

Heires

Henry FitzPatrick Berry

Rogues And Heiresses/Highland Rogue, London Miss/Highland Heires Margaret Moore,2014-07-01 Highland Rogue, London Miss Quintus MacLachlann is arrogant – unapologetically so. When he's asked to impersonate one half of a married couple to infiltrate Edinburgh society, he relishes the challenge of being 'married' to the frustratingly wilful yet beautiful Esme. Esme makes no bones about her fervent dislike of the dishonoured rake. He's the last person on earth she can conceive of marrying, sham or otherwise. But forced to play wife to the handsome-as-sin wastrel brings up very real feelings of desire... Highland Heiress No sooner does wealthy heiress Lady Moira MacMurdaugh breathe a sigh of relief for avoiding a disastrous marriage to a gambling womaniser, than she is served with a lawsuit! Torn between duty and this impulsive beauty who stirs him to distraction, solicitor Gordon McHeath has no choice but to go up against the woman whose kiss he's never forgotten. Until sinister forces threaten to upend Lady Moira's world and Gordon must cast the law book aside!

The Heiress Gets a Duke Harper St. George,2021-01-26 Even a fortune forged in railroads and steel can't buy entrance into the upper echelons of Victorian high society--for that you need a marriage of convenience. American heiress August Crenshaw has aspirations. But unlike her peers, it isn't some stuffy British Lord she wants wrapped around her finger--it's Crenshaw Iron Works, the family business. When it's clear that August's outrageously progressive ways render her unsuitable for a respectable match, her parents offer up her younger sister to the highest entitled bidder instead. This simply will not do. August refuses to leave her sister to the mercy of a loveless marriage. Evan Sterling, the Duke of Rothschild, has no intention of walking away from the marriage. He's recently inherited the title only to find his coffers empty, and with countless lives depending on him, he can't walk away from the fortune a Crenshaw heiress would bring him. But after meeting her fiery sister, he realizes Violet isn't the heiress he wants. He wants August, and he always gets what he wants. But August won't go peacefully to her fate. She decides to show Rothschild that she's no typical London wallflower. Little does she realize that every stunt she pulls to make him call off the wedding only makes him like her even more.

Hatchie the Guardian Slave Or the Heiress of Bellevue Warren T. Ashton,2006-09-01

Searching High and Low Mark D. Heires,2023-03-13 After everything he'd been through, all he wanted was tranquility. What he really needed was God. The horror of World War II caused Eugene Walker to lose his faith. After the war, all he wanted was to live the rest of his life in peace. Revitalizing a rundown farm was a good start, and with the addition of a beautiful wife and the young boy she gave him, he thought he had found it. Then, his son vanished just as the strongest winter storm in years crippled the area. When no trace of the boy could be found, dark suspicion increasingly fell to him, causing the sleeping demons within him to come roaring back. More than a layered psychological thriller, it is a story of the struggle for faith in a fallen world.
