Jimmy Buffett Ryan White, 2017-05-09 A candid, compelling, and rollicking portrait of the pirate captain of Margaritaville—Jimmy Buffett. In Jimmy Buffett: A Good Life All the Way, acclaimed music critic Ryan White has crafted the first definitive account of Buffett's rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex, a vast network of merchandise, chain restaurants, resorts, and lifestyle products all inspired by his sunny but disillusioned

hit "Margaritaville." Filled with interviews from friends, musicians, Coral Reefer Band members past and present, and business partners who were there, this book is a top-down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans, Key West, down into the islands aboard the Euphoria and the Euphoria II, and into the studios and onto the stages where the foundation of Buffett's reputation was laid. Buffett wasn't always the pied piper of beaches, bars, and laid-back living. Born on the Gulf Coast, the son of a son of a sailing ship captain, Buffett scuffed around New Orleans in the late sixties, flunked out of Nashville (and a marriage) in 1971, and found refuge among the artists, dopers, shrimpers, and genuine characters who'd collected at the end of the road in Key West. And it was there, in those waning outlaw days at the last American exit, where Buffett, like Hemingway before him, found his voice and eventually brought to life the song that would launch Parrot Head nation. And just where is Margaritaville? It's wherever it's five o'clock; it's wherever there's a breeze and salt in the air; and it's wherever Buffett sets his bare feet, smiles, and sings his songs.

**Hanging Out and Hanging On** Elsa Nunez, 2014-05-07 Hanging Out and Hanging on: From the Projects to the Campus chronicles the progress of students from Hartford and Manchester, Connecticut, who are enrolled in the Dual College Enrollment Program (DCEP) at Eastern Connecticut State University. "Hanging Out" sets the stage for describing the program by first reaching back in time to tell of Dr. Núñez's own beginnings in Puerto Rico and Newark, New Jersey, of her struggles as a non-English speaking elementary school student and her triumphs in high school and college. The next section of the book describes the lives of Latinos in Connecticut and the social, economic, and educational challenges they have faced over time. Her personal experiences and desire to improve the lives of the underprivileged led Dr. Núñez to create the DCEP Program. Through the words of faculty and staff and the personal accounts of six DCEP students, you will read stories of desperation and hope, of struggle and triumph, of heart-breaking failure and stunning success. We hope their story can serve as a model for other communities to follow.

Fractured Truth Caroline Slate, 2003-07-22 In *The House on Sprucewood Lane*, Caroline Slate established herself as a distinctive new voice in psychological suspense, a writer who creates characters so rounded the reader can hear their ragged breathing (Publishers Weekly). Now, in this highly charged story of love and trust turned inside out, she crafts a tale of passion and intrigue, murder and betrayal -- friendship and love. One moment is all it takes to change the course of a life. An instant in time, and a world is forever altered. For successful young jewelry designer Grace Leshansky that moment came when she shot and killed her charismatic con-man husband, Paul Boudreau. Grace never denied the act, never spoke about the moments just before, when her finger tightened around the trigger -- when Paul ripped her world apart with one more lie. Or was it a truth? Manslaughter: to Grace's ear the slaughter of a man sounded worse than murder. It still does seven years later when she's released from prison -- a woman indelibly changed. She returns to New York City, where she finds everything that mattered to her gone. She fiercely misses her father, George,

a charming, hapless gambler with a taste for the company of gangsters. But George Leshansky's dead now, killed to prevent his turning FBI witness -- or perhaps, just perhaps, he is alive. As she searches for a way to live with the past and in the present, Grace confronts more memories than she can bear and a few questions she may no longer be brave enough to ask. Almost immediately, risks begin to surface from every direction: Gabriel McCail, a reporter bent on exposing Paul's treacherous life in an insider biography, threatens to stir up the past; and Michael Pyatt, the beautiful boy who loved and left her at seventeen, is back, possibly with information about her father. Will Grace have the courage to face the answers to her questions, or will her quest for the truth jeopardize her newly won freedom, and the lives of those she holds most dear?

