Chronological Bible Reading Guide Jane Becker Weathers,2020-12-02 Chronological Bible Reading Guide presents the arrangement of events recorded in the Bible in sequential order to help us better understand how time flows through and joins, or occasionally separates, these sixty-six individual books. When seen in context with the historical, political, and religious settings, we can better understand the different lessons told in different styles and literary forms including poetry, prophecy and epistles as they are intertwined with history. These readings are grouped by chapter, and while this does not provide a perfect chronology (if that is even possible), it comes fairly close and helps retain some of the original authors' flow when switching between books. The daily readings provide a guide through the entire Protestant canon in one calendar year. Or read at your own rate through God's word of truth. This guide is the result of more than a decade of personal study in Biblical history and fine-tuning the daily readings to maintain a consistent reading time. Invest 10-15 minutes a day to increase your faith and understanding of Scripture! "Faith comes from what is heard, and what is heard comes through the message about Christ" Romans 10:17. The word of God is "more desirable than gold--than an abundance of pure gold; and sweeter than honey, which comes from the honeycomb" Psalm 19:10.

The Reader's Holy Bible Volume 4 Devoted Friends of God, 2017-04-30 This Reader's Bible series is capitalizing on a new type of Holy Bible that has become more popular over the last few years and one that is closer to the original than not. It dispenses with chapter and verse numbers (they weren't added until the 1200s), and puts the books that were originally together (1st and 2nd Chronicles, Ezra and Nehemiah, etc.) back into single books. This is not to say you should abandon your other Holy Bibles for this one. They all have a purpose, whether it is a study Bible, a reader's Bible, or any other type of Bible. We made this particular one at the size we did so it is easier to carry, easier to hold, and easier to read. We used a larger text size against cream-colored paper so it is easier to read outdoors in bright sunlight, as well as indoors at night under a single lamp. We split the Holy Bible up into five separate volumes, so it is easier to carry and you can bring just what you're currently reading instead of one large, bulky Bible.

King James Version Easy Read Sword Value Thinline Bible Large Print Tan Ultrasoft Whitaker House, 2017-09-05 For over four centuries, the Word of God was defined as the King James Version of the Bible. No other version has ever matched the beauty of its writing or the depth of its meaning. It is the most published and printed version of the Bible to this day. The King James Version contains the phrases and words that you grew up with and perhaps even memorized. The King James Version Easy Read (KJVER(R)) Bible uses the original 1611 King James Version text (based on the Textus Receptus--Received Text--rather than the revised 1881 Greek and Hebrew text), but it updates the language for the modern reader. Resources to enhance your biblical study are included, such as articles on the names and attributes of God, biblical terms and definitions, historical outlines, an extensive concordance, and detailed maps. Also the special Topical Concordance of Biblical Words, found at the end of this Bible, will provide countless aids for locating desired subjects and verses. The KJVER(R) Bible brings to life the King James Version, making it easier to use and understand. A key feature of the KJVER(R) Bible is the text style. Known as the King James Version Easy Read, it does not change the Word of God but helps explain difficult words and replaces clearly archaic or obsolete words. Not one word of doctrine has been changed. There are many other distinctive features of the KJVER(R) Bible: Words of God highlighted in red in the Old Testament Words of Jesus highlighted in red in the New Testament Difficult terms underlined and explained at the end of the verse. Archaic or obsolete words replaced with their modern equivalent Classic Doctrine unchanged

1 Timothy - Sentence Block Diagram Method of the New Testament Holy Bible - Structure & Themes Bible Reading Guide - Reveals Structure, Major Themes & Topics Compiled by Pastor Raymond and Rosa Suen
The Following is a Review & Recommendation from Dr. Johnson C. Philip TOP 1000 Amazon REVIEWER on December 10, 2013
GOOD TOOL FOR EXPOSITORS!
The Bible is a book written over a span of 1500 years, by almost 40 writers who hailed from different cultures and language groups. Thus the 66 books of the Bible need to be analyzed in their own culture, language, and context if one has to understand the message clearly. This is easier said than done. Many methods have come up to understand the message of the Bible objectively, and each method contributes something or other to the cumulative task of clarifying the message. The Sentence-block-diagram method is one of these approaches which yields fascinating insights into what was said. More so because this type of analysis clearly shows sentence connections in our language which connection might not be obvious immediately. The only weakness of the book is that while it shows the result of analysis, it does not contain any interpretation of the text. Thus this book will be useful only for those who wish to get the analyzed text, but not for those who are looking for a Bible Exposition.-----I want to thank Dr Johnson Philip for this honest review. From the reviewer point of view he had pointed out exactly the sole objective of this Guided Bible Reading Series. The whole objective is to free the reader from reading any interpretations into the text and let the text speak for itself. You need to see the structure outline clearly so that you do not read your own ideas into the text. In this sense, as Dr Johnson Philip points out, there are no interpretations and expositions of the passages. However as Dr. Johnson Philip points out, it is an excellent TOOL for expositors all the same!-----NOTE: This edition has a linked Table of Contents and has been beautifully formatted for easy navigation. This is a Bible study method called Block Sentence Diagramming. I learned this sentence diagramming approach to study the Bible in the seminary and in the last 25 years, I have been using this to prepare all my sermons and Bible studies. This series of Bible Books can be used for: 1. Personal Devotions 2. Bible study Preparations 3. Sermons 4. Sunday School 5. Personal Growth and spiritual enrichment You will see the Entire Book in Sentence Block Diagram Form & You see structure & themes at ONE Glance! This is a non-conventional method of Bible studies. It is to make the whole book in block sentence diagram so that you can absorb the major themes using this visual method. 1. Once you know the focus of each section, you can easily compile your own Bible Study notes. 2. You don't need to depend on Bible study outlines done by others. You would know the right questions to ask and discover the answers yourself through meditative studies. 3. When you see the final lay out of the sentence block diagram, you will have ready made (at least) 10 thematic sermons to preach with insights & great content. 4. A Brief Explanation is given to show you how the Sentence Block Diagram Works. 5. A Brief Outline of the Book is Given. Enjoy Reading the Bible, Pastor Raymond and Rosa Suen

The Holy Bible: Revised Common Version William Masopust, 2017-01-01
The Holy Bible: Revised Common Version Containing both the Old Testament and New Testament 2017 Edition [r1701]
A modern Bible revision of a classic Bible text. The Revised Common Version (RCV) is a derivative work of Noah Webster's 1833 Common Version of the Bible (a revision of the King James Version). As with Webster's Common Version, the RCV aims to make updates to words and phrases so that they are better understood by the everyday reader who may not read the Scriptures with the aid of commentaries. Care has been taken so that changes to the text are not theologically motivated, but rather are consistent with the original text. Changes include the updating of archaic words to the current equivalent, rearranging of sentences to better follow current English, adjusting of punctuation to aid the reader in the flow of reading, addition of quotation marks, and notation of

Old Testament quotes in the New Testament. Some editions of the RCV have more features, including, the words of Christ in blue and an outline for each chapter. This edition of the Revised Common Version contains the full text of both the Old Testament and New Testament. It also contains a one-year Bible reading plan and a glossary of terms. 20% of all royalties go to the charity, Childcare Worldwide. The full text of the RCV can be read and downloaded at <http://www.revisedcommonversion.com>.
