LORNA LANDVIK

📖 **MEET MY HAZE** Meg Tuite,2018-04-06 Meet My Haze is filled with stories that live between fire, family, the torque of a heart, and tenderness. Meg Tuite shows us the inside-out of our domestic lives, loves, and misadventures, making the hairs on my arms shoot up, or a knot made of art and fuck get stuck in my throat. These are the micro moments that make us. This book made my whole body vibrate. Lidia Yuknavitch, author of The Book of Joan \*\*\*\*\* In Meet My Haze, Meg Tuite is writing with one foot in the land of the living and one foot in the land of the dead. And she’s doing it so tenderly that the boundary is blurred, allowing us to cross over and back. We become the dead, which means we also become more alive through her passages. Meg Tuite says in here, ‘It’s a parade of the lonely.’ That’s what each piece of this collection is doing, marching down our streets in a celebratory/grieving journey like a second line funeral in New Orleans. Steven Dunn, author of Potted Meat and Water & Power \*\*\*\*\* The immediacy of Tuite’s writing forces us to delve deep into the intermingling of death and life. Her sentences punch you awake, throttle you, grip and surprise you, force you with bold strokes to sit up and notice our shared humanity, our shared grit. Raw and poetic at once, Meg Tuite is an extraordinary writer. Meet My Haze is one of those rare story collections that wake up the dead and spring us head first into life. Deborah Henry, author/screenwriter of The Whipping Club \*\*\*\*\* Meg Tuite is a phenomenon. She takes no shit, pulls no punches. Meet My Haze is her finest, most nuanced collection to date. Tuite’s writing makes me think of Raymond Carver and Clarice Lispector thrown into a nuclear reactor, as an experimental fuel to power this burnt down world in some new beautiful way. Bud Smith, author of Double Bird \*\*\*\*\* Meg Tuite’s Meet My Haze is a Descansos for the living. Tuite’s characters give us the world. She writes: ‘You know that anticipatory fear of a train bearing down on tracks. It gets larger and larger as it moves closer and there’s a moment when your body watches itself sail out just before the train hits.’ That’s how I felt while reading Meet My Haze, buoyant, outside my body, but also waiting for the unexpected: missing tracks, a broken switch, an invisible collision, felt but unseen. Tiff Holland, author of Betty Superman \*\*\*\*\* In her stunning new collection of stories, Meg Tuite portrays life with all its pathos and humour: the colours, clamour and stench of humanity. People cling to what they have, or prepare to let go forever, reminding us always that we experience life most keenly when we see it in the raw. As these thirty-three short narratives unfold, they take us on a fearless search for what it means to be human. David Steward, author of Travelling Solo \*\*\*\*\* Meg Tuite’s Meet my Haze is a robber’s cave of shining gems that spark and blaze long after the reading is done. To corrupt a line from the book: A day with Tuite’s writing is never a dead day. These brilliant short stories include ‘Letter to a Dead Writer,’ (Clarice Lispector), a fitting tribute to one great short story writer from another. James Claffey, author of Blood a Cold Blue

📖 **CAUGHT IN THE HAZE** Sandi Van,2022-06-01 Tae has moved twice in his life. First, from South Korea to the United States when he was adopted as a baby, and then to a new town before he starts high school. In Tae’s new school, he’s one of the youngest players, and the only person of color, trying out for the Varsity soccer team—a team known for its violent hazing practices. Tae wants more than anything to be part of the team, but worries about fitting in. Then, he sees a familiar face. Luke is a soccer star on his way to scoring a role as the team captain and a full ride to college, but no one knows his secret—that he was adopted too. Tae and Luke met in an adoption group years before, and Luke’s first instinct is to help Tae fit in. But tradition is tradition, and Luke might not be able to save Tae from being hurt in the hazing rituals without risking his own reputation.