A Very Mountain Man Thanksgiving Shaw Hart, 2023-11-02 He's the man of her dreams, but she's not who he thinks she is... He's the man of her dreams, but she's not who he thinks she is... Myra: It all started two weeks ago. I needed to leave town, but I had nowhere to go. That's when I stumbled on my roommate's dating profile and saw the sweet messages some guy sent her. He invited her to come visit him and left his address. So, I may have stolen her account and messaged him back that I was on my way. It was only meant to be a few days, but once I meet Alder, I don't want to let him go. Alder: When Myra shows up on my doorstep claiming to be the girl that I've been messaging online, I know that she's lying but I don't have it in me to turn the curvy girl away. So instead, I invite her in and try to see how far she's willing to go with all of this. Then something happens. I start to fall for the lonely little liar. Will Alder be able to let Myra go? Or will he have something special to be thankful for this Thanksgiving? Get ready to fall in love with the mountain men of Fallen Peak. These five men are all determined to be alone until the women that they're meant to be with find their way past their defenses. Grab a blanket and curl up as we head up the mountain to Fallen Peak! **The Hanging** Wendy Hornsby, 2012-07-17 When her TV series is abruptly canceled, investigative filmmaker Maggie MacGowen accepts a short-term contract to teach film production at a local community college and finds herself in the middle of an explosive power struggle. In an era of budget cuts, the community college President arouses faculty and student animosity with his expensive building program. When Maggie finds the college president hanging in the building's stairwell, suspicion falls on her young friend Sly Miller. A world-class artist, his sculpture was supposed to be hanging in place of the body. That's only the beginning of a twisty plot dealing with the aesthetics and business of art, a billion-dollar art-for-arms deal; political corruption and cronyism; and issues of art forgery and journalistic ethics, all capped off by a stunning denouement. Hornsby's well-constructed eighth Maggie MacGowen mystery. . . offers a nuanced glimpse of campus life in the budget-crisis era, a plot with a nicely topical twist, and a cast of smart, appealing characters. Readers will cheer Maggie on as both new romance and fresh career opportunities beckon. -Publishers Weekly (6/20/12)

Journey to the End of the Century , SACHAL, 2023-08-09 Titling his book *Journey to the End of the Century*, SACHAL puts us in the macrocosm of the culture of the Soviet Union through the microcosm of his life there. It was a harsh and difficult beginning: homelessness, starvation, loneliness, diseases, and a painful existence. Never complaining, little Sacha learns how to use experience in the most magical ways. He recounts how he bravely endured, how to use the system of control to survive and fully be himself. This severe beginning prepared Sacha for the horrors of war, for the harshness and severity of the German prison camp and the French Resistance. This hero received the Croix de Guerre in France. He learned how to survive homelessness, severe cold, no food, cruelty, and brutality, and all with a smile, ingenuity, a song on his lips, or his gift of art. He was a genius with poetry in his soul that he later put on canvas. This unforgettable history speaks to us about how to use adversity and to triumph in a sometimes cruel, brutal world. It is a powerful story of how one man learned to be himself, gentle, powerful, resilient, uncomplaining of himself or others throughout this saga of his life. While his story is devastating, it is magnificent that a man such as Sacha can endure and learn from every adversity that being true to himself is the greatest response. This book is an unforgettable read and will enrich all those who venture into *Journey to the End of the Century*. For more information on Sacha, the man and his art, see [www.sachal.com](http://www.sachal.com).

**Scrolls of Sorrow: A Collection of Macabre Poetry** Anthony Alicea,

Don't Try This Alone Kathy Brous, 2018-02-28 Kathy was an overachiever—an economist, technical writer, and classical singer married 27 years to her college sweetheart. It looked like Kathy was fine. But deep within her hid a pain from infancy so severe that a cascade of adult life crises finally triggered it. And once it exploded, the pain was unbearable. Kathy was suffering attachment disorder, a psychological condition potentially affecting almost half the US population. Caused by traumatic stress in the first three years of life, attachment disorder correlates with the nation's 50 percent divorce rate and widespread mental health issues. Yet no one talks about its prevalence, so many sufferers go untreated, forced to live with their pain in silence—without a hint of its cause. This was certainly true for Kathy. But when her initial forays into psychiatric help failed, Kathy decided to treat herself. It was a mistake that almost cost her life. Told with candor and quirky, ironic humor, Don't Try This Alone will resonate with anyone suffering attachment damage. It knows no boundaries; it strikes those who believe they had wonderful childhoods as well as the obviously abused. Yet there's hope! Kathy's story also shows: help and healing are out there.

**Culinary Landmarks** Elizabeth Driver, 2008-01-01 *Culinary Landmarks* is a definitive history and bibliography of Canadian cookbooks from the beginning, when *La cuisinière bourgeoise* was published in Quebec City in 1825, to the mid-twentieth century. Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present-day Canada, whether a locally authored text or a Canadian edition of a foreign work. Every type of recipe collection is included, from trade publishers' bestsellers and advertising cookbooks, to home economics textbooks and fund-raisers from church women's groups. The entries for over 2,200 individual titles are arranged chronologically by their province or territory of publication, revealing cooking and dining customs in each part of the country over 125 years. Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen-equipment manufacturers, who often published the books. Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada, while brief introductions for each province identify regional differences in developments and trends. Four indexes and a 'Chronology of Canadian Cookbook History' provide other points of access to the wealth of material in this impressive reference book.
