Let's Make Comics! Jess Smart Smiley,2018-06-05 A light-hearted interactive guide to comics and cartoon-making that uses an activity book format and creatively stimulating prompts to teach the fundamentals of cartooning in a fun and easy-to-follow fashion. From a working cartoonist and comic book making instructor, this all-ages activity book uses humorous and informative one-page comics and exercise prompts to guide young readers (and readers who are young at heart) through easy-to-master lessons on the skills needed to make comics. The activities cover a range of essential comics-making tasks from creating expressions for characters to filling in blank panels to creating original characters and placing them in adventures of their own. Each exercise can stand on its own or work together with others in the book to stimulate creativity via the comics medium. In the end, readers who complete the activities inside the book itself will have created several comics of their own, and will have generated many ideas for more sequential art creations. Praise for *Let's Make Comics!* "At once playful and complex, this book is a perfect introduction to cartooning, as well as a lovely (and lovingly crafted) tribute to the comics form and a timely reminder that artmaking can be fun."—Roman Muradov, creator of *Vanishing Act* and *On Doing Nothing* "Let's Make Comics is a book I wish I had when I was 9, but 29 works too! It's so fun and brilliant and packed with oodles of awesome activities. Great book for learning to make comics or for a seasoned cartoonist to find some new inspiration."—Ben Clanton, creator of the *Narwhal* and *Jelly* books "It's fantastic! This book will make you a better writer and a better artist and show you how to think like a comic star."—Charise Harper, creator of the *Fashion Kitty* and *Crafty Cat* books "Warning! This book will make you make comics, and it will be fun!"—Greg Pizzoli, creator of *The Watermelon Seed*, *Number One Sam*, and *The Book Hog* "If only we'd had this book! Our comics would be much better."—Elizabeth Pich and Jonathan Kunz, creators of *War and Peas*

Friendship in the Age of Loneliness Adam Smiley Poswolsky,2021-05-04 *NEXT BIG IDEA CLUB SUMMER 2021 NOMINEE* After nearly a year of social distancing and lockdown measures, it's more clear than ever that our friendships and bonds are vital to our health and happiness. This refreshing, positive guide helps you take care of your people and form deep connections in the digital age. We are lonelier than ever. The average American hasn't made a new friend in the last five years. Research has shown that people with close friends are happier, healthier, and live longer than people who lack strong social bonds. But why—when we are seemingly more connected than ever before—can it feel so difficult to keep those bonds alive and well? Why do we spend only four percent of our time with friends? In this warm,

inspiring guide, Adam Smiley Poswolsky proposes a new solution for the mounting pressures of modern life: focus on your friendships. Smiley offers practical habits and playful reminders on how to create meaningful connections, make new friends, and deepen relationships. He'll help you develop a healthier relationship with technology, but he'll also encourage you to prioritize real-world experiences, send snail mail, and engage in self-reflective exercises. Written in short, digestible, action-oriented sections, this book reminds us that nurturing old and new friendships is a ritual, a necessity, and one of the most worthwhile things we can do in life.

The Karla Trilogy Digital Collection Featuring George Smiley John le Carré, 2011-12-06 TINKER, TAILOR, SOLDIER, SPY The first novel in John le Carré's celebrated and New York Times bestselling Karla trilogy featuring George Smiley, Tinker, Tailor, Soldier, Spy is a heart-stopping tale of international intrigue. The man he knew as Control is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement—especially when a pretty, would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small, loyal cadre, Smiley recognizes the hand of Karla—his Moscow Centre nemesis—and sets a trap to catch the traitor. THE HONOURABLE SCHOOLBOY As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, The Honourable Schoolboy is the second installment of John le Carré's renowned and New York Times bestselling Karla Trilogy, the follow-up to Tinker, Tailor, Soldier, Spy. SMILEY'S PEOPLE Tell Max that it concerns the Sandman... A very junior agent answers Vladimir's call, but it could have been the Chief of the Circus himself. No one at the British Secret Service considers the old spy to be anything except a senile has-been who can't give up the game—until he's shot in the face at point-blank range. Although George Smiley (code name: Max) is officially retired, he's summoned to identify the body now bearing Moscow Centre's bloody imprimatur. As he works to unearth his friend's fatal secrets, Smiley heads inexorably toward one final reckoning with Karla—his dark "grail." In Smiley's People, master storyteller and New York Times bestselling author of The Spy Who Came in from the Cold and Our Kind of Traitor John le Carré brings his acclaimed Karla Trilogy, to its unforgettable, spellbinding conclusion. John le Carré's memoir, The Pigeon Tunnel: Stories from My Life, will be available from Viking in September 2016

Dinner with the Smileys Sarah Smiley, 2013-05-07 They say you are what you eat—but apparently, with whom you eat is pretty important too. Current medical research bears this out. But wellness was not what motivated mil-blogger/Navy wife and mom Sarah Smiley to invite one guest every week for 52

weeks to have dinner with herself and her three young sons. Sarah's motivation was to fill a void in her family life: that empty chair at the dining room table while her Navy pilot husband, Dustin, was deployed overseas for a year. But what started as a gesture meant to distract the boys from missing their Dad became a joyous journey as the unlikeliest people accepted the invitations... and brought dessert. The Smiley family discovered that a surprising number of people really are available for dinner. You just have to ask. Each dinner guest taught them about life, and the importance of sharing something simple and intimate--like a meal--to cement these valuable lessons in place. From a state senator (she baked brownies) to sports superstars (ice cream), from the boys' teachers (cookies) to their 94-year old neighbor--with R2-D2 making a very special visit--each Smiley dinner guest leaves an indelible impression. Throughout the book, Sarah Smiley's unvarnished detailing of the emotional ebb and flow of being a single mom to three irrepressible boys while trying to balance career, car pool and dinner prep is Bombeck-esque at times, deeply moving at others. **DINNER WITH THE SMILEYS** transformed the family, so much so that even upon Dad's return home, the dinners have continued... one new guest every week. **DINNER WITH THE SMILEYS** shows how one family made a difference not only in their own lives, but the life of each guest as well. Full of humor and heart, this memoir will remind readers how nice it is to sit down, break bread, and connect, as well as surely inspire many invitations to the dinner table.

Smiley Goes to Georgia Steve Denmark,2018-06-05 Smiley is a hermit crab that appeals to young readers because of his good-nature and he rarely loses his smile except when he has to fly. Everybody knows that crabs hate to fly. All of his friends, chickens, alligators, turtles and rabbits, help him get through his many adventures.
