EMERALD TREASURY OF THE GREAT LEADERS OF INDIA Kuttan Mahadevan, 2007

India Tomorrow Pradeep Chhibber, Harsh Shah, 2020-08-14 The next generation of political leaders will determine India's future. We know their names, but not what lies behind what we hear or see of them in the event/news-focussed coverage in newspapers and television channels. For instance, what moves them? Who inspires them? What are their passions and interests outside of politics? Where do they stand on some of India's most contentious political issues? Do they have any regrets about their political careers? How do they explain some of the inconsistencies in their words and actions? Have their career choices come with significant personal costs? This book provides a snapshot of contemporary Indian politics, and its future, through conversations with twenty of the country's most prominent next-generation politicians. It explores issues and tensions that lie at the heart of Indian politics and society. In doing so, it also challenges facile and sweeping generalizations about the next generation of political leaders, compelling us to consider Indian politicians as complex, thinking individuals with unique personalities, differing visions for India, and their place in history.

Indian Leader Trail Boss Clark Selby, 2014-08-22 *Indian Leader Trail Boss* is the story of a trail drive led by Texas most famous trail boss, due to never losing a herd or a man on a drive. Indian Leader was contacted to lead 3,000 head of Longhorns from the Star Ranch, to Dodge City. He agrees to take the

job when he finds the owner killed by rustlers and his daughter Serene, desperate to get her cattle to market to pay off a loan when her bank threatens to foreclose on her ranch. They have all the normal problems of a trail drive; too many miles; too many rivers to cross as Indian has people trying to kill him for killing their brother. Indian and Serene find they are falling in love during the trip while a neighboring rancher, Kent Eagle, is determined to do anything he can to take over Serenes ranch. Indians problems grow with every mile: getting the cattle to market; staying alive while people are trying to kill him; selling the herd; pay off the bank loan, and keep Serene.
