Time Gregory E. Ganssle, 2001-09-28 Editor Gregory Ganssle calls on four Christian philosophers to present and defend their views on the place of God in a time-bound universe. The positions taken up here include divine timeless eternity, eternity as relative timelessness, timelessness and omnitemporality, and unqualified divine temporality.

God's Library Brent Nongbri, 2018-08-21 A provocative book from a highly original scholar, challenging much of what we know about early Christian manuscripts In this bold and groundbreaking book, Brent Nongbri provides an up-to-date introduction to the major collections of early Christian manuscripts and demonstrates that much of what we thought we knew about these books and fragments is mistaken. While biblical scholars have expended much effort in their study of the texts contained within our earliest Christian manuscripts, there has been a surprising lack of interest in thinking about these books as material objects with individual, unique histories. We have too often ignored the ways that the antiquities market obscures our knowledge of the origins of these manuscripts. Through painstaking archival research and detailed studies of our most important collections of early Christian manuscripts, Nongbri vividly shows how the earliest Christian books are more than just carriers of texts or samples of handwriting. They are three-dimensional archaeological artifacts with fascinating stories to tell, if we're willing to listen.

What If God's a Christian? Daniel Greenberg, 2017 An annotated compilation of blog posts from The Sceptic Blog, an orthodox but sceptical Jewish view of the world.

God David Adams Leeming, Jake Page, 1997 Illustrating their points with materials ranging from the prehistoric cave paintings to the mystic Jewish Kabbalah, from the ancient Indians Vedas to tales of the North American Indians and other myths from around the world, Leeming and Page reveals the changing mask of the male divine.

The Wisdom Pyramid Brett McCracken, 2021-01-15 We're facing an information overload. With the quick tap of a finger we can access an endless stream of addictive information—sports scores, breaking news, political opinions, streaming TV, the latest Instagram posts, and much more. Accessing information has never been easier—but acquiring wisdom is increasingly difficult. In an effort to help us consume a more balanced, healthy diet of information, Brett McCracken has created the Wisdom Pyramid. Inspired by the food pyramid model, the Wisdom Pyramid challenges us to increase our intake of enduring, trustworthy sources (like the Bible) while moderating our consumption of less reliable sources (like the Internet and social media). At a time when so much of our daily media diet is toxic and making us spiritually sick, The Wisdom Pyramid suggests that we become healthy and wise when we reorient our lives around God—the foundation of truth and the eternal source of wisdom.

God's Debris Scott Adams, 2004-09 In *God's Debris*, best-selling author and creator of Dilbert Scott Adams fashioned a thought-provoking exploration of life's great mysteries (everything from quantum physics and God to psychic phenomena and dating) that quickly captured the attention and imaginations of readers everywhere. The intriguing story of a deliveryman who meets the world's smartest person and learns the secret of reality is threaded with a variety of hypnosis techniques that Adams, a certified hypnotist, used to induce a feeling of euphoric enlightenment in readers to mirror the main character's feelings as he discovers the true nature of the universe. Launched to coincide with the hardcover publication of its sequel, *The Religion War* (see opposite page), this first paperback edition of *God's Debris* will soon make the leap to a broader audience. As Adams designed it, the book will make your brain spin around inside your skull and drive readers toward *The Religion War* as they seek to confirm or deny the dizzying impressions and chaotic memories of reading *God's Debris*. The book provides one of the most compelling visions of reality ever experienced on the printed page. Along the way, readers will enjoy the Thought Experiment: Trying to discover what's wrong with the sage's explanation of reality. This is a book, as Adams says, to be shared and savored with smart friends.

Beautifully Distinct Trillia Newbell, 2020-06-01 Inspires women to engage with life and culture in a God-honouring way. How should we listen to, and think in a gospel way about, the ordinary things we come across in modern life? Things we watch, read, eat, and do. There are so many voices saying so many different things that the temptations are to either disengage completely, or find ourselves being influenced more and more by the world. In this book, godly, clear-thinking women talk about a range of areas of life and culture. They help us to be thoughtful about films, books, and the media; set out biblical principles for approaching topics such as body image and racism; and encourage us to shape the world around us for Christ-becoming beautifully distinct.

