Seven and a Half Lessons about the Brain Lisa Feldman Barrett, 2020-11-17 From the author of *How Emotions Are Made*, a myth-busting primer on the brain, in the tradition of *Seven Brief Lessons on Physics* and *Astrophysics for People in a Hurry*

Half the Sky Nicholas D. Kristof, Sheryl WuDunn, 2010-06-01 #1 NATIONAL BESTSELLER • A passionate call to arms against our era's most pervasive human rights violation—the oppression of women and girls in the developing world. From the bestselling authors of *Tightrope*, two of our most fiercely moral voices With Pulitzer Prize winners Nicholas D. Kristof and Sheryl WuDunn as our guides, we undertake an odyssey through Africa and Asia to meet the extraordinary women struggling there, among them a Cambodian teenager sold into sex slavery and an Ethiopian woman who suffered devastating injuries in childbirth. Drawing on the breadth of their combined reporting experience, Kristof and WuDunn depict our world with anger, sadness, clarity, and, ultimately, hope. They show how a little help can transform the lives of women and girls abroad. That Cambodian girl eventually escaped from her brothel and, with assistance from an aid group, built a thriving retail business that supports her family. The Ethiopian woman had her injuries repaired and in time became a surgeon. A Zimbabwean mother of five, counseled to return to school, earned her doctorate and became an expert on AIDS. Through these stories, Kristof and WuDunn help us see that the key to economic progress lies in unleashing women's potential. They make clear how so many people have helped to do just that, and how we can each do our part. Throughout much of the world, the greatest unexploited economic resource is the female half of the population. Countries such as China have prospered precisely because they emancipated women and brought them into the formal economy. Unleashing that process globally is not only the right thing to do; it's also the best strategy for fighting poverty. Deeply felt, pragmatic, and inspirational, *Half the Sky* is essential reading for every global citizen.

The Vanishing Half Brit Bennett, 2022-02-01 #1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE * VANITY FAIR * GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal* "A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be..." — Entertainment Weekly From The New York Times–bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated

by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times–bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

The Global Findex Database 2017 Asli Demircuc-Kunt, Leora Klapper, Dorothe Singer, Saniya Ansar, 2018-04-19 In 2011 the World Bank—with funding from the Bill and Melinda Gates Foundation—launched the Global Findex database, the world's most comprehensive data set on how adults save, borrow, make payments, and manage risk. Drawing on survey data collected in collaboration with Gallup, Inc., the Global Findex database covers more than 140 economies around the world. The initial survey round was followed by a second one in 2014 and by a third in 2017. Compiled using nationally representative surveys of more than 150,000 adults age 15 and above in over 140 economies, *The Global Findex Database 2017: Measuring Financial Inclusion and the Fintech Revolution* includes updated indicators on access to and use of formal and informal financial services. It has additional data on the use of financial technology (or fintech), including the use of mobile phones and the Internet to conduct financial transactions. The data reveal opportunities to expand access to financial services among people who do not have an account—the unbanked—as well as to promote greater use of digital financial services among those who do have an account. The Global Findex database has become a mainstay of global efforts to promote financial inclusion. In addition to being widely cited by scholars and development practitioners, Global Findex data are used to track progress toward the World Bank goal of Universal Financial Access by 2020 and the United Nations Sustainable Development Goals. The database, the full text of the report, and the underlying country-level data for all figures—along with the questionnaire, the survey methodology, and other relevant materials—are available at www.worldbank.org/globalfindex.

Where the Crawdads Sing (Movie Tie-In) Delia Owens, 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Little Shepherd of Kingdom Come John Jr. Fox, 1993-01-19 The bestselling turn-of-the-century classic. A novel that “makes one realize as never before the agonizing effects of the Civil War in a border state” (The New York Times). First serialized in Scribner's Magazine in 1903, *The Little Shepherd of Kingdom Come* is the rags-to-respectability saga of Chad Buford, an orphan

of questionable parentage from the Cumberland Mountains. He is befriended first by the kind and generous Turner family in the valley of Kingdom Come Creek in Southeastern Kentucky and then by the aristocratic Major Calvin Buford in the "settlemints" of the Bluegrass. Convinced that Chad is a kinsman, the major discovers the poor boy's blueblood pedigree and persuades him to pursue a proper education in Lexington. Before, however, he can settle down with an appropriate wife and begin to live the life of "Chadwick Buford, Gentleman," the Civil War intervenes to separate him from his newfound status, family, and friends. In *The Little Shepherd of Kingdom Come*, "the war and its conflicts set an epic stage for the novel's main business, the testing and maturation of a hero" (Kentucky Living).

Though his royal blood controls the power of the sun, he's now responsible for the lives of all the Chicome people. And despite all Ahkin's efforts, the sun is fading—and the end of the world may be at hand. For Mayana, the only daughter of the Chicome family whose blood controls the power of water, the old emperor's death may mean that she is next. Prince Ahkin must be married before he can ascend the throne, and Mayana is one of six noble daughters presented to him as a possible wife. Those who are not chosen will be sacrificed to the gods. Only one girl can become Ahkin's bride. Mayana and Ahkin feel an immediate connection, but the gods themselves may be against them. Both recognize that the ancient rites of blood that keep the gods appeased may be harming the Chicome more than they help. As a bloodred comet and the fading sun bring a growing sense of dread, only two young people may hope to change their world. Rich in imagination and romance, and based on the legends and history of the Aztec and Maya people, *The Seventh Sun* brings to vivid life a world on the edge of apocalyptic disaster.

All American Boys Jason Reynolds, Brendan Kiely, 2015-09-29 A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as

further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

So when the gorgeous, brilliant Zenny Iverson asks me to teach her about sex, I want to say yes, I really do. Unfortunately, there are several reasons to say no--reasons that even a very bad man like myself can't ignore. 1. She's my best friend's little sister. 2. She's too young for me. Like way too young. 3. She's a nun. Or about to be anyway. But I want her. I want her even with my best friend and God in the way, I want to teach her and touch her and love her, and I know that makes me something much worse than a very bad man. It makes me a sinner. And it's those very sins that are about to save me... ***Sinner is a standalone companion to Priest about Father Bell's brother Sean. You do not have to read Priest or Midnight Mass to read Sinner***
