Subway Surfers Edward R. Moore,2018-05-29 Subway surfer is a running game where a player runs through metro being chased by a dog and a police inspector. The runner unlocks many characters and collects coins. There are several editions of the game at present, but they are all played in the same way. When the player crashes into the obstacles on the way, he has to restart the game. There are other points and bonuses collected in the course of running through the busy metro. The points and coins gathered activate the special feature in the game. The game was first released in May 2014. It has several versions that run both on the iOS, android, iPad, and recently there are computer versions.

Rockaway Diane Cardwell,2020 The inspirational story of one woman learning to surf and creating a new life in gritty, eccentric Rockaway Beach Unmoored by a failed marriage and disconnected from her high-octane life in the city, Diane Cardwell finds herself staring at a small group of surfers coasting through mellow waves toward shore--and senses something shift. Rockawayis the riveting, joyful story of one woman's reinvention--beginning with Cardwell taking the A Train to Rockaway, a neglected spit of land dangling off New York City into the Atlantic Ocean. She finds a teacher, buys a tiny bungalow, and throws her not-overly-athletic self headlong into learning the inner workings and rhythms of waves and the muscle development and coordination needed to ride them. As Cardwell begins to find her balance in the water and out, superstorm Sandy hits, sending her into the maelstrom in search of safer ground. In the aftermath, the community comes together and rebuilds, rekindling its bacchanalian spirit as a historic surfing community, one with its own quirky codes and surf culture. And Cardwell's surfing takes off as she finds a true home among her fellow passionate longboarders at the Rockaway Beach Surf Club, living out the most joyful path through life. Rockawayis a stirring story of inner salvation sought through a challenging physical pursuit--and of learning to accept the idea of a complete reset, no matter when in life it comes.

Surfing Uncertainty Andy Clark,2016 This title brings together work on embodiment, action, and the predictive mind. At the core is the vision of human minds as prediction machines - devices that constantly try to stay one step ahead of the breaking waves of sensory stimulation, by actively predicting the incoming flow. In every situation we encounter, that complex prediction machinery is already buzzing, proactively trying to anticipate the sensory barrage. The book shows in detail how this strange but potent strategy of self-anticipation ushers perception, understanding, and imagination simultaneously onto the cognitive stage.

Game Feel Steve Swink,2008-10-13 Game Feel exposes feel as a hidden language in game design that no one has fully articulated yet. The language could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks whe

The Art of Digital Marketing Ian Dodson,2016-04-04 The premier guide to digital marketing that works, and a solid framework for success The Art of Digital Marketing is the comprehensive guide to cracking the digital marketing 'code,' and reaching, engaging, and serving the empowered consumer. Based on the industry's leading certification from the Digital Marketing Institute (DMI),

this book presents an innovative methodology for successful digital marketing: start with the customer and work backwards. A campaign is only effective as it is reflective of the consumer's wants, needs, preferences, and inclinations; the DMI framework provides structured, implementable, iterative direction for getting it right every time. The heart of the framework is a three-step process called the 3i Principles: Initiate, Iterate, and Integrate. This simple idea translates into higher engagement, real customer interaction, and multichannel campaigns that extend even into traditional marketing channels. The evolution of digital marketing isn't really about the brands; it's about consumers exercising more control over their choices. This book demonstrates how using this single realization as a starting point helps you build and implement more effective campaigns. Get inside the customer's head with deep consumer research Constantly improve your campaigns based on feedback and interactions Integrate digital activities across channels, including traditional marketing Build campaigns based on customer choice and control Digital marketing turns traditional marketing models on their heads. Instead of telling the customer what to think, you find out what they already think and go from there. Instead of front-loading resources, you continually adjust your approach based on real interactions with real customers every day. Digital marketing operates within its own paradigm, and The Art of Digital Marketing opens the door for your next campaign.

Bucket List Bars Clint Lanier,Derek Hembree,2013-05-14 Find your way to the most historic saloons, pubs, and dives of America. These are the watering holes that shaped our nation and created our country. Find the favorite spots of our Founding Fathers, the places where the most well-known celebrities could relax, and the joints that most wouldn’t walk into without a bodyguard. For each bar, you will get a complete history taken directly from the owners and bartenders. You’ll find out what to expect when you go today. You’ll get advice on what drinks and food to order. And we’ll even share insider’s tips so you won’t stand out like a tourist. You’ll also get instant access to brief online documentaries made for each bar so you’ll know before going exactly what to expect, what to order, and who to talk to. Bucket List Bars is the definitive guide to the historic saloons, pubs, and dives of America. Also Included: • QR Code-Linked Documentary Video of Each Bar—A First of its Kind for Guidebooks • QR Code-Linked Videos of Their Signature Drinks So You Know What to Order • Nearby Distractions in the Area To Make Each Visit Complete • Other Notable Bars Nearby To Visit If You Have the Time Featuring: Austin Boston Area Chicago Denver El Paso area Las Vegas Los Angeles New York City Philadelphia San Antonio San Francisco Tucson Area -- This book provides travel-guide like information to business travelers, history buffs and drinking culture enthusiasts. My partner and I have spent the last year traveling the country filming, photographic and documenting almost 50 historic bars from New York to Los Angeles, from 1673 to 1968. We've not only written about these, but also created brief documentaries of each that showcases them in their historic context, provides an assessment of food, drink, decor, etc, and interviews the bartenders and owners. Each chapter will include QR codes linking the reader to these videos that they can watch on their mobile device for free. This will be the first book in a multi-book series based on the same theme.
