

# Groupons Top5

**Frank Sennett**

Groupon's Biggest Deal Ever Frank Sennett, 2012 In late 2010, Groupon made an incredible gamble. Rather than take Google's \$6 billion buyout offer, founder Andrew Mason turned the search giant down and decided to go it alone. The experts thought he was insane. Groupon was little more than two years old and staffed from top to bottom with twentysomethings. The wild ride couldn't last, but Mason thought otherwise, and with knowledge of a possible IPO he liked his odds. A discount service that offers a deal a day at local merchants in countless cities in more than 43 countries, Groupon is the fastest-growing company in Internet history and is as committed to innovating a new model for commerce as it is to creating an office culture and editorial voice based on radical transparency and absurd humor. Groupon's Biggest Deal Ever is the exclusive and unparalleled account of the incredible rise of discount giant Groupon and the compelling story of its offbeat founder Andrew Mason as he created a juggernaut of online commerce and ignited a consumer revolution.

**Social Commerce** Efraim Turban, Judy Strauss, Linda Lai, 2015-11-17 This is a multidisciplinary textbook on social commerce by leading authors of e-commerce and e-marketing textbooks, with contributions by several industry experts. It is effectively the first true textbook on this topic and can be used in one of the following ways: Textbook for a standalone elective course at the undergraduate or graduate levels (including MBA and executive MBA programs) Supplementary text in marketing, management or Information Systems disciplines Training courses in industry Support resources for researchers and practitioners in the fields of marketing, management and information management The book examines the latest trends in e-commerce, including social businesses, social networking, social collaboration, innovations and mobility. Individual chapters cover tools and platforms for social

commerce; supporting theories and concepts; marketing communications; customer engagement and metrics; social shopping; social customer service and CRM contents; the social enterprise; innovative applications; strategy and performance management; and implementing social commerce systems. Each chapter also includes a real-world example as an opening case; application cases and examples; exhibits; a chapter summary; review questions and end-of-chapter exercises. The book also includes a glossary and key terms, as well as supplementary materials that include PowerPoint lecture notes, an Instructor's Manual, a test bank and five online tutorials.

Groupon's Biggest Deal Ever Frank Sennett, 2012-06-05 The inside story of the meteoric rise of Groupon from startup to \$30 billion online giant and the audacious genius behind it, founder Andrew Mason In late 2010, Groupon made an incredible gamble. Rather than take Google's \$6 billion buyout offer, founder Andrew Mason turned the search giant down and decided to go it alone. The experts thought he was insane. Groupon was little more than two years old and staffed from top to bottom with twenty-somethings. The wild ride couldn't last, but Mason thought otherwise, and with knowledge of a possible IPO he liked his odds. A discount service that offers a deal a day at local merchants in countless cities in more than forty-three countries, Groupon is the fastest-growing company in Internet history and is as committed to innovating a new model for commerce as it is to creating an office culture and editorial voice based on radical transparency and absurd humor. Groupon's Biggest Deal Ever is the exclusive and unparalleled account of the incredible rise of discount giant Groupon and the compelling story of its offbeat founder Andrew Mason as he created a juggernaut of online commerce and ignited a consumer revolution.

**Andrew Mason and Groupon** Philip Wolny, 2012-07-15 Started in Chicago, Illinois, Groupon has expanded to dozens of cities all around the world and has become an Internet sensation. Mason's

billion-dollar idea has revolutionized e-commerce. Groupon has taken the good and the bad in stride, using setbacks, challenges, and competition to learn valuable lessons and improve its strategies for continued growth and worldwide expansion. It has revolutionized the ways in which we interact with our local economy, including our neighborhood businesses and merchants. This is the remarkable story of Andrew Mason and his billion dollar idea that is saving consumers around the world billions of their own dollars while providing a boost to recession-challenged local businesses. This volume includes Fact Sheets on Mason and Groupon, as well as an informative timeline.

**Hospitality Branding** Chekitan Dev,2012-11-20 In recent years the brand has moved squarely into the spotlight as the key to success in the hospitality industry. Business strategy once began with marketing and incorporated branding as one of its elements; today the brand drives marketing within the larger hospitality enterprise. Not only has it become the chief means of attracting customers, it has, more broadly, become the chief organizing principle for most hospitality organizations. The never-ending quest for market share follows trend after trend, from offering ever more elaborate and sophisticated amenities to the use of social media as a marketing tool—all driven by the preeminence of the brand. Chekitan S. Dev's Hospitality Branding brings together the most important insights from the author's many years of research and experience, all in a single volume. Skillfully blending the knowledge of recent history, the wisdom of cutting-edge research, and promise of future trends, this book offers hospitality organizations the advice they need to survive and thrive in today's competitive global business environment.