📖 **DARK HAZE** TC Neville Senior, Introduction The year is 2060, a time after the world had fallen; a time when half the population had disappeared suddenly. Some call it the apocalypse; Christians call this phenomena The Rapture. These rumors beheld the ones who witnessed the disappearances with their own eyes. Most people were skeptical however, because of what they see now in this present. Computers have evolved into copycats of humans, and the eye in the sky is this future’s judge, jury, and executioner. The Order, known as the Bureaucracy of the United Government (BUG) has become the One World Government to control this chaos. But, to do so, they’ve enslaved mankind to his own domain. Dr Curt, an employee of The Order has just discovered a secret file in his employer’s mainframe computer database, which shocks the doctor’s equilibrium to its center core. He is now a fugitive on the run with the classified materials he stole... Ex Police Officer Destyne is also on the run when she tried to assist her longtime colleague and mentor (ignorant to the Doc’s cause)... Both their intentions are to get themselves and family off the island before it’s too late. But, are intentions enough? Will they make it? The countdown has already begun. Both their fates dangle on the string of life and death. Insights many people may not know this but the inspiration for this book came from a dream I had one morning before this whole pandemic with the Covid-19 versus vaccines blew up. Call it a premonition or revelation... you be the judge. The stories in this book’s timeline are around the futuristic year of 2060, and based upon Eschatology... the way things are going in this world today... the year 2060 and its technologies are approaching very quickly. There are many factors and experiences from my own personal life that conjured the stories on its pages. I’m glad you enjoyed it. Book two is coming soon... 📖 **CHRONICLES OF A RADICAL HAG (WITH RECIPES)** Lorna Landvik,2019-03-26 A bittersweet, seriously funny novel of a life, a small town, and a key to our troubled times traced through a newspaper columnist’s half-century of taking in, and taking on, the world The curmudgeon who wrote the column “Ramblin’s by Walt” in the Granite Creek Gazette dismissed his successor as “puking on paper.” But when Haze Evans first appeared in the small-town newspaper, she earned fans by writing a story about her bachelor uncle who brought a queen of the rodeo to Thanksgiving dinner. Now, fifty years later, when the beloved columnist suffers a massive stroke and falls into a coma, publisher Susan McGrath fills the void (temporarily, she hopes) with Haze’s past columns, along with the occasional reprinted responses from readers. Most letters were favorable, although Haze did have her trolls; one Joseph Snell in particular dubbed her “liberal” ideas the “Chronicles of a Radical Hag.” Never censoring herself, Haze chose to mollify her critics with homey recipes—recognizing, in her constantly practical approach to the world and her community, that buttery almond crescents will certainly “melt away any misdirected anger.” Framed by news stories of half a century and annotated with the town’s chorus of voices, Haze’s story unfolds, as do those of others touched by the Granite Creek Gazette, including Susan, struggling with her troubled marriage, and her teenage son Sam, who—much to his surprise—enjoys his summer job reading the paper archives and discovers secrets that have been locked in the files for decades, along with sad and surprising truths about

Haze’s past. With her customary warmth and wit, Lorna Landvik summons a lifetime at once lost and recovered, a complicated past that speaks with knowing eloquence to a confused present. Her topical but timeless Chronicles of a Radical Hag reminds us—sometimes with a subtle touch, sometimes with gobsmacking humor—of the power of words and of silence, as well as the wonder of finding in each other what we never even knew we were missing.

📖 **Around the World in Farty Haze** Simon Fawkes, 2005-04 Nineteen-year-old Simon Fawkes suffers from a spasmodic wind problem as he hauls his fat bulk through this hilarious account of a journey through the Americas. From seedy San Francisco sex clubs through stomach upsets in Mexico, uncontrollable flatulence at Machu Picchu, becoming stranded in a snowdrift in Bolivia to being sick at a foam party, the tale is told in a way that makes the tears stream. His humour operates at many levels; from the subtle to the toilet. But this is much more than just a tale about farting. Skilfully crafted, we gain a witty insight into the places and characters the author encounters in this illuminating travel story. ‘A bizarre cross between Bill Bryson and Viz’ Fairlight and Richmond Times ‘Michael Palin with wind...a mix of fantastic humour and fascinating insights’ Penny Trait, Yorkshire Evening Telegraph ‘Superb...a breath of fresh air’ R Spoker, New Lad Magazine

For all his effectiveness as a security agent, Roget is troubled by memories of an earlier mission. When he was assigned to covert duty in the Noram backcountry town of St. George, he not only discovered that the long-standing Saint culture was neither as backward nor as harmless as his superiors believed, but he barely emerged with his life and sanity whole. Now, scouting Haze, he finds a culture seemingly familiar, yet frighteningly alien, with hints of a technology far superior to that of the Federation. Yet he is not certain how much of what he sees is real—or how to convey a danger he cannot even prove to his superiors, if he can escape Haze. Other Series by L.E.
