Grandma Zoomkin and Christmas Eve with the Zoomkin's and Friends Susan A. Gonzales,2017-01-11 It will be exciting to see the different styles of fantasy drawings and imaginary settings I have portrayed to invite the readers eye and the viewers interest. There are thrills of fantasy and mystery events on every page with a lot of color that will be exciting. It contains a Christmas-motif setting, such as nice and colorful reds, greens, and yellows; bright characters; and whimsical gaiety for children and adults alike. It will be a story where Grandma Zoomkin takes the gifts on Christmas Eve, but no one knows where. She takes the gifts and stores them in a secret place. The mystery is that no one knows where they were hidden. Time is running out, and the gifts are nowhere to be found. It could be that Grandma Zoomkin the elder wanted to show the little Zoomkins who was naughty or nice on Christmas Eve and maybe have fun, too, on that day! Anyway, that is the story. It will be a fun story and amusing for that event. It is colorful and fun in mystery for the reader and the viewer. It is about how Grandma Zoomkin has a good surprise for everyone and makes everyone happy again! It is a bright Christmas Eve again. A mystery wonder is found!

During these difficult times, it often feels like the end, . . . like the family unit will not survive. Many families that have successfully weathered such tough, heartbreaking, crises know that their survival through these challenging times depends on their sticking together and supporting each other through all the tumultuous events. But what happens when even a successful family is so deeply wounded that they're unable to stick by each other and

function as a source of strength and support for each other? This is a story of an ordinarily successful family facing such a crisis. In a last-ditch effort to save her family, a young girl puts all her hopes for redemption and adaptation into a new normal, in a long-established family tradition. This cherished Christmas holiday tradition was created by their beloved grandmother, and it has been observed by their family every Christmas since she created it. Mars' is sure that if she can just get her family involved with Grandma's Christmas holiday tradition it will rekindling their memories of the joy, love, and peace of the holiday season.