**Social Media Marketing All-in-One For Dummies** Michelle Krasniak,Jan Zimmerman,Deborah Ng,2021-03-05 Get social with the bestselling social media marketing book No person can ignore social media these days—and no business can afford to ignore it either. Our lives are mediated

through the flicker of Facebook, Twitter, YouTube, and Instagram—and brands are increasingly interwoven with our online identities. Even for the 90% of marketers who interact with social media regularly, its pace and scale can be confusing to the point of distraction. *Social Media Marketing All-in-One For Dummies* helps you take a step back, make sense of the noise, and get your brand voice heard over the babble—in the way you want it to be. These nine mini-books in one give you essential, straightforward, and friendly guidance on how to use the major social platforms to promote your business, engage your customers, and use feedback to make your product or service the best that it can be. From evaluating the right social mix and planning your strategy to the really fun stuff—like creating videos on Snapchat and TikTok, diving deep on a podcast, or looking pretty on Pinterest—you'll find everything you need to get your social ducks in a row and say the right things. And once the campaign is over, you can follow the guidance here to evaluate success and iterate on your approach, before getting right back out there for an even bigger second bite. Keep up with the latest changes on Twitter, Facebook, LinkedIn, TikTok, and more Blend your social side with your traditional marketing presence Become more engaging and metric your success Get to know your fans with user data Wherever you're coming from—social media strategist, site manager, marketer, or something else—social media is where your customers are. This book shows you how to be there, too.

*Startup Your Life* Anna Akbari, 2016-12-27 As an entrepreneur, Anna Akbari learned that one of the best things about startups is their ability to “pivot” quickly—basically a euphemism for failing and starting over. And she quickly found that personal success is no different. It's not just about developing and following the right process but also having a good idea. And that demands rigor and daily maintenance—far beyond a few positive affirmations. Like any Silicon Valley startup, the business of life is not as glamorous as its Instagram account would make it seem. What do you do

when planning is not an option? When control is out of your reach? You isolate the small stuff, experiment constantly, and use the results to lay a more sustainable foundation for the future. You validate your idealized vision by testing it out in bite-sized increments. You see what sticks, integrate, and move forward. And inevitably, you experience a series of failures along the way, but those failures are key to your next success. Living a start up life is about maximizing flexibility and measuring on-going results, not avoiding failure or reaching one particular end goal. It's about embracing defeat, analyzing it, and failing up. In *Startup Your Life*, Akbari shows that after all, it's often the stumbles that pave the way for real happiness.

**The Retail Doctor's Guide to Growing Your Business** Bob Phibbs,2010-05-03 It's one of the toughest economies in years, but don't fear-the doctor is in Are you among the thousands of retailers frustrated by market challenges and looking for ways to take control of your business? Strategic Advertising Management Richard Rosenbaum-Elliott, 2020-12-25 With strong foundations in theory and featuring a wide range of current and international examples, Strategic Advertising Management presents an overview of how advertising works and what is required from a manager's perspective, in the development of an effective communication plan.

*My Groupon Adventure* Max Dickins, 2016-06-02 A book about opening yourself (and sometimes your colon) up to new experiences. When comedian Max Dickins was dumped by his girlfriend, he was faced not just with excruciating heartbreak but also with the cold realisation that he was bored, bored, bored. Desperate to shake things up, he took a friend's advice and reluctantly bought a deal on Groupon. He then bought another. And another... until what started as a gateway to some new experiences snowballed into a limitless Narnia of discounted possibilities. Over the course of 18 months, Max did a new Groupon deal every week. He changed his name, became a Lord, wrestled alligators, moonlighted as a beekeeper, and even convinced Groupon to make him into a Groupon deal. (They sold 1,000.) Resuscitated by the oxygen of new experience, he emerged a better man. *My Groupon Adventure* is an uproarious and uplifting chronicle showing that it's possible to escape even the deepest of ruts if you just inject a bit of spontaneity into your life.

The New Business Road Test John Mullins, 2017-12-20 ROAD TEST YOUR IDEA BEFORE YOU LAUNCH YOUR LEAN START-UP Thinking about starting a new business? Stop! Is there a genuine market for your idea? Do you really want to compete in that industry? Are you the right person to pursue it? No matter how talented you are or how much capital you have, if you're pursuing a fundamentally flawed opportunity then you're heading for failure. So before you launch your lean start-up, take your idea for a test drive and make sure it has a fighting chance of working. Now in its 4th Edition, The New Business Road Test is the essential handbook for anyone wanting to launch a start-up. The new and fully updated case studies – Ella's Kitchen, Whole Foods, eBay and more – and 'seven domains' framework will help you avoid impending disaster and enhance your chances of achieving your entrepreneurial dreams. This book will help you answer the live-or-die questions: Are the market and industry attractive? Does the opportunity offer both customer benefits as well as competitive and economic sustainability? Can you deliver the results you seek? The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Upon purchase, you'll gain instant access to this eBook. Time limit The eBooks products do not have an expiry date. You will continue to access your digital ebook products whilst you have your Bookshelf installed.
