The Texas Gun Club Mark Bowlin,2009-11-06 Two very different cousins head to Italy to fight in World War II in this absorbing novel, a winner of the Military Writers Society of America Gold Medal. The first novel in the Texas Gun Club series, this is the story of two cousins and their journey from south Texas to the distant shores of wartime Italy. Sam Taft is a rancher, fiercely devoted to his wife, Margaret, and intent on surviving the war and returning to Texas. Each skirmish, every battle, is one step closer to home. His cousin Perkin Berger was a student of history at the University of Texas, and is eager for adventure. The impulsive Berger finds the war a lark, a grand journey—until the harrowing realities of warfare begin to set in. Set against the backdrop of the battle of Salerno, The Texas Gun Club is meticulously researched and faithful to the saga of the soldiers from Texas in 1943 Italy, written with rich authenticity by a retired naval officer.

Small Game Hunting at the Local Coward Gun Club Megan Gail Coles,2019-02-12 #1 National Bestseller Finalist, CBC Canada Reads Finalist, Scotiabank Giller Prize By turns savage, biting, funny, poetic, and heartbreaking, Megan Gail Coles's debut novel rips into the inner lives of a wicked cast of characters, exposing class, gender, and racial tensions over the course of one Valentine's Day in the dead of a winter storm. Valentine's Day, the longest day of the year. A fierce blizzard is threatening to tear a strip off the city, while inside The Hazel restaurant a storm system of sex, betrayal, addiction, and hurt is breaking overhead. Iris, a young hostess, is forced to pull a double despite resolving to avoid the charming chef and his wealthy restaurateur wife. Just tables over, Damian, a hungover and self-loathing server, is trying to navigate a potential punch-up with a pair of lit customers who remain oblivious to the rising temperature in the dining room. Meanwhile Olive, a young woman far from her northern home, watches it all unfurl from the fast and frozen street. Through rolling blackouts, we glimpse the truth behind the shroud of scathing lies and unrelenting abuse, and discover that resilience proves most enduring in the dead of this winter's tale.

Victory Road Mark Bowlin,2010-10-15 For these World War II soldiers, Highway 6 is the road to Rome—and to victory... Fall, 1943: The Allied advance up the Italian peninsula has ground to a halt and the prospect of taking Rome before Christmas seems more distant than ever. In their first action since Salerno, First Lieutenant Sam Taft and the soldiers of Able Company are sent to wrest a lonely stretch of road from the German defenders. The Italians call it Highway 6, but the boys of the Texas Gun Club know it as Victory Road. As Sam slugs it out in the valley, somewhere beyond the highway high up in the mountains Captain Perkin Berger, Sam's cousin, struggles against harsh elements and murderous German intelligence agents in

his quest to be the first American into San Pietro...

The Gun Club Robert Fowler,2017-10 The U.S. Navy's first planned battle of WWII is told through the extraordinary, little-known story of USS DUNCAN, the first Allied warship to penetrate a Japanese battle-line. From their first encounter with their celebrated captain and tyrannical executive officer to a deadly night afloat in shark-infested waters to a homecoming turned into a PR campaign, The Gun Club is a vivid day-to-day account of life on a warship, told largely in the words of the survivors, and is one of the most detailed and compelling accounts of a war cruise ever written.
