Grandma's Cookies, Cakes, Pies and Sweets Alice Burdick,2020-07-20 Treats, old and new! Delicious desserts, simply made with tasty ingredients, many of us remember fondly from our youth. Our mothers and grandmothers baked cookies, pies, cakes and desserts using recipes passed down through generations. Some lucky cooks have treasured heirloom recipes, preserved and handed down to them, but many have been lost or forgotten along the way. Among the recipes in this book are a few traditional classics that remain favourites — like blueberry grunt and Scottish shortbread. But most of these recipes are almost forgotten, yet they offer tempting and delicious ideas that home cooks will want to try. Recipes like old-fashioned molasses candy, sweet black cherry pudding and Acadian lemon buttermilk pie. Now all these delicious dishes are ready for revival. They will bring back many happy memories of treats from the past that taste as good as they always did — or better!

Grandma's Holly Berry Christmas Cookies D. V. Lang,2023-07-21 Every family will at some point encounter challenges and crises. During these difficult times, it often feels like the end, . . . like the family unit will not survive. Many families that have successfully weathered such tough, heartbreaking, crises know that their survival through these challenging times depends on their sticking together and supporting each other through all the tumultuous events. But what happens when even a successful family is so deeply wounded that they're unable to stick by each other and function as a source of strength and support for each other? This is a story of an ordinarily successful family facing such a crisis. In a last-ditch effort to save her family, a young girl puts all her hopes for redemption and adaptation into a new normal, in a long-established family tradition. This cherished Christmas holiday tradition was created by their beloved grandmother, and it has been observed by their family every Christmas since she created it. Mars' is sure that if she can just get her family involved with Grandma's Christmas holiday tradition it will rekindling their memories of the joy, love, and peace of the holiday season. It is her intention to do all she can to help this tradition lead them to a place of healing and wholeness. I strongly recommend purchasing this insightful and entertaining book. It makes a wonderful Christmas read and a wonderful holiday gift treat.