God's Heart for You Holley Gerth, 2011-09-01 The personal, inviting style of popular speaker, writer, and counselor Holley Gerth inspires thousands of readers weekly through her DaySpring site encourage.me and her well-known blog *Heart to Heart with Holley*. In *God's Heart for You*, Holley offers insightful devotions, reflective questions, and captivating poetry to reveal how, through God's love, a woman is wholly— Accepted and known completely

Chosen with imperfections to be made perfect Empowered with God's strength Beautiful and a one-of-a-kind gift to the world Blessed with God's best This gathering of encouraging readings will be a wonderful gift for any occasion and a powerful treasury of God's heart and purpose for a women to return to again and again for refreshment.

Gods and Heroes Korwin Briggs,2018-08-21 Meet the Original Superheroes. Before there was Batman, Wonder Woman, or Black Panther...there was Indra, Hindu king of gods, who battled a fearsome snake to save the world from drought. Athena, the powerful Greek goddess of wisdom who could decide the fate of battles before they even began. Okuninushi, the Japanese hero who defeated eighty brothers to become king and then traded it all for a chance at immortality. Featuring more than 70 characters from 23 cultures around the world, this A-to-Z encyclopedia of mythology is a who's who of powerful gods and goddesses, warriors and kings, enchanted creatures and earthshaking giants whose stories have been passed down since the beginning of time—and are now given fresh life for a new generation of young readers. Plus, You'll Learn All About: Dragons: The Hydra, St. George's Dragon, and the Australian Rainbow Snake Giants: Grendel, Balor of the Evil Eye, Polyphemus, and the Purusha with the thousand heads Monsters: Manticore, Sphinx, Minotaur, Thunderbird, and Echidne, mother of the Nemean lion that nearly killed Heracles Underworlds: Travel to Hades, Valhalla, and the Elysian Fields

Theatre-Making D. Radosavljevic,Duška Radosavljevi?,2013-06-24 Theatre-Making explores modes of authorship in contemporary theatre seeking to transcend the heritage of binaries from the Twentieth century such as text-based vs. devised theatre, East vs. West, theatre vs. performance - with reference to genealogies through which these categories have been constructed in the English-speaking world.

Blogging with God Gail Naccarato,2014-09-23 A compilation of blogging. Life experiences and biblical Scriptures inspired these writings. Many people and things are brought into our lives to learn from. Life is a journey and this book is about the things that have impacted the path I took to get to where I am today.

Hearing God's Whisper Sheri Dursin,2020-08

Inference to the One True God Evan Minton,2016-08-15 There are so many religions in the world that it can be confusing for a spiritual seeker to figure out which, if any, are true. There are as many gods in mythology as there are people to believe in them. In fact, one of the common retorts from atheists when talking to Christians is Why do you believe your God is real while thinking all these other gods are false? In this book, Christian Apologist and blogger Evan Minton gives evidence for the existence of the God of The Bible, and shows why it's rational to believe the God of Christianity while disbelieving in all others. Mr. Minton argues for the biblical God, using arguments that draw from a wide range of disciplines such as science, philosophy, and history. This book is a must for any spiritual seeker.

Leading God's People Christopher A. Beeley,2012-04-03 Using the wisdom of the past to address the challenges of the present, Christopher Beeley's *Leading God's People* presents key principles of church leadership as they were taught by great pastor-theologians of the early church, including Gregory of Nazianzus, Ambrose, Augustine, Chrysostom, and Gregory the Great.

Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gods Blog full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gods Blog eBooks, including some popular titles.

FAQs About Gods Blog Books

What is a Gods Blog PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gods Blog PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gods Blog PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gods Blog PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gods Blog PDF?** Most PDF editing

software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
