Their chemistry is undeniable and their passion explosive. Trapping Ace is the furthest thing from Talise's mind, when she learns she is pregnant. She is determined to be a good parent. When Ace rejects her she lets him know, I want nothing from you Ace, not even your name, and she means it. But Ace's big brother and cousins don't plan to let the child who represents the twelfth generation descendant of a royal African tribe leave the fold. Whether Ace decides to accept his responsibility or not, his family embraces Talise and baby. As for Ace, they turn him over to the LORD. Sterling Secrets Vee R. Paxton, 2022-05-17 I'm alone in New York City, an ocean away from my clan in England. This is the price I'm paying for an aged soothsayer naming me the woman to bring forth the most powerful Lycan ever known. Now a ruthless gangster wants me for his bride, and all I want is a life of my own. So I ran away, straight into a random encounter with a former FBI agent turned private investigator named Ashley Sterling. The magic coming off of him is more powerful than I've ever sensed. On top of that, he has premonitions—and he's handsome. I'm attracted, terrified and intrigued at the same time. Can he help me? My best friend is a chick magnet. Me, I'm more of a trouble magnet. Okay, half the time as an investigator I go looking for it, but as soon as I catch her

eyes on the subway, all the bells in my head ring. The woman from my premonition is right in front of me. She's in trouble, on the run. Olivia is also beautiful and sensed my magic immediately. How can I not be intrigued? I've stepped in to help her, even though every signal in my brain tells me that by doing so, my life will never be the same.

The Teenage Mafia Henry F. Tyler III, 2011-01-03 The Teenage Mafia is a rare, exciting, and unpredictable story. There is not another story like it. Read and follow the crew on their havoc causing journey, from assaulting and robbing people randomly to beefing with each other. Steven and Lewis are teenagers who took the wrong exit to make their dreams come true. Lewis talked Steven into forming a six men crew. Lewis realized his goals could not get accomplished with just the two of them. Along the way, Steven finds himself making most of the important decision for the crew. Lewis and Steven recruited four other students from their school named Eric, James, Willie and Johnny. Eric is a wimpy nerd who would do anything to toughen up his image. Eric's sex addiction led him into some strange situations. James has a gambling problem. He goes from losing to winning. His attitude changes for the worst, making him hard to get along with. His greed outweighs the rest of The Teenage Mafia member's greed. Willie and Johnny are stars on their school's football team. The two first cousins were feared tremendously by other students. Will The Teenage Mafia pull together and make things work or will they fold under pressure?

We Should Hang Out Sometime Josh Sundquist, 2014-12-23 From Paralympic ski racer and YouTube star, Josh Sundquist, comes an always-funny (and sometimes-awkward)

memoir about teenage misadventures. The inspiration for the series *Best Foot Forward*, streaming soon on Apple TV+! When Josh was twenty-five years old, it came to his attention that he never had a girlfriend. At the time, he was actually under the impression that he was in a relationship, so this bit of news came as something of a shock. Why was Josh still single? To find out, he tracked down each of the girls he had tried to date since middle school and asked them straight up: What went wrong? The results of Josh's semi-scientific investigation are in your hands. From a disastrous Putt-Putt date involving a backward prosthetic foot, to his introduction to CFD (Close Fast Dancing), and a misguided grand gesture at a Miss America pageant, this story is about looking for love—or at least a girlfriend—in all the wrong places. Poignant, relatable, and totally hilarious, this memoir is for anyone who has ever wondered, Is there something wrong with me? (Spoiler alert: the answer is no.)

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER

• From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured

months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Bert and Norah: the Missing Bernard H. Burgess, 2019-12-09 It is a beautiful fall morning in October 2017 as Bert Lynnes, a retired Army officer turned private investigator, sips coffee on the front porch of his Cody, Wyoming, log home. He reflects on the successful business he has built with his psychic wife, Norah, and their female coywolf tracker, Missy. Moments later when the phone rings at B & N Investigations, Bert is summoned by a mysterious and obviously prominent man to a local hotel where his team is soon drawn into a complex new Wyoming case. The mystery man's child has gone missing. Without signs of a struggle or leads to follow, Bert's team attempts to determine whether betrayal, abduction, or lovestruck runaway has occurred. In her temporary absence, Norah's intuitive feelings and visions are called upon from afar. Bert must rely upon her insights in order to find the truth. Propelled down a path full of unexpected twists and

turns, they must solve the case before someone dies. “I love mysteries and this book certainly filled that bill. There were twists and turns and just when I thought I had it figured out, I didn’t.” — LibraryLady (Amazon)
